HIBISCUS SYRIACUS COELESTIS	A hardy hibiscus that has lavender trumpet shaped flowers with a rose coloured throat. Prefers full sun or part shade in well drained soil.	Deciduous 2mH
HIBISCUS SYRIACUS COLLIE MULLINS	Deciduous shrub, with double deep lavender pink flowers that have a darker eye. Prefers sun to part shade and moist well drained soil.	Deciduous Ht. 2m
HIBISCUS SYRIACUS REDHEART	Very hardy and attractive shrub with compact growth habit. Single white hibiscus flowers with dark red centre. Flowers from summer to autumn.Prefers free draining soil and sunny situation . Very cold hardy	Deciduous Ht 2m
HYDRANGEA ALPEN GLUTEN	Large domed flowers of dark rose.Prune stems that have flowered in late autumn. Apply lime sulphur to maintain pink shade.	Deciduous. Ht Medium.
HYDRANGEA ALTONA	Large frilled rosy pink flowers. Needs alkaline to keep the colour. Blues well when treated. Prefers peaty soils with cool roots.	Deciduous. Ht 1.5 m
HYDRANGEA BLAUMEISE	(Lacecap) Deep blue lacecap flowers produced prolifically through the summer. Compact growth habit. Plant in a shady spot with ample water. Apply acid fertilizer to keep good blue colour.	Deciduous.Ht 70cm
HYDRANGEA CHARMING	(Mophead) Deep pink, mophead like flowers.To retain good colour keep soil alkaline. Requires moist soil conditions in summer. Hardy.	Deciduous. Ht 1m
HYDRANGEA FASAN	Lacecap variety with dark red flowers during summer.Prefers rich moist soil ,sun or shade.Add lime to keep good red colour .Very hardy.	Deciduous Ht 80cm
HYDRANGEA FIREWORKS	(Lacecap) Showy heads of double petalled lacecap flowers. Colour varies from blue to white to pink depending on soil acidity.Prefers some shade and good soil moisture. Hardy.	Deciduous Ht 2m
HYDRANGEA GOLDIE	A mop head hydrangea noted for its stunning, bright lime green foliage that lights up in dappled shade. Flowers are pinkish/white. Prefers semi-shade and moist, fertile soil.	Deciduous Ht 1m
HYDRANGEA HOLSTEIN	Deep blue flowers,early.Needs acid soil to maintain colour. Free flowering. Prefers peaty soil and cool root run. Some shade.	Deciduous.

Plant Variety	Narrative	Spec.
<b>Shrub (continued)</b>		
HYDRANGEA LACECAP BLUE WAVE	(Lacecap) A medium-sized hydrangea with beautiful heads of blue flowers surrounded by numerous large ray florets. Best in semi-shade and moist soils.	Deciduous.
HYDRANGEA MACROPHYLLA AGNES PAVELLI	(Mophead) Tall growing with large white flowers. Looks best when protected from midday sun. Prefer part shade in moist soil.	Deciduous Ht. 1.2m
HYDRANGEA MACROPHYLLA BLUE DECKLE	(Lacecap) Attractive deciduous bushy shrub with glossy green leaves in summer. Produces masses of powder blue lacecap flowers during summer. Apply acid fertilizer to keep good blue colour.	Deciduous. Ht. 60cm
HYDRANGEA MACROPHYLLA BLUE PRINCE	Small rounded head arches of brilliant blue in summer. To retain strong blue requires an acid soil. Excellent cut flower. Very hardy.	Deciduous Ht. 1.5m
HYDRANGEA MACROPHYLLA BRIDAL BOUQUET	Profuse pure white blooms over an extended flowering period during summer. Prune to shape after leaf fall.	Deciduous Ht. 1m x 1m
HYDRANGEA MACROPHYLLA FLOWERMASTER BLUE	Mophead variety with masses of blue blooms all summer. Compact habit. Plant in deeply worked, rich soil and keep moist over summer. Prefers shade. Good cut flowers, fresh or dried. Add acid food or Aluminium sulphate to keep good blue colour.	Deciduous Ht 1m
HYDRANGEA MACROPHYLLA FLOWERMASTER RED	Mophead variety with large, full heads of dark red flowers in summer. Compact growth. Plant in moist soil and part shade. Keep soil alkaline (Add lime) to keep good red colour.	Deciduous Ht 80 X 80cm
HYDRANGEA MACROPHYLLA LIBELLE	Lace Cape - Large pure-white ray-florets and blue fertile flowers. Prune hard in late autumn and water during dry spells. Deciduous.	Ht 45cm x 60cm
HYDRANGEA MACROPHYLLA LOVELY	Dwarf, compact free flowering variety with pale pink mophead flowers. Keep soil alkaline to retain good pink colour. Requires summer moisture and some shade preferred. Hardy.	Deciduous Ht 1m
HYDRANGEA MACROPHYLLA MATHILDE GUTGES	Free flowering blue mop head. Easily grown. Prune and feed annually. Apply aluminium sulphate to achieve deep blue colour. Full sun or part shade.	Deciduous Ht 60cm x 90cm
HYDRANGEA MACROPHYLLA NIGHTINGALE	The biggest and best blue lacecap hydrangea. Masses of deep blue flowers in midsummer. Hardy, prune after flowering. Shade.	Deciduous. Ht 1.5m
HYDRANGEA MACROPHYLLA NIXIE	Deep pink to red flowering mophead variety. To retain good colour keep soil alkaline. Requires moist soil conditions in summer. Hardy.	Deciduous. Ht Dwarf.
HYDRANGEA MACROPHYLLA PIAMINA	Dwarf variety which carries a profusion of soft rose-pink flower heads in early summer. Ideal patio or tub plant. Hardy.	Deciduous. Ht 60cm
HYDRANGEA MACROPHYLLA PINK BOUQUET	Large flowerheads of full, ruffled flowers and lush green foliage. Great for picking. Best in a shaded, cooler area and well mulched over summer.	Deciduous Ht 60x75cm
HYDRANGEA MACROPHYLLA VIKING	(Mophead) Enormous rich purple-blue flower heads. Plant in deeply worked, moist free draining soil. Prefers some shade. Regular liquid feeding helps develop larger heads.	Deciduous Ht 1m
HYDRANGEA MERVEILLE SANGUINE	(Raspberry Crush or Bloody Marvellous) Ox blood-red ball-shaped flowers on deep bronze green serrated foliage. Prefers some shade and well drained soil. Feed with lime to enhance red colour. Flowers can be used fresh or dried.	Deciduous Ht 1.2 x 1.2m
HYDRANGEA PANICULATA BOMBSHELL	Stunning compact hydrangea which is smothered in creamy-white blooms throughout summer. These fade to pink in autumn. To enhance flowering, prune hard and feed in early spring. Prefers full sun to part shade.	Deciduous Ht 1m X 1.2m
HYDRANGEA PANICULATA CANDLELIGHT	Upright habit with large flowerheads starting creamy coloured, but turning pink to red as they age. Prefers part shade or shade. PVR	Deciduous Ht. 1.2m
HYDRANGEA PANICULATA DIAMOND ROUGE	Strong stems bearing large flowers which open white and then turn pink before becoming deep red. Flowers over long period. Bushy habit. Plant in full sun to part shade.	Deciduous Ht 1.5m X 1.2m
HYDRANGEA PANICULATA GRANDIFLORA	One of the showiest hardy shrubs. Forms a multi-stemmed shrub with dark green leaves, which turn bronze in autumn. Large creamy-white florets are produced from late spring to autumn. Good for picking.	Deciduous Ht 2.5m X 2.5m.

Plant Variety	Narrative	Spec.
<b>Shrub (continued)</b>		
HYDRANGEA PANICULATA KYUSHU	In late summer dainty long pointed panicles of creamy white flowers adorn this bush. Clean fresh bright green foliage. Very hardy.	Deciduous Ht 1.5m
HYDRANGEA PANICULATA LEVANA	Produces very large, fragrant, pure white flowers (up to 50cm) in late summer. Attractive to insects and butterflies. Great cut flower. Requires sun or part shade and summer moisture. Light trim in late winter. Very hardy.	Deciduous Ht Up to 3m unpruned
HYDRANGEA PANICULATA LIMELIGHT	Long panicles of sterile lemon coloured green to creamy white flowers in late summer and autumn. Golden autumn colour. Prefers full sun or part shade. Hardy.	Deciduous Ht 1.2m
HYDRANGEA PANICULATA SUNDAE FRAISE	A lovely paniculata type Hydrangea with flowers that start off green and white and mature into hues of pink. Very compact, so useful for containers. Prefers some shade and moisture in summer.	
HYDRANGEA PANICULATA TARDIVA	Loosely-packed, sharply pointed white flower heads that turn purplish-pink with age.	Deciduous. Ht. 1.5m
HYDRANGEA PARIS RAPA P.V.R	Glowing reddish-pink mop head blooms throughout the Summer months on a compact plant. Great in pots indoors or outdoors. Prefers good soil, some Summer shade and moisture.	Deciduous Ht 60cm x 60cm
HYDRANGEA PINK BOUQUET	Large ruffled pink flowers on lush green foliage. Good for picking and can be used fresh or for drying. Prefers shade and well drained position. Feed with lime in autumn to keep good colour.	Deciduous 60 x 75 cm
HYDRANGEA QUERCIFOLIA	(Oak leaf Hydrangea) spreading deciduous shrub with handsome, large, deeply lobed leaves turning red and purple in autumn. Flowers cream, in conical panicles with numerous large sterile floret.	Deciduous. Ht 1m
HYDRANGEA QUERCIFOLIA PEE WEE	Dwarf compact selection, topped with beautiful sterile pure white cone flower heads from early summer. Good autumn foliage colour. Hardy.	Evergreen Ht. 0.9m x 0.6m
HYDRANGEA RASPBERRY CRUSH	Compact shrub which prefers some shade. Rich purple rosy pink flowers through the summer. Trim late winter. Prefers moist soil and part shade. Hardy.	Deciduous Ht 1x1m
HYDRANGEA RENATE STEINIGER	(Mophead) Lush blue blooms throughout the Summer and into Autumn. Compact habit suitable for small gardens or large pots. Best with good soil, some shade and Summer moisture. Feed regularly.	Deciduous. Ht 75cm
HYDRANGEA SABRINA	Delicate white blooms edged rose pink. Provide adequate moisture during hot weather. Prune old stems that have flowered. Prefers some shade.	Deciduous Ht 1m
HYDRANGEA SCHNEEBALL	(SNOWBALL HYDRANGEA) Clear white blooms throughout summer. Great in a pot in a cool spot. Best in good soil with summer shade and moisture. Feed regularly. Compact growth habit.	Deciduous. Ht 60cm
HYDRANGEA SERRATA SUMMER GLOW	Lacecap type flowers in summer. Blue in acid soil and pink if more alkaline soil. Flowers on one year old branches so prune lightly in winter. Deep red autumn foliage. Very hardy.	Deciduous Ht 1.1m
HYDRANGEA STRAWBERRIES AND CREAM	Lacecap. Dark green foliage with rosy/red flowers with white centres from late spring until mid-summer. Prefers partial shade and well drained soil.	Deciduous 1.2 x 1.2
HYDRANGEA TOSCA	Double creamy salmon flowers which can be turned blue by adding acids to the soil.	Deciduous. Ht 1.5m
HYDRANGEA VILLOSA	Late summer flowering, lilac blue. Prefers to be in part shade to shade.	Deciduous Ht 2m
HYDRANGEA WHITE SWAN	(Mophead) Huge round heads of pure white on compact bush. Enjoys deep, well-drained soil with ample water and semi shade.	Deciduous. Ht Tall.
HYDRANGEA YOU ME EMOTION	(You Me Series) Dwarf plant which produces masses of double baby pink flowers throughout summer. Top dress in spring with lime to enhance pink colour. Prefers sun or part shade and moist, well drained soil. (PVR)	Deciduous Ht 80 x 80cm
HYDRANGEA YOU ME FOREVER	(You Me Series) Dwarf hydrangea which produces masses of double baby pink blooms throughout summer. Top dress in spring with lime to enhance pink colour. Prefers sun or part shade and moist, well drained soil. (PVR)	Deciduous Ht 80 X 80 cm
HYDRANGEA YOU ME PASSION	(You Me Series) Dwarf hydrangea which produces masses of double baby pink blooms throughout summer. Top dress in spring with lime to enhance pink colour. Prefers sun or part shade and moist, well drained soil (PVR)	Deciduous Ht 80 x 80cm

Plant Variety	Narrative	Spec.
<b>Shrub (continued)</b>		
HYDRANGEA YOU ME TOGETHER	A dwarf Hydrangea with Double flamigo pink blooms with a green eye. Prefers moist fertile well-drained soils. PVR	Deciduous Ht. 90cm
INDIGOFERA DECORA	Attractive, deciduous shrub with dainty leaves and delicate rosy-pink flowers from late spring to summer. Plant in full sun or part shade. Drought and frost tolerant. Prune in winter.	Shrub Ht 60cm - 90cm
KOLKWITZIA AMABILIS PINK CLOUD	(eauty Bush)A lovely pink bell-shaped flowering shrub with arching branches. Prefers full sun and well drained soil.	Deiduous Ht 1m
LAGERSTROEMIA INDICA SOIR D'ETE	Attractive large shrub or small tree with soft almond-pink almond flowers in summer . Deep green leaves turn yellow ,orange and red in autumn.Bark is brown and mottled,looking great over winter.Very hardy	Deciduous Ht 2.5 X 2.0 m
NEILLIA THIBETICA	Very hardy shrub with racemes of pink tubular flowers in Summer, which are attractive to bees and butterflies. Prune after flowering. Prefers full sun or light shade and moist rich soil.	Deciduous. Ht. 2m
PHILADELPHUS BELLE ETOILE	Compact shrub with single 5cm wide white flowers ,flushed maroon in the centre.Delightfully fragrant.very hardy.	Deciduous. Ht 2m
PHILADELPHUS FROSTY MORN	Small shrub which produces fragrant, double white flowers in early summer. Very Hardy. Trim after flowering.	Deciduous. Ht 1.5m
PHILADELPHUS SYBILLE	Arching branches. Masses of single white flowers with central lavender stain. Strong orange scent. Hardy.	Deciduous. Ht 2m
POTENTILLA TANGERINE	Dwarf wide-spreading shrub forming a dense mound. Flowers pale coppery-yellow. Best colour achieved with plants in partial shade	Deciduous Ht. 1m
PUNICA GRANATUM FLORE PLENO	(Ornamental Pomegranate) Large shrub with bright green leaves , coppery-red when young, turning yellow in autumn. Produces bright orange double flowers in summer, followed by ornamental fruit , needing long hot summer to ripen. Hardy to -5deg.	Deciduous Ht 1.5m
SAMBUCUS NIGRA PURPUREA	Form of Elder with leaves that are green when young becoming deep purplish-black ,turning red in autumn.Flowers contrast well with foliage, being pink in bud opening white.Very hardy.	Deciduous Ht 2m
SPIRAEA BUMALDA ANTHONY WATERER	Flowers bright crimson throughout summer. New foliage variegated cream and pink turning dark green. Excellent dwarf shrub for borders. Very hardy.	Evergreen Ht 1m.
SPIRAEA GOLD FLAME	Leaves flame orange paling to gold yellow and light green as the season progresses.	Deciduous. Ht 1m
SPIRAEA JAPONICA ALPINA	Dwarf form with compact pink flowers in late spring. Bushy compact shrub. Prefers sunny position. Very hardy.	Deciduous Ht 30cm
SPIRAEA JAPONICA GOLD MOUND	Mounding shrub with attractive lime-green leaves in spring and deep rose-pink flower heads in summer. Trim to shape in spring and after flowering. Plant in full sun. Hardy.	Deciduous Ht 60cm - 1m
STACHYURUS PRAECOX	Pendent racemes of 15 to 20 cup shaped pale yellow flowers appearin late Winter to early spring. Perfect for floral art. Foliageturns brilliant orange red in autumn. Hardy. Up to 1.5m wide.	Ht 2m Deciduous.
SYMPHORICARPUS DOORENBOSII MOTHER PEARL	(Snowberry) A compact, hardy shrub with small leaves and arching stems that in summer have pale pink flowers. In winter there are dense clusters of small pink flushed white berries. Prefers sun/part shade and well drained soil.	Deciduous. Ht 1m
TAMARIX JUNIPERINA	(Tamarisk) Large dense shrub or small tree with slender branches clothed in soft green leasflets. Masses of bright pink flowers in mid spring before foliage.Suitable for coastal planting and hardy to very cold inland conditions too!.	Ht 2-3m Deciduous.
VIBURNUM BODNANTENSE DAWN	A strong-growing large deciduous shrub of upright growth, with dark green, ovate leaves and clusters of scented, light pink and white flowers opening from autumn to spring, from red buds	Deciduous. Ht 2m
VIBURNUM ESKIMO	A compact shrub with pale cream flower buds with a touch of pink on the edges, opening to pure white, almost perfect snowball shape flowers. Leaves are a lustrous dark green and semi-deciduous.	Deciduous. Ht 1m
VIBURNUM LANTANA MOHICAN	A dense habit with broadly ovate dark green leaves, turning dark crimson in the autumn. Creamy white flowers followed by orange-red fruits.	Deciduous Ht. 2.5m
VIBURNUM OPULUS COMPACTUM	A small shrub of dense compact habit, white flowers in summer. Bright red bird-proof berries in autumn and winter. Very hardy, prefers open, well-drained position.	Deciduous. Ht 1m

Plant Variety	Narrative	Spec.
<b>Shrub (continued)</b>		
VIBURNUM OPULUS STERILE	(Snowball Tree)Robust plant with maple-like deep green leaves, turning reddish/purple in autumn. Produces an abundance of sterile, white, green-tinted 7cm globular 'snowball' flower clusters. No berries.Very hardy.	Deciduous. Ht 3m
VIBURNUM OPULUS XANTHOCARPUM	large deciduous shrub with maple-like leaves turning yellow or pinkish in autumn. Creamy-white flowers in flattened heads are followed by translucent deep yellow berries Very hardy.	Deciduous. Ht 2.5m
VIBURNUM PLICATUM	(Japanese Snowball ) Very hardy spreading shrub with white snowball-like flowers in spring. Good autumn colour.	Deciduous. Ht 3m
VIBURNUM PLICATUM LANARTH	A strong growing dense spreading bush with fertile creamy-white flower surrounded by large white florets, on top of horizontal branches. Bright green leaves with excellent autumn colour. . Very hardy.	Deciduous Ht 2-3m
VIBURNUM PLICATUM MARIESII	Creamy white flowers in early summer along upper sides of branches giving snow like appearance.Ideal in a mixed bed or as hedge row.Dark green leaves which turn reddish purple in autumn.Plant in fertile free draining soil and full sun.	Deciduous. Ht 2m
VIBURNUM PLICATUM MOLLY SCHROEDER	Lovely pink flowered ray florets adorn the arching branches in spring on fresh green foliage. Good autumn colour. Very hardy.	Deciduous Ht 2m x 2m
VIBURNUM PLICATUM PINK BEAUTY	A profusion of pure white flowers turning pink with age. Rounded growth habit with branches in layers.	Deciduous. Ht 2m
VIBURNUM X BURKWOODII	Waxy white flushed pink flowers in early spring which are intensely fragrant. Twiggy bush with oval leaves of glossy green turning orange/red in autumn and winter.	Semi Evergreen Ht 1.5m
VIBURNUM X CARLCEPHALUM	Large, dense clusters of white fragrant flowers in spring and early summer. Dull grey green leaves, often richly coloured in autumn. Very hardy. Moist soil. Sun or shade. Semi-deciduous.	Semi-deciduous Ht 1.5m
WEIGELA FLORIDA	Attractive spring flowering shrub with rose pink flowers along the stems. Prefers full sun and well drained soil. Hardy.	Deciduous. Ht 1.6m
WEIGELA FLORIDA NEWPORT RED	Attractive late spring flowering shrub with upright growth. Clusters of bell-like bright red flowers produced in masses. Prefers full sun or part shade, hardy.	Deciduous. Ht 2m
<b>evergreen</b>		
ABELIA EDWARD GOUCHER	A small shrub with bright, glossy green leaves, bronze when young. Lilac-mauve, bell-shaped flowers with orange throat are borne profusely from February to May.	Evergreen.Ht 1.5,
ABELIA X GRANDIFLORA	A vigorous, arching, medium sized shrub with glossy green leaves maturing to bronzy-red. Bell-shaped flowers of white, tinged pink in summer. Can be trimmed as a hedge.	Evergreen Ht. 1.5m
ABELIA X GRANDIFLORA SNOWTIME	Masses of pure white flowers on rich green foliage throughout summer. Hardy compact shrub. Prefers well-drained site.	Evergreen. Ht 1.2m
ABUTILON ASHFORD RED	Large red lantern flowers on a compact shrub. Prefers some summer shade. Hardy. Protect from heavy frost	Evergreen Ht. 1.5m
ABUTILON BUTTERMILK	Lantern- like butter yellow hanging flowers in Summer. A bushy shrub with soft green leaves. Protect from frost. Prefers sunny well drained position or part shade.	Evergreen Ht. 1m
ABUTILON DARWINII HYBRID PEACH	(Chinese Lantern) Masses of large peach bell like flowers in summer.Prune after flowering to keep plant tidy.Semi shade or full sun.Ideal for containers.Protect from heavy frost.	Evergreen Ht. 1.5m
ABUTILON VITIFOLIUM	Attractive tall shrub with dull green palmate, 15cm, leaves. Pale lilac-blue saucer shaped flowers are produced in clusters.Excellent large shrub for sheltered position with good drainage.Prune after flowering.	Evergreen Ht 3m
ABUTILON VITIFOLIUM ALBA	Attractive tall shrub with dull green leaves. Wide open 7cm white flowers in spring smother the bush.Requires good drainage and some shelter.Prune after flowering.	Evergreen. Ht 4m
ADENANDRA FRAGRANS	Heath-like evergreen shrub with aromatic leaves. Rose coloured buds open to small pink flowers. Full sun and well drained soil. Protect from heavy frosts.	Evergreen Ht 90cm

Plant Variety	Narrative	Spec.
<b>Shrub (continued)</b>		
AGAPANTHUS BABY BLUE	A true dwarf agapanthus suitable for small gardens. Blue flowers in summer. Very hardy.	Perennial. Ht 30cm
AGAPANTHUS ORIENTALIS TIMARU	Good compact form of agapanthus with green strappy leaves. Produces very dark blue flower heads in summer. Good coastal plant . Useful in borders .	Evergreen Ht 40cm
AGAPANTHUS PETER PAN	Outstanding free blooming dwarf variety .Produces blue flower clusters during summer on 30-40 cm stems. Useful in rockeries, as border or in pots.	Evergreen Ht 40cm
AGAPANTHUS SEA FOAM	Semi dwarf variety with pure white flowers in summer. Grows in most soils and tolerates wind and coastal conditions.	Perennial. Ht 80 cm
AGAPANTHUS SILVER BABY	Dwarf compact variety with steely silver foliage and superb white flowers. Ideal for coastal or rockery planting. Great for floral artwork.	Evergreen Ht 30cm
AGAPANTHUS TINKERBELL	Dwarf form with cream and green variegated leaves. Once established it produces dainty clusters of violet-blue flowers. Requires free draining soil. Sun or part shade.	Evergreen. Ht. 30cm
AGAVE ATTENUATA	Light green to grey green leaves up to 60cm long, soft and downy in texture without spines. Forms a perfect rosette. Protect from Frost	Evergreen. Ht 1m
ANDROMEDA POLIFOLIA COMPACTA	(Dwarf Bog Rosemary) Open shrub with narrow, leathery, grey-green foliage. Clusters of pink flowers from early spring. Full sun to part shade and humus rich moist acid soil. Very cold hardy.	Evergreen Ht 30-50cm x 60cm
ANDROMEDA POLIFOLIA COMPACTA ALBA	( Dwarf White Bog Rosemary) Compact shrub with narrow , leathery, grey-green foliage . Clusters of pure white flowers from early spring. Full sun to part shade and humus rich moist soil. Very cold hardy.	Evergreen Ht 30cm X 60cm
ANIGOZANTHOS REGAL VELVET	(Kangaroo Paw) Pale red and green flowers in spring and summer, cut back after flowering. Plant in full sun with good drainage. Protect from heavy frosts.	Evergreen 1.5 metres
ANOPTERUS GLANDULOSUS	(Tasmanian Laurel) A rare Tasmanian evergreen shrub producing racemes of white lily of the valley-like flowers. Half hardy. Prefers shaded, moist, well-drained site.	Evergreen. Ht 4m
ARCTOSTAPHYLOS NEVADENSIS WOODS RED	An evergreen mat-like shrub making ideal ground cover with attractive pink urn-shaped flowers. No lime.	Evergreen. Groundcover
ARUNDINARIA GRACILIS	Graceful clump forming bamboo with glossy green canes and arching fronds of shining green leaves. Protect from heavy frost. Prefers moist position and some shade.	Evergreen. Ht 2-3m
ASCEPLIAS PHYSOCARPA	(Swan Plant) Attracts Monarch Butterfly caterpillar. Easily grown. Attractive 'swan' shaped seed pods. Prefers full sun and needs protection from heavy frost.	Evergreen. Ht 1x1m
ATHEROSPERMA MOSCHATUM	Interesting evergreen Australian small tree with lace-like leaves with white down underneath. Whole plant is fragrant and yields essential oil. Cream coloured single flowers.	Evergreen Ht 4-5m
AUCUBA CROTONOIDES	(female) Large glossy leaves with pretty panicles of flowers followed by bright red berries if planted with a male plant. Ideal for for shady places. Excellent tub plant. Prefers rich soil.	Evergreen Ht 1.5m
AUCUBA JAPONICA FOREST GREEN	Large-leaved pure green laurel. Tolerant of heavy shade and dry conditions. Bright red berries in winter. Hardy. (Female)	Evergreen Ht 1.5m
AUCUBA JAPONICA JUNGLE GIRL	A bushy shrub that has attractive dark green foliage with light splashes of gold. Female form which will produce berries if close to a male plant. Withstands dry conditions. Prefers shade.	Evergreen Ht 2m.
AUCUBA JAPONICA SALICIFOLIA	(Japanese Laurel). Olive green flowers followed by crimson red berries in autumn. Prefers part to full shade and will tolerate dry conditions.	Evergreen Ht 1.5m x 1.5m
AZARA INTEGRIFOLIA VARIEGATA	Conspicuous yellow, flower clusters in late winter and spring. Distinctive variegated leaves. Excellent wall shrub. Prefers full sun and well drained soil.	Evergreen Ht 1.5m x 1m
BAMBUSA MULTIPLEX WANG TSAI	Clump forming bamboo, native to China. Graceful curving green to orange brown stems and dark green tufted foliage. Hardy. Suitable for container growing. Protect from heavy frost.	Evergreen. Ht 2m

Plant Variety	Narrative	Spec.
<b>Shrub (continued)</b>		
BANKSIA BAXTERII	Mid-green, stiff, flat with heavily serrate margins to the leaf mid-vein giving the appearance of little triangles arranged along the mid-vein; Large creamy yellow cylindrical flower spikes from summer through autumn. Ideal coastal plant from Western Australia.	Evergreen Ht. 3m
BANKSIA GIANT CANDLES	An erect shrub bearing very large orange flower heads. Excellent shrub for hot dry conditions. Very hardy. Avoid fertilisers. Water well in first season to establish.	Evergreen. Ht 3x1.5m.
BANKSIA INTEGRIFOLIA	(Coast Banksia) Masses of 15cm honey laden pale yellow flower spikes produced from early autumn to winter. Attractive to Tuis and Bellbirds. Hardy to coastal conditions. Protect from heavy frost.	Evergreen. Ht 2.5m
BANKSIA ORANGE CANDLES	Flower buds are lemon yellow opening to orange gold flowers, up to 30cm long in spring. Attractive to birds. Prefers well drained sunny position. Protect from frost.	Evergreen. Ht 2m
BANKSIA REPENS	Creeping Banksia. Ornamental prostrate plant with brownish-red flowers borne at ground level. Prefers full sun and well drained soil.	Evergreen. Ht. 20cm.
BANKSIA SPECIOSA	'Showy Banksia' A striking ornamental shrub with dramatic rich creamy-yellow flowers and silvery grey-green foliage. Suits sunny, open well drained, coastal sites.	Evergreen. Ht 2m-5m
BANKSIA SPINULOSA BIRTHDAY CANDLES	Dwarf banksia with burnt orange terminal flowers which sit prominently above the foliage in late summer-autumn. Prefers sunny well drained situation. Hardy. Suitable for container.	Evergreen. Ht 45 x 50 cm
BARTLETTINA SORDIDA	Large, velvety, dark green leaves with clusters of lavender/purple scented flowers in Autumn and Spring. Protect from heavy frosts. Prefers sun or part shade.	Evergreen Ht 1m x W 1m
BERGENIA CORDIFOLIA WHITE CLOUD	Clusters of white flowers in spring-early summer, fading to pale pink. Shiny green heart shaped leaves which turn bronze in winter in harsh conditions. Prefers moist but well drained soil and part or full shade. Very hardy.	Evergreen Ht 20-30cm
BERZELIA LANUGINOSA	Impressive foliage shrub with rich green feathery leaves, topped in late spring with broad panicles of creamy-white, button-like flowers. Prefers well drained, acidic soil.	Evergreen. Ht 1.5m
BLECHNUM GIBBUM SILVER LADY	(Dwarf tree fern) Beautifully symmetric, light green fronds which arch gracefully and give palm-like appearance. Grows very fast and is excellent in containers for tropical effects.	Evergreen Ht 1.2 X 1.0m
BORONIA HETEROPHYLLA	(Red Boronia) Bright rich pink crimson flowers. Beautifully scented. Plant in a sheltered spot with full sun and a well-drained soil.	Evergreen Ht 1m
BORONIA HETEROPHYLLA CAROUSEL	Upright spreading shrub with delicate perfumed flowers in spring. Excellent cut and long lasting flowers. Well drained site with filtered sun. Evergreen.	Evergreen Ht 1.5 - 2m
BORONIA MEGASTIGMA	(Brown Boronia) Very popular highly scented brown boronia. To really appreciate plant in a sheltered place that you can brush past. Trim when finished flowering. Prefers sunny position, well drained soil	Evergreen. Ht 1m
BORONIA PURPLE JARED	An attractive, upright bushy shrub with aromatic fernlike foliage and large purple bell-shaped flowers. Best in full sun or partial shade. Keep roots cool and moist during dry periods.	Evergreen Ht. 1m x 75 cm
BRUGMANSIA X CANDIDA GOLD	(Datura) Small tree with large soft leaves. Produces large, fragrant, pendulous, gold flowers, about 20cm long with frilled ends. Flowers nearly all year in frost free site. Strong scent at night. Needs well drained soil and protection from frost.	Evergreen Ht 3m x 2m
BRUNFELSIA LATIFOLIA TINY DANCER	(Yesterday, Today, Tomorrow) Compact cushions of green foliage, masses of fragrant blue flowers. Protect from heavy frost. Prefers some shade.	Evergreen Ht. 60cm
BRUNFELSIA UNDULATA WHITE CAPS	A compact shrub that flowers in Autumn with eye catching, fragrant clusters of white flowers. Prefers moist soil in part shade and protection from heavy frosts.	Evergreen Ht 1.5m x W 1m
BUDDLEIA GLOBOSA	Striking erect, fast growing shrub. Orange-yellow ball-like flowers in early summer. Prefers full sun. Hardy.	Evergreen. Ht 3m
BUXUS HARLANDII RICHARD	A rounded leaf with an indentation at the tip to create an almost heart shaped leaf. Excellent compact form. Slow growing. Resistant to buxus blight	Evergreen Ht. 1m

Plant Variety	Narrative	Spec.
<b>Shrub (continued)</b>		
BUXUS SEMPERVIRENS	(Common Box) Dense small dark green leaves. Ideal for hedges and topiaries.. Prefers fertile soils, full sun or part shade. Prune regularly and feed after pruning.	Evergreen. Ht 80cm
BUXUS SEMPERVIRENS GRAHAM BLANDY	Upright form of English Box with narrow habit and rich green leaves .Fairly fast growing .Requires minimal trimming to retain shape. Ideal for landscape feature.Very hardy.	Evergreen Ht 2-3m
BUXUS SEMPERVIRENS SUFFRUTICOSA	(Dwarf Edging Box) Small bright shining green dense leaves. Ideal for hedges, edging and easily maintained as a narrow living wall as low as 15cm. Hardy	Evergreen. Ht 20x10cm
BUXUS SEMPERVIRENS WINTER GREEN	Selected form with larger leaves which are bright green in winter. Compact bush suitable for hedging.	Evergreen. Ht 60cm
CALLISTEMON HOT PINK	(slendens X pallidum) Australian native shrub with shiny leaves,pink when new.In late spring produces hot pink bottle brush like flowers ,loved by birds .Prefers full sun and well drained soil.	Evergreen Ht 1.2m X 80cm
CALLISTEMON KINGS PARK SPECIAL	Bunches of long red bottlebrush flowers during spring. Thrives in a open position. Prune after flowering.	Evergreen. Ht 3m
CALLISTEMON MR FOSTER	Fabulous deep red bottlebrush flowers up to 20 cm long are dusted with yellow pollen.Flowers over long period.Prefers full sun.Tolerates coastal wind and moist soil conditions.	Evergreen. Ht 2m
CALLISTEMON PACHYPHYLLUS	Hardy upright shrub with slender branches with a grey green foliage with lemon coloured brushes in Spring. Prefers moist soil but well drained in full sun.	Evergreen Ht. 3m
CALLISTEMON RED CLUSTER	A profuse flowering bottlebrush with bright red flowers covering the bush in spring and autumn. Will tolerate dry conditions once established. Attractive to bees and birds.	Evergreen. Ht 2m
CALLISTEMON ROCKY RAMBLER	Dwarf semi prostrate compact shrub with red spider like flowers.Bronzy new growth .Prefers full sun and moist well drained soil.	Evergreen Ht 50cm
CALLISTEMON VIMINALIS GREEN JOHN	Green dwarf variety with red bottlebrush flowers from mid to late spring. Good contrast to Little John which has blue -green foliage.Grows in sun to part shade and is drought tolerant when established. PVR	Evergreen Ht 80cm X 60cm
CALLISTEMON WESTERN GLORY	A medium spreading shrub with bright red brushes in mid to late Spring. Prefers full sun and well drained soil.	Evergreen Ht. 2.5m
CALLUNA VULGARIS TIB	Good flowering variety with double rosy-red flowers Jan - Feb. Very hardy, tolerates shade but prefers full sun.	Ht 40cm Evergreen.
CEANOTHUS BLUE CUSHION	Dwarf cpreading shrub which smothers itself in bright blue flowers in late spring. Hardy.	Evergreen. Spread 1m
CEANOTHUS EMILY BROWN	A quickly spreading ground cover plant. Blue flowers and spiny dark green leaves.	Evergreen Ht.60cm x 1.5m
CEANOTHUS JOYCE COULTER	(Californian Lilac) Very vigorous, extremely wide spreading plant good for banks or ground cover. Masses of blue flowers in spring. Very Hardy.	Evergreen Ht 1m x 3m
CEANOTHUS PAPILLOSUS ROWEANUS	(Californian Lilac) A rounded dense bush with dark blue flowers and glossy green leaves. Attracts bees. Hardy and fast growing.	Evergreen Ht 2m
CHOISYA AZTEC PEARL	Finely cut green foliage.Large creamy white flowers in late spring and often again in autumn. Pink buds opening to fragrant flowers. Hardy.	Evergreen. 1.5 m
CHOISYA TERNATA	(Mexican Orange Blossom) A neat compact shrub which in spring is covered in white orange blossom-like scented flowers. Very hardy. Trims well. Tolerates shade or sun.	Evergreen. Ht 1.5m
CHOISYA TERNATA SUNDANCE	Golden foliage form of "Mexican Orange Blossom". Sweetly scented white flowers late spring and summer. Prefers some shade. Leaves can burn in hot sun.	Evergreen. Ht 1.2m
CISTUS CRETICUS ALBUS	White flowers with yellow centre throughout summer. Prefers full sun, excellent for dry banks. HARDY	vergreen Ht 1m
CISTUS FORMOSUM	(Shrubby Sun Rose) Attractive shrub with grey foliage and large golden flowers. Perfect for full sun, and dry areas. Excellent on the coast.	Evergreen. Ht 1m
CISTUS SALVIFOLIUS 'SNOWMOUND'	Low, trailing free-flowering shrub, white flowers with golden yellow centres in Spring. Foliage is dark grey-green above and whitish below. Suitable Rockery, Border, Cottage Garden.	Evergreen Ht. 75 x 1.5m
CISTUS SILVER MAGIC	(Rock Rose) Clear pink flowers throughout Spring and Summer. Ideal for dry banks and Coastal Areas. Prefers full sun and well drained soil.	Evergreen Ht 1m

Plant Variety	Narrative	Spec.
<b>Shrub (continued)</b>		
CISTUS SKANBERGII	Small pale pink flowers throughout summer. Grows well in sunny, dry conditions. Hardy.	Evergreen. Ht 60cm
CISTUS SKANBERGII PINK ICE	Grey - green leafed rock rose with medium sized silvery pink flowers in spring and summer. Prefers full sun. Prune after flowering.	Evergreen. Ht.1m
CLETHRA ARBOREA	(the lily of the valley Tree) The attractive glossy, elliptical foliage that is coppery when young. Abundance of fragrant, bell-shaped, waxy, white flowers in autumn. Protect from heavy frost.	Evergreen. Ht 3m
COLEONEMA ALBUM	'Breath of Heaven'. A compact, tidy bush with aromatic foliage. Covered with tiny, white flowers in spring and summer. Likes full sun and is tolerant of drought and cold.	Evergreen Ht 75cm
CORREA COMPACT PINK	Australian native plant producing pink flowers in abundance from late winter to spring. Attractive to nectar feeding plants. Compact dense growing shrub ,tolerant of coastal conditions and drought. Sun to part shade.	Evergreen Ht 50cm
CORREA MANNII	Small growing shrub, requires good drainage and sun. Orange tubular flowers throughout autumn and winter. Protect from heavy frosts.	Evergreen Ht 50cm
CORREA MARIAN'S MARVEL	A lovely evergreen shrub with two tone pink/yellow tubular shaped flowers. Prefers full sun and well drained soil. Protect from heavy frost.	Evergreen Ht 1m
COTONEASTER CONGESTUS	Dense rounded bush with branches curving downwards. White flowers in December are attractive to bees. Bright red berries in autumn.	Evergreen. Ht 1m
COTONEASTER CORNUBIA	A vigorous shrub with red fruits that are perhaps the largest of the Cotoneasters, and borne in profusion weighing down the branches.	Ht 4m Evergreen.
COTONEASTER DAMNERI 'ROYAL BEAUTY'	Excellent ground cover with glossy leaves, open growth habit, white flowers, and orange berries. Very hardy.	Evergreen.
COTONEASTER MICROPHYLLUS	Dwarf glossy leaved evergreen with clusters of small white flowers followed by extra large scarlet fruits for draping walls and banks. Extremely tough and hardy.	
CROWEA EXALATA RYANS STAR	Compact, bushy shrub with dark foliage. Bright pink star shaped flowers during the autumn-winter. Prefers full sun and well drained soil. Prune annually to maintain shape.	Evergreen Ht. 50cm x 50cm
CROWEA SOUTHERN STARS	Attractive fine-leafed shrub with masses of mauve-pink flowers for most of year. Prefers well-drained soils in full sun. Tolerant of medium frosts.	Evergreen. Ht 50cm
CUPHEA HYSSOPIFOLIA LUCI	Compact shrub which likes a sunny well drained situation. Purple flowers cover the gold/green foliage throughout the summer. Great for mass planting. Protect from frosts.	Evergreen Ht 30cm x 45cm
CUPHEA HYSSOPIFOLIA MIGUEL	Compact shrub which likes a sunny well drained situation. White flowers cover the plant throughout the summer. Great for mass planting. Protect from frosts.	Evergreen Ht 30 x 45cm
CUPHEA HYSSOPIFOLIA SOPHIA	Compact shrub which likes a sunny well drained situation. Light purple flowers cover the plant throughout the summer. Great for mass planting. Protect from frosts.	Evergreen Ht 30cm x 45cm
CUPHEA VERMILLIONAIRE	Masses of tubular bright orange flowers from late spring to winter. Prefers sunny well drained position. Protect from heavy frost.	Evergreen Ht. 60cm
CYTISUS LORD LAMBOURNE	This red and cream bicoloured pea-like flowers in Spring and early Summer. Prefers sunny well drained position. Hardy	Evergreen Ht 1.5 - 2m
DAPHNE BHOLUA	(Himalayan Daphne) Long narrow foliage with attractive scented pink flowers throughout winter. Prefers semi shade of sun. Very hardy, semi evergreen. Height 2m - ideal for standards	Semi -Evergreen Ht 2m
DAPHNE ODORA ALBA	(White Daphne) Beautifully perfumed porcelain white blooms. Light green growth tips. Prefers semi sun position with well drained lime free soil.	Evergreen. Ht. 80cm.
DAPHNE ODORA LEUCANTHA	Very fragrant flowering shrub with flower clusters of deep pink shaded white in winter and spring. Deep green foliage. Prefers semi-sunny, well-drained, lime-free soil.	Evergreen. Ht 1m
DAPHNE PERFUME PRINCESS	Early flowering (mid winter) with blush pink flowers which fade to white, and with a sweet perfume. This upright shrub prefers well drained soil and full sun or partial shade.	Evergreen 1.5mH

Plant Variety	Narrative	Spec.
<b>Shrub (continued)</b>		
DIANELLA REVOLUTA FLORERO	Compact habit with bright lime green foliage and pretty purple blue flowers in Summer. Prefers full sun or part shade and tolerant of both clay and sandy soils. Hardy. Drought tolerant. PVR.	Evergreen Ht. 40cm
DIANELLA REVOLUTA LITTLE REV	This compact dianella tolerates a wide range of soils and conditions. Likes full sun as well as partially shaded position. Hardy with excellent cold, heat, frost, and drought tolerance. Plant in a well mulched garden.	Evergreen Ht 30-40cm
DIANELLA REVOLUTA SEASPRAY	Attractive blue-green foliage with sky blue shaped spring flowers followed by glossy blue berries. Prefers sunny well drained soil.	Evergreen Ht. 1m
DIANELLA TASMANICA TAS RED	Ornamental flax lily with foliage that colours to red in winter. Spring flowers are blue, followed by purple berries. An adaptable plant for sun or shade. Drought and frost tolerant.	Evergreen Ht. 40 x 40cm
DICHROA VERSICOLOR BLUE SAPPHIRE	Low maintenance shrub with Hydrangea-like dark green foliage, rich demin blue flowers. Prefers semi shade and moist soil. Semi-hardy.	Evergreen Ht 1.8m x 80cm
ECHIUM CANDICANS	Pride of Madeira. A multi branched plant with grey-green leaves and large spikes of purplish blue flowers in summer. Excellent for coastal gardens or herbaceous borders. Full sun.	Evergreen Ht. 1.5m
ELAEAGNUS X EBBINGEI	Hardy fast-growing shrub with large silvery green leaves giving a very bright effect. Suitable for hedge .	Evergreen. Ht 2-3m
ERICA AURORA	A hardy upright growing erica up to 1m tall. Has attractive bright red to orange tubular flowers during winter in clusters. Requires a well drained, sunny lime free position.	Ht 1m
ERICA DARLEYENSIS A.T. JOHNSON	Long racemes of pink urn-shaped flowers that darken with age, and mid-green foliage tipped with cream in spring. Very hardy. Trim after flowering.	Evergreen Ht 45cm x 60cm
ERICA ISABEL	Compact new erica with fresh green foliage and masses of white flowers on upright stems. Excellent in borders or mass plantings.	Evergreen. Ht 40cm
ERICA PURPLE BEAUTY	Rich purple bell like flowers in late summer - early autumn. Extremely hardy will grow anywhere.	Evergreen Ht 15cm
ERICA RUBY SHEPPARD	Compact bright pinkish-Mauve flowers in early winter. Similar to Melanthera. Prefers a sunny, well drained position. Hardy	Evergreen Ht. 1m
ERICA SPRINGWOOD PINK	Mass of pink flowers from late winter to spring. Excellent ground cover. Prune dry blooms after flowering. Hardy.	Ht 25cm x 1m Evrgn.
ERICA SPRINGWOOD WHITE	Very hardy winter flowering white erica. Makes good ground cover or can grow down walls or banks.	Evergreen. 15 x 60cm
ERICA WINTER FIRE	Small neat compact shrub which bears masses of bright fire-red tubular flowers in winter/early spring. Flowering followed by a mass of yellow tips.	Evergreen Ht 50cm
ERICA X DARLEYENSIS	Cushion like habit. Deep green foliage. Myriads of rosy mauve flowers in winter. Extremely hardy will grow anywhere.	Evergreen Ht.
ESCALLONIA FIELDERS WHITE	Hardy shrub or hedging plant. Glossy green foliage, White flowers. Trims well.	Evergreen Ht. 3.5m
ESCALLONIA FIELDS SCARLET	Hardy shrub or hedging plant. Glossy green foliage, Red flowers. Trims well.	Evergreen Ht. 4m
ESCALLONIA GOLD BRIAN	Compact growing escallonia with golden new growth in the Spring. Pink clusters of tiny bell shaped flower in late Spring and Summer. Prefers part shade and well drained soil.	Evergreen Ht. 1.5m
EUCALYPTUS BABY BLUE	Heavily scented grey green foliage. Ideal for cutting. Watch for soft tips in spring and early summer.	Evergreen Ht. 5m
EUCRYPHIA CORDIFOLIA	A compact upright shrub with leathery silver green leaves. It is covered with sweet fragrant white flowers in early summer. Hardy	Evergreen. Ht. 3m
EUCRYPHIA MILLIGANII	Delightful and very hardy, miniature species growing to a small, usually slender, shrubby tree. Has tiny, dark green leaves and dainty white, pea-sized flowers produced freely in late summer. Prefers a warm sunny area in well drained soil.	Evergreen Ht 1.5m
EUONYMOUS EMERALD GREEN	Compact shrub with small shiny green leaves. Grows in sun or shade. Can be used for hedging or in pots. Prune after first flush of growth. Protect from heavy frost.	Evergreen Ht 50cm
EUONYMOUS MINIMUS	A prostrate cultivar that bears small oval dark green leaves. Small white flowers during summer. Hardy.	Evergreen Ground cover 1mx20cm

Plant Variety	Narrative	Spec.
<b>Shrub (continued)</b>		
EUONYMUS GREEN SPIRE	Compact shrub with an upright growing habit. Dense rich green glossy leaves. Excellent for low hedging or topiary. Prefers sunny position with moist but well drained soil.	Evergreen Ht.1.5m
EURYOPS PECTINATUS	Rich yellow daisy-like flowers produced throughout year but most freely from Aug - Dec. Very hardy. Tolerates coastal conditions. Prefers full sun and good drainage. Protect from heavy frost.	Evergreen. Ht 1m
FATSIA JAPONICA	(Aralia)A handsome medium to large shrub of spreading habit. Large polished green leaves emphasise the globular white flower heads that appear in autumn. Suitable for growing indoors or outdoors with some shade. Needs protection from frost.	Evergreen
GARDENIA JASMINOIDES VEITCHII	Small shiny leaves with sweetly scented fragrant double white flowers. Prefers a warm position with acidic, moist but well drained soil. Ideal for pots. Protect from heavy frost.	Evergreen Ht.1m
GARDENIA PROFESSOR PUCCI	Cape Jasmine, a strong growing shrub with lovely shiney green foliage and fully double creamy white flowers with exquisite perfume. Prefers semi shade. Protect from frost.	Evergreen. Height 1.5 m
GARDENIA RADICANS	A very highly scented white flower. Prefers a warm, sheltered position in humus-rich, acidic, well drained soil. Protect from heavy frost.	Evergreen Ht. 40cm
GARRYA ELLIPTICA	(Catkin Bush) Magnificent large evergreen shrub draped with long green catkins in winter. Flowers popular for floral art. Will grow on coast and south walls.Cold hardy.	Evergreen Ht 3m
GENISTA YELLOW IMP	Compact bushy shrub which produces bright golden yellow broom from late spring. Trim for further flowering.	Evergreen Ht 1m x 1m
GREVILLEA AUSSIE CRAWL	A vigorous, prostrate groundcover, good for mass planting. New growth has bronze-red tones. Red flowers in late winter - autumn. Likes a well drained, sunny spot.Protect from heavy frost.	Evergreen 2m wide
GREVILLEA CARPET LAYER	An attractive carpet forming ground cover with pink toothbrush flowers on a burgundy red foliage. Likes acidic well drained soil and full sun. Frost tolerant once established. Ideal for coastal conditions.	Evergreen Ht Prostrate
GREVILLEA CREAM AND GREEN	A compact shrub with lime green flowers from Winter to Spring. Frost hardy. Suitable for most situations. Prune to shape	Evergreen Ht. 1.5m
GREVILLEA CREAM PASSION	A bushy shrub with deep vivid green leaves, large cream and pink flowers in spring and early summer. Prefers free draining acidic soils and full sun. ideal coastal plant PVR	Evergreen Ht 2m
GREVILLEA DEPAUPERATA EMBER GLOW	An attractive spreading plant ideal for cascading. Clusters of large bright red flowers predominantly winter-spring. Prefers full sun and well drained position.	Evergreen groundcover
GREVILLEA GAUDIS GHOST	A ground cover with variegated leaves. New growth has a pink tinge, which turns white. Red Toothbrush-like flowers in late winter .Ideal for full sun and well drained soil. Protect from heavy frosts.	Evergreen Groundcover
GREVILLEA GOLDFEVER	Low, spreading shrub which produces golden , spidery flowers for long period from late winter.Flowers attractive to birds. Prefers full sun or part shade and well drained soil. Hardy.	Evergreen Ht 30cm X 1.5m
GREVILLEA IGNITE	An outstanding plant with strikingly large clusters of red and yellow flowers on a small robust shrub. Flowers from Autumn to Spring. Ideal for containers. Prefers full sun and well drained soil. PVR	Evergreen Ht. 75cm
GREVILLEA KNOCKOUT	A small hardy shrub with an outstanding display of red/yellow flowers from Autumn to winter. A nice compact shrub as wide as it is tall.Once established this plant is frost hardy and drought tolerant. PVR	Evergreen Ht. 1m
GREVILLEA LADY O	A medium sized spreading shrub bearing a host of bright red flowers for a long period of time. Ideal for attracting birds to your garden. PVR	Evergreen Ht. 1.5 x 1.5m
GREVILLEA LANIGERA MT TAMBORITHA	Masses of flowers in red, pink cream almost all year. Prostrate habit with attractive narrow pointed green leaves. A very hardy, excellent cascading groundcover.	Evergreen Ht 30cm x 1m
GREVILLEA NED KELLY	Spreading shrub with deeply divided leaves on long branches. Has large showy, orange-red brush like flowers over long period. Best in well drained , sunny positionand tolerates moderate frosts. Prune regularly .Attractive to tuis and bellbirds.	Evergreen Ht 1.5m

Plant Variety	Narrative	Spec.
<b>Shrub (continued)</b>		
GREVILLEA NEW BLOOD	A stunning deep red flowering ground cover. Long flowering from Autumn to Spring. Frost hardy, prefers full sun and well drained soils. PVR	Evergreen Ht. ground cover
GREVILLEA PEACHES N CREAM	Small bushy shrub with large clusters of cream flowers which age to peach colour. Main flowering in spring but does produce some flowers all year. Prefers full sun and well drained soil. PVR	Evergreen Ht 1.2m x 1.5m
GREVILLEA PINK MIDGET	Hardy compact shrub with green-bronze foliage. Masses of delicate spider pink flowers over long period. Requires full sun and good drainage. Protect from heavy frost. Prune lightly after flowering.	Evergreen Ht 30cm X 60cm
GREVILLEA RED	Red flowers shown off well against slightly unusual variegated foliage. A good plant for dry areas, will tolerate most well drained soils.	Evergreen. Ht. 1.5x1.5m
GREVILLEA ROBYN GORDON	Fat spikes of bright red flowers throughout year. Plant in full sun and well drained soil. Protect from frost.	Evergreen Ht 1m
GREVILLEA SUPERB	Spectacular bright salmon brush-shaped flowers in spring and autumn. Full sun and free drainage required. Prune after flowering. Excellent specimen/tub/hedge plant.	Ht 1m Evergreen.
HAKONECHLOA MACRA ALBO-STRIATA	(Japanese temple grass) Softly flowing grass with white-striped foliage. Prefers shady position. Ideal for underplanting and edging.	Perennial. Ht. 40cm
HYMENOSPORUM FLAVUM MINIMA GOLD NUGGET	(Gold Nugget) Dwarf Australian frangipani with golden fragrant flowers spring to summer. Compact habit. Ideal patio tub plant in sheltered warm spot. Needs protection from hard frost.	Evergreen Ht 1m x 1m
HYPERICUM CALYGINUM	Excellent ground cover for dry or wet conditions producing yellow flowers throughout summer. Best grown on larger areas and left unchecked. Very hardy.	Evergreen.
HYPERICUM SUNGOLD	Very profuse flowering for a long time. Yellow reflexed petals with very prominent stamens.	Evergreen Ht 1m
ILEX AQUIFOLIUM ANGUSTIFOLIA	A slow growing cultivar with small leaves and slender spines. Neat pyramidal habit. Very hardy.	Evergreen. Ht 60cm
ILEX BURFORDII	Female holly with white flowers in Spring and long lasting red berries in Summer. Prefers full sun to part shade. Self fertile.	Evergreen Ht 3mH x 4mW
ILEX CRENATA GREEN PILLAR	A selected form of Ilex Crenata with an upright columnar habit, and dense dark green foliage. Prefers sun/part shade and well drained soil.	Evergreen 2.5m
ILEX CRENATA SKY PENCIL	Forms a tight structural columnar shape without pruning. Plant in full sun to part shade and in moist well drained soil. Very hardy.	Evergreen Ht. 3-4m x 1m
ILEX LARGO	Hardy and evergreen, this unusual form of Holly is an upright bushy shrub with dark green oval leaves. New growth is a brilliant lime green. Great for hedging and topiary as it trims well into shape or in a background planting.	Evergreen Ht 4m
ILEX X MESERVEAE BLUE ANGEL	A very hardy holly with purplish shoots and glossy dark blue-green leaves. A female form which produces shiny red berries if a pollinator is nearby.	Evergreen Ht 2m
ILEX X MESERVEAE BLUE PRINCE	Well known for its bluish green foliage with purple stems and red berries. Very hardy. Suitable for trimming into hedge or as topiary.	Evergreen. Ht 2.5m
ILLICIAM ANISATUM 'LEMON SQUEEZE'	Fantastic aromatic shrub that in Spring has clusters of lemon-scented flowers that are creamy white. Leaves are glossy dark green. Prefers sun/semi shade in free-draining, humus rich, acid soil. Slow growing.	Evergreen. Ht 2.5m
IPOMOEA (CONVOLVULUS) CNEORUM	Attractive soft grey foliage. Large blush white flowers in summer. Needs well drained sunny position.	Evergreen. Ht 50cm
ISOPLEXIS CANARIENSIS	Spikes of hot apricot orange trumpet shaped flowers in late summer and autumn. Attractive deep green leaves. Prefers well drained soil and partial shade.	Evergreen 1.2m
ISOPOGON ANETHIFOLIUS	An erect shrub producing yellow drumstick like flowers in Spring. Prefers sunny position and well drained soils.	Evergreen Ht. 50cm
JASMINIUM PARKERI	(Dwarf Jasmine) Dwarf twiggy shrub. Produces clear yellow Jasmine flowers without fragrance all summer followed by black berries. Great for rockeries or in containers. Hardy.	Evergreen Ht 30cm x 60cm

Plant Variety	Narrative	Spec.
<b>Shrub (continued)</b>		
KALMIA LATIFOLIA "TAWA-GLEN"	(Calico Bush) Glossy green leaves with terminal clusters of loll-pink saucer shaped flowers in spring. Selected for compact growth and massed flower display. Prefers acid soil and some shade.	Evergreen Ht 1.5m
KALMIA LATIFOLIA MINUET	A dwarf Kalmia with light pink buds that open to pink buds with a bold red band in late Spring. Prefers rich soil and part shade. Keep moist in summer. .	Evergreen. Ht. 90cm x 90cm
KALMIA LATIFOLIA PINK CHARM	A very free-flowering variety with masses of mid pink flowers opening from pinkish-red buds. Has a slightly open habit and responds well to light pruning. For an acid soil with some shade.	Ht 1m x 1m. Evergreen.
KALMIA LATIFOLIA PINK SENSATION	Red buds open to lovely pink flowers in December. Prefers some shade and acid free draining soil. Take care not to disturb roots when planting.	Evergreen Ht 1.5m
KALMIA LATIFOLIA PRISTINE	Striking variety with masses of pure white flowers in spring-early summer. Dark green foliage. Needs sheltered position, sun or semi shade and free draining acid soil. Hardy.	Evergreen. Ht 90 x 90cm
KALMIA RASPBERRY GLOW	Deep red buds opening on a pink flower fading to a medium pink in December.	Evergreen Ht 1.5m
KNIPHOFIA LITTLE MAID	Dwarf free flowering form of poker, almost grass like in appearance. Produces masses of cream and gold flowers in summer. Best grown in full sun with group of 3 or more.	Evergreen Ht 40cm
LAURUS NOBILIS	(Bay Laurel, Sweet Bay) Aromatic foliage, used commonly to flavour meats and in other cooking. Pyramidal tree or large shrub. Suitable for trimming into topiary or hedging. Thrives in coastal conditions. Very hardy.	Evergreen. Ht 4m
LAURUS NOBILIS AUREA	(Gold Form of Sweet Bay/Bay Laurel) Aromatic foliage, used commonly to flavour meats and in other cooking. Golden leaves attractive in Autumn and spring on small pyramidal tree or large shrub. Thrives in coastal conditions. Very hardy.	Evergreen
LEPTOSPERMUM COPPER SHEEN	Tasmanian Manuka. Upright evergreen bush with copper-bronze leaves and larger white flowers. Plant in a warm sunny position. Tolerates moist conditions.	Evergreen Ht 3m
LEPTOSPERMUM CYGNUS	A hybrid selection with pure white frilled flowers en masse in spring. Sooty Mould resistant. An erect growth habit. Suits well drained soil and full sun. PVR	Evergreen Ht. 1.5m
LEPTOSPERMUM MERINDA	Vibrant magenta flowers cover the bush in late Spring. Early growth is cascading. Tolerates wide range of soil types and climatic condition. Open sunny position preferred.	Evergreen. Ht 1mx1m
LEPTOSPERMUM MESMEREYES	Bushy shrub with dark silver pointed glossy leaves. Very large white flowers aging to pink. Prefers a sunny site with well drained soil. PVR	Evergreen Ht. 1m
LEPTOSPERMUM OUTRAGEOUS	A medium-tall shrub with drooping branches and an abundance of deep red flowers in spring. Fast growing and suitable for most soil types in sun or part shade.	Evergreen Ht. 2m
LEPTOSPERMUM PATTERSONII	Tasmanian Manuka A small slender tree with masses of silvery-grey leaves and large white manuka flowers in Spring. Frost hardy.	Evergreen Ht. 3m
LEPTOSPERMUM TICKLED PINK	(Australian Tea Tree) Upright shrub with small mid-green leaves and showy large pink flowers in spring. Prefers moist soil and sun or part shade. Protect from heavy frost.	Evergreen Ht 2m X 1m
LEUCADENDRON BLUSH OF DAWN	An attractive shrub with red stems in late summer and red flower bracts in Autumn/winter. Prefers well drained soil in a sunny position. Protect from heavy frost. Prune in mid spring	Evergreen Ht. 1.5m
LEUCADENDRON CREAM BUN	A compact growing bush with creamy-white cup shaped flowers with a brilliant red edge.	Evergreen Ht. 1m
LEUCADENDRON JACK HARRE	Compact plant with flaming red star-like flowers on long bracts from early winter. Requires sunny well drained position. Hardy.	Evergreen. Ht 1 x 1m
LEUCADENDRON MRS STANLEY	Low bushy spreading habit. Female variety with soft pinkish-red autumn bracts, deepens to rich burgundy in the late autumn-winter	Ht 1m Evergreen.
LEUCADENDRON SAFARI SUNSHINE	A variegated sport of Safari Sunset similar to Jester. Long stems of pink bi-coloured bracts. Suits full sun and well drained soil. Ideal for picking, prune to shape. Protect from heavy frost.	Evergreen Ht 1.5m
LEUCOSPERMUM SCARLET RIBBON	Deep salmon pink with scarlet perianth ribbons. The unopened florets have blue-grey down covering. Vigorous, upright habit.	Evergreen. Ht 1.5m

Plant Variety	Narrative	Spec.
<b>Shrub (continued)</b>		
LEUCOTHOE FONTANESIANA SCARLETTA	Low bushy arching habit with purple red glassy foliage in winter months. Small racemes of little white bells in spring. Prefers semi to full shade and moist soil. Hardy.	Evergreen. Ht 70cm
LIGUSTRUM JAPONICUM ROTUNDIFOLIUM	A slow growing, rigid, compact shrub with round, leathery, black-green leaves. It has large panicles of white flowers in late summer. Very hardy.	Evergreen. Ht 1.5m
LIGUSTRUM OVALIFOLIUM	'Oval-leaf Privet' Hardy, tolerant shrubs which reach a large size if unpruned. Loses leaves in cold districts only. Suitable for hedging.	Semi-Evergreen. Ht 2m
LITHODORA DIFFUSA SNOW CARPET	Prostrate grower with masses of white flowers often faintly tinted blue through summer. Trim after flowering. Good ground cover. Plant in full sun and free-draining, lime-free soil.	Evergreen Ht. 30cmx1m
LITHODORA DIFFUSA STAR	Attractive groundcover with strikingly intense blue-striped flowers with white edge. Flowers from spring to mid summer. Ideal in rockeries, tubs, over walls. Prefers full sun and well drained soil.	Evergreen Ht 15 - 30cm
LOMANDRA CONFERTIFOLIA LIME WAVE	Striking lime green ,weeping foliaged plant, which looks great planted en masse or in pot.Suitable for sun or part shade.hardy.	Evergreen Ht 60cm X 60cm
LOMANDRA LIME TUFF	A compact selection. Lime green leaves that stay lush all year round. In summer fragrant small yellow flower spikes emerge. Extremely hardy and tolerates frost and dry	Evergreen Ht.40cm X 40cm
LOMANDRA LONGFOLIA KATRINUS DELUXE	Clump forming evergreen with bright green strap-like leaves. Beautiful yellow,fragrant flowers in spring.Tolerant of most soil conditions and either sun of shade.Good for erosion control.	Evergreen 70cm x 70 cm
LOMANDRA LONGIFOLIA TANIKA	Deep green, rush-like foliage with clusters of yellow flowers in early spring. Very versatile, growing in sun or shade, well drained or moist positions. Hardy to wind and cold.	Evergreen Ht. 60cm x 60cm
LOMANDRA LONGIGOLIA SHARA	A lovely compact, fineleaf with blue-grey tones, Prefers sun and well drained position. PVR	Evergreen Ht. 55cm
LOMANDRA SEASCAPE	Very hardy grass with graceful weeping habit and stunning blue-grey foliage.Smallll yellow aromatic flowers.Good for mass planting or in pot.Prefers sunny well drained position.Tolerates part shade	Evergreen Ht 50 X 75cm
LOMATIA FERRUGINEA	Large shrub or small tree with fern like leaves and red-brown velvety stems. Flowers buff and scarlet in summer. Acid soil. Prefers from cold wind.	Evergreen. Ht 4m
LONICERA NITIDA	Densely branched shrub with small neat dark-green leaves. Ideal hedging plant to grow rapidly in most situations. Plant 40cm apart when hedging.	Evergreen.
LOROPETALUM CHINENSIS BLONDE N GORGEOUS	Beautiful soft green foliage with pretty weepng habit. Masses of white tassel-like flowers through Summer and Autumn. Prefers full sun and well-drained soil. Suitable for shaping. Protect from heavy frost. Prefers part shade to sunny position. PVR.	Evergreen Ht 1.5m
LOROPETALUM CHINENSIS FIRE DANCE	Attractive shrub with deep red foliage and flowers.Plant in well drained soil in part shade.Protect from frost.Give light trim after flowering.	Evergreen Ht 2m x 1.5m
LOROPETALUM CHINENSIS ICEBERRY	Arching branches with dark green leaves emerging bronze. Cream-white flowers in spring. Prefers semi shade and well drained soil.	Evergreen Ht. 1.5m
LOROPETALUM CHINENSIS PLUM DELIGHT	One of the darker purple foliage of any Lorepetalum with a pretty weepng habit. Masses of cerise flowers through Summer and Autumn. Prefers full sun and well-drained soil. Suitable for shaping. Protect from heavy frost.	Evergreen ht. 1m
MAHONIA LOMARIIFOLIA	(CHINESE HOLLY GRAPE) Yellow flowers in clusters form on top of stems in late winter followed by non-poisonous blue berries. Extremely hardy in sun or shade.	Evergreen. Ht 2m
MANDINA DOMESTICA LEMON LIME	Compact selection with lush lime green foliage year round. New leaves lemon , turning lime green with age. Great for borders, pots or small gardens. Prefers moisr, well drained soil and sun to part shade. Very hardy.	Evergreen Ht 80cm X 80cm
MYOPORUM PARVIFOLIUM	Extremely vigorous ground cover, rockery or bank plant. Dense mat with small snow-white flowers in spring and tiny purple berries. Best in dry conditions. Salt tolerant. Protect from frosts.	Evergreen Ht 30cm x 1m

Plant Variety	Narrative	Spec.
<b>Shrub (continued)</b>		
MYRTUS APICULATA	A lovely small tree with cinnamon coloured bark. Attractive white flowers through summer and autumn. The red and black berries are edible and sweet.	Evergreen. Ht 2m
MYRTUS APICULATA LUMA	A handsome small tree with glossy aromatic foliage with single white flowers in Summer and early Autumn. An added feature is the cinnamon coloured bark which peels.	Evergreen.
MYRTUS APICULATUS GLANLEAM	Variegated cream and green leaves on compact tall shrub with beautiful bronze trunk. White flowers in Summer.	Evergreen. Ht. 3m
NANDINA DOMESTICA FIREPOWER	Selected form of Dwarf Chinese Bamboo forming a compact, rounded shrub with fresh lime-green leaves in summer, turning vivid hot-pink and deep wine red in autumn and winter.	Evergreen.Ht 60cm x W 60cm
NANDINA DOMESTICA FLIRT	Very hardy shrub with amazing red foliage for most of year. Drought, cold and humidity tolerant. Makes effective groundcover or low hedge. Likes free draining soil and sun to part shade.	Evergreen Ht 40 x 60 cm
NANDINA DOMESTICA GULF STREAM	(Dwarf Chinese Bamboo) Dwarf selection with blue-green summer foliage which turns bright red in autumn to winter. Plant in full sun to semi shade and tolerates wet or dry soil conditions. Very hardy.	Evergreen. Ht 75cm X 60cm
NANDINA DOMESTICA PYGMAEA	(Dwarf Chinese Bamboo) Compact, rounded, densely foliated bush with attractive green/purple/crimson/orange leaves. Very hardy. Prefers full sun. Requires little maintenance.	Evergreen. Ht 30cm
NANDINA DOMESTICA RICHMOND	"Sacred Bamboo" Attractive foliage tinged red in spring and autumn. Large erect spires of stunning bright orange berries. Great performer for winter colour.	Evergreen. Ht 1.8m
OLEARIA PHLOGOPAPPA WHITE GEM	(TASMANIAN DAISY BUSH) Quick growing shrub covered in white daisy like flowers from Oct - Dec. Stands dry conditions. Protect from heavy frosts.	Ht 2m Evergreen.
OSMANTHUS FRAGRANS	A hardy, shrubby small tree. Very fragrant, tubular white flowers are produced amid glossy, dark green leaves through summer. Protect from heavy frost.	Evergreen Ht 2.5m
OSMANTHUS X BURKWOODII	Very hardy shrub of compact growth. Sweetly scented white flowers produced in April - May. Tolerates some drought and shade.	Evergreen Ht 1.5m.
OSMANTHUS X FORTUNEI	An upright, dense, evergreen shrub with deep green, holly-like leaves. The flowers are highly fragrant and are produced over a long period in autumn. Prefers a sunny site.	Evergreen Ht. 2m
OZOTHAMNUS SPRINGTIME WHITE	Select form of Rice Flower.Erect growth habit terminating in large clusters of pure white flowers , flowering throughout year but peaking in spring.Prefers free draining acidic soil. Great cutflower or can be dried.Prune after flowering.Protect from frost.	Evergreen Ht 1m
OZOTHAMNUS WINTER WHITE	Small shrub with aromatic curry scented foliage. Large heads of small white flowers. White buds are attractive before opening. Excellent cut flower.	Evergreen Ht. 1.5m
PACHYSANDRA TERMINALIS	Hardy ground cover. Flowers greenish-white in late winter and spring. Prefers moist, lime-free soil. Shade to part shade.	Evergreen. W
PACHYSANDRA TERMINALIS GREEN SHEEN	Improved selection with glossy foliage and improved heat tolerance, but suitable for dry shade. A versatile ground cover! Very hardy.	Evergreen ht 30cm x 1m wide
PHEBALIUM GOLD NUGGET	Compact rounded shrub. Stunning display of golden flowers in Spring. Well drained soil in full sun. Trim lightly after flowering.	Evergreen. Ht.1.5x1.5m
PHEBALIUM ILLUMINATION	(Variegated Satinwood) A columnar shrub with attractive foliage with margined gold leaves, providing brilliant colour year round.Small white flowers in summer. Requires well drained soil . Can be trimmed.	Evergreen Ht 3m
PHEBALIUM SQUAMEUM LIMELIGHT	(Variegated Satinwood) Vigorous fast growing plant that has a subtle lime and green variegated foliage. Requires good drainage. Hardy.	Evergreen Ht 3m
PHOTINIA GLABRA ROBUSTA	Very strong growing large shrub, with glossy greenish-red leaves and young new growth a rich coppery red. Ideal for hedging and trimming. Hardy	Evergreen. Ht 3m
PHOTINIA GLABRA SUPA RED	A natural self branching variety which is fast growing with an upright habit. Brilliant red narrow foliage all year round. Ideal for hedges. Prefers full sun or part shade and well drained soil.	Evergreen Ht. 4m

Plant Variety	Narrative	Spec.
<b>Shrub (continued)</b>		
PHOTINIA X FRASERI RED ROBIN	A broad leaved evergreen with fiery red new growth which may be induced by pruning at any time. Excellent hedging plant. Very hardy.	Evergreen. Ht 2.5m
PHYGELIUS FANFARE WINE	Tubular, red flowers in late summer and autumn. Prefers sunny, well drained position	Evergreen Ht. 1m
PHYLICA GNIDIOIDES	A south african low spreading shrub. Bears terminal heads of pink flowers in late winter/spring. Prefers full sun and well drained soil. Protect from heavy frost.	Evergreen Ht. 50cm
PIERIS FORMOSA FORRESTII WAKEHURST	Magnificent flowering shrub with vivid red new foliage which contrasts beautifully with the glistening white flowers. Prefers acidic soil and some shade.	Evergreen Ht 2.5m
PIERIS JAP. LITTLE HEATH GREEN	Small white flowers with a pink blush appear in Spring followed by bronze red new growth which glossy green in summer. Compact grower.	Evergreen Ht 1.5m
PIERIS JAPONICA CHRISTMAS CHEER	Glossy green leaves, shining copper young growth. Masses of waxy bell shape flowers flushed with deep rose at the tips giving a bicolour effect. Prefers semi shade and acidic soils. Hardy.	Evergreen. Ht 2m
PIERIS JAPONICA FLAMINGO	A rounded shrub with rich, bronzy-red new growth that matures to deep green. Slightly fragrant flowers of rosy purplish-red fading to deep pink. Plant in shade for best colour.	Evergreen Ht. 1.5 x 1.3m
PIERIS JAPONICA MOUNTAIN FIRE	Bright red new growth in the summer, with cascades of white flowers in spring, makes this a lovely plant. Prefers some shade and acidic soils. Hardy	Evergreen. Ht 1.2m
PIERIS JAPONICA SUMMER WINE	Long panicles of deep wine/pink flowers in spring. Green/bronze new growth which turns glossy green on a compact bush. Prefers acid well drained soil .Hardy.	Evergreen Ht 1m
PIERIS JAPONICA WHITE CAPS	Compact shrub with typical clusters of pure white in a pendulous form. Prefers semi-shade or shade with acidic soils.	Evergreen. Ht 1m
PIERIS RYUKYENSIS TEMPLE BELLS	This has the biggest white flowers of all the Pieris in spring.. Erect rounded shrub with tiered horizontal branches and new growth bronzy red. Prefers dappled light and acidic soil.	Evergreen Ht 1.5 m
PIERIS SCARLET O'HARA	fresh green leaves with red young growth. White lily of the valley flowers in panicles. Prefers acid soil conditions and some shade from hot sun. Hardy.	Evergreen. Ht 1.5m
PIERIS TAIWANENSIS SNOWDRIFT	Smaller bushy variety. Profuse panicles of snowy white blooms with a green calyx. Prefers acid soil conditions, semi-shade and adequate summer moisture.	Evergreen. Ht 1.2m
PIERIS VALLEY VALENTINE	Dark red winter buds opening to large panicles of dusky red flowers held above tidy, deep green foliage. Prefers some shade and acidic soils. Hardy	Evergreen. Ht 1.5m
PIERIS YAKUSHIMENSIS SARABANDA	Very free flowering compact shrub with White flowers. Prefers some or full shade and acidic soils. Hardy	Evergreen Ht. 1m
PIMELEA FERRUGINEA BON PETITE	a beautiful small shrub with small dark green glossy leaves and masses of magenta pink tubular flowers in spring. Prefers full sun and well drained soil.	Evergreen. Ht 60cm
PLUMBAGO AURICULATA	Terminal spikes of pale-blue flowers appear throughout summer and autumn. Warm sunny position. Protect from frost. Withstands considerable dryness. Vigorous.	Evergreen.
PLUMBAGO AURICULATA 'ROYAL CAPE'	A new evergreen shrub with intense blue flowers from Spring into Autumn. Prefers full sun and moist well drained soil. Needs protection from heavy frosts.	Evergreen HT 2M
PODALYRIA CALYPTRATA COMPACT GEM	Compact, bushy form with masses of fragrant pink-mauve flowers in late winter to spring. Ideal coastal plant. Prefers well drained soil in full sun.	Evergreen Ht 1.5m
POLYGALA DALMAISIANA DAZZLER	Compact growing sweet-pea bush with rich mauve purple flowers. Tolerates dry conditions in sun or part-shade. Clip in spring to encourage new growth. Good in containers.	Evergreen. Ht 1.5m
POLYGALA LITTLE BIBI	Polygala 'Little Bibi' holds a wonderful round ball shape. Ideal landscape plant low fuss. Heat and frost tolerant. Prefers full sun position and free drained soil.	Evergreen 100cm x 100cm

Plant Variety	Narrative	Spec.
<b>Shrub (continued)</b>		
POLYGALA MYRTIFOLIA GRANDIFLORA	Dense leafy shrub. Rich purple pea-shaped flowers appear from late winter. Average soil conditions preferably with good drainage and full sun. Half hardy.	Evergreen. Ht 2m
POTENTILLA ATRO SCARLET STARLET	A hardy shrub with rich scarlet flower from spring until early autumn. Prefers full sun. Will tolerate dry conditions once established.	Deciduous Ht 50cm x 50cm
PROSTANTHERA BALLERINA	Ideal shrub in dry position with purple tinted white flowers during early summer. Protect from heavy frost.	Evergreen. Ht 1.5m
PROTEA ALMOND FROST	Striking hybrid which produces cream bracts topped with almost pure white beard in winter. Some flowers produced throughout year. Prefers full sun and tolerates coastal conditions. Protect from heavy frost.	Evergreen Ht 2.5m X 3m
PROTEA CORONATA	Apple Green Protea. Upright shrub with terminal green flowers with a white tuft on the tip. Good for picking. Prefers well drained sunny site. Prune after flowering.	Evergreen. Ht 2m
PROTEA CYNAROIDES	(KING PROTEA) Large wide-open pink flowers produced from autumn to spring. Distinctive foliage on a rather open plant. Requires full sun and well-drained acid soil. Protect from heavy frost.	Evergreen. Ht 1.5m
PROTEA FRANCISCAN HYBRID	Large vigorous growth with distinctive rich pink flowers with silver appearance. Prune after flowering. Prefers good drainage and sun. NO LIME/FERTILIZERS.	Evergreen. Ht 2-3m
PROTEA FROSTED FIRE	Striking red flowers with white edgings on a compact bush. Prune after flowering. Prefers full sun. Protect from heavy frosts.	Evergreen Ht 1.5m
PROTEA GRANDICEPS	Forms neat compact bush. Peach pink flower bracts, permanently curved inwards and tipped with white fluffy hairs, are produced in summer. Requires summer moisture and protection from frosts.	Evergreen. Ht 1.5m
PROTEA LAURIFOLIA ROSE MINK	An erect quick-growing plant with attractive rose-red flowers nearly all year round. Trim after flowerings. Prefers sun, well-drained site. Protect from heavy frost.	Evergreen. Ht 3m
PROTEA MAGNIFICA	(Queen Protea) One of the most spectacular with large soft to deep pink flowers, mostly in summer. Requires full sun and good drainage. Prune after flowering. Protect from heavy frost.	Evergreen. Ht 1.8m
PROTEA NERIIFOLIA ALBA	Upright, rounded shrub with medium sized yellow-cream flowers through autumn to spring. Excellent picking flowers. Adaptable to most well drained, sunny sites. Prune to shape. Protect from heavy frost.	Evergreen. Ht 2m
PROTEA NERIIFOLIA LIMELIGHT	An interesting form of this well known protea with heavy crop of lime green flowers fringed black from autumn to spring. Prefers full sun and well drained position. Protect from heavy frost.	Evergreen. Ht 1.5m
PROTEA PINK ICE	Vigorous, tidy shrub with rich pink-red flowers with silvery sheen produced all year round. Hardy. Plant in full sun. No fertilisers.	Evergreen. Ht 1.5m
PROTEA RED ICE	A red flowering form of the popular Protea Pink Ice. Prefers full sun and light soils. Prune after flowering. Protect from heavy frosts.	Evergreen Ht 2.5 x W 2.5
PROTEA REPENS ALBA	An erect shrub producing white flowers with a sticky nectar. Prefers sunny well drained soil. Trim after to flowering. Protect from heavy frosts.	Evergreen Ht. 2m
PROTEA TASMAN RUBY	A hybrid Protea with deep red bracts, with slightly silvery edges. A prolific bloomer from an early age. Prefers full sun in a free-draining soil. Protect from heavy frost when young.	Evergreen. Ht. 1.5m
PROTEA VENUS	(Protea repens x aristata) Striking deep red flowers in late winter-summer on stems suitable for picking. Robust and vigorous plant. Prune after flowering. Requires full sun and free draining soil.	Evergreen. Ht 1.5m
PRUNUS LUSITANICUS	(Portuguese Laurel) Large shrub with long racemes of small white hawthorn-scented flower in December, followed by small dark purple fruits. Very hardy. Suitable as hedge or screening plant.	Evergreen Ht 4m .
PYRACANTHA BRILLIANT	This hardy large shrub has shining green leaves. Displays masses of scarlet berries in late autumn.	Evergreen. Ht 2m
PYRACANTHA ORANGE FLAME	Hardy, vigorous evergreen shrub with attractive shiny green leaves. In Spring has a profusion of white flowers followed by brilliant orange berries throughout winter.	Evergreen Ht 2 x 1m
PYRACANTHA SHAWNEE	A densely-branched spiny shrub. The masses of white flowers are replaced by yellow to light orange berries. Very hardy.	Evergreen Ht 2m

Plant Variety	Narrative	Spec.
<b>Shrub (continued)</b>		
RHAPHIOLEPIS ORIENTAL PEARL	A nice compact, low/slow growing evergreen shrub with an abundance of white flowers in spring. Prefers full sun and well drained position. Hardy.	Evergreen Ht. 1.5m
ROSMARINUS LADY IN WHITE	Hardy shrub which produces white flowers on upright branches over long period. Fragrant leaves great for culinary use. Can be trimmed or made into hedge.	Evergreen Ht 1m x 1m
ROSMARINUS OFF MISS JESSOPP'S UPRIGHT	Compact, erect rosemary with aromatic, narrowly oblong, dark green leaves, whitish beneath. Small, two-lipped light blue flowers are borne mainly in spring and summer. Best in full sun, with well drained soil. Can be trimmed. Hardy	Evergreen Ht. 1.5m
ROSMARINUS OFFICINALIS	(Upright Rosemary) Dense shrub. Greyish-green leaves, blue flowers produced in clusters along branches in October - November.	Evergreen. Ht 2m
ROSMARINUS OFFICINALIS GOLDLOCKS	Golden yellow fragrant foliage with blue flowers in summer. Prefers full sun and well drained soil.	Evergreen Ht. 1m
ROSMARINUS OFFICINALIS LOCKWOOD DE FOREST	Best prostrate rosemary for rock walls banks etc. Lavender flowers and aromatic perfume make this a favourite. Prefers sunny position.	Evergreen.
ROSMARINUS OFFICINALIS MOZART	An upright Rosemary with deep blue flowers on dark green foliage. Prefers full sun and well drained soil.	Evergreen Ht 70cm
ROSMARINUS OFFICINALIS SEPTEMBER BLUE	Upright form which naturally grows into a pillar or column. Soft blue flowers from April to October. Prefers warm sunny well drained position. Suitable for hedging. Hardy to -10 C.	Evergreen Ht 1.5m X 0.5m
ROSMARINUS OFFICINALIS TUSCAN BLUE	A small shrub with bright blue flowers and fragrant leaves. This herb is used in cooking potpourri etc. Upright habit.	Evergreen. Ht 1m
SANTOLINA LEMON FIZZ	A dwarf shrub with yellow green aromatic foliage and small yellow flowers on tallish stems. Ideal for rockeries and pots. Prefers full sun, tolerates dry conditions. Protect from frost.	Evergreen Ht. 50cm
SANTOLINA LIME FIZZ	A dwarf shrub with bright green aromatic foliage and small yellow flowers on tallish stems. Ideal for rockeries and pots. Prefers full sun, tolerates dry conditions. Protect from frost.	Shrub Ht 30cm
SARCOCOCCA RUSCIFOLIA	(Christmas Box) Masses of large crimson berries stand out against glossy green foliage. Makes an excellent tub plant or shrub for shady areas. Very hardy.	Evergreen. Ht 1m
SCHIZOCENTRON ELEGANS	(Spanish Shawl) A mat forming evergreen ground cover with dense green foliage. Produces masses of bright cerise-purple flowers during summer. Prefers full sun or part-shade and well drained soil. Protect from heavy frost.	Ground cover
SERRURIA PEDUNCULATA SILVER FOX	An attractive small shrub with short stems of grey and white flowers in clusters. Suitable for picking. Prefers full sun and well drained soil.	Evergreen Ht. 75cm
SERRURIA THE FAIRY	(S. Florida x S. Rosea) A hybrid with soft pink and white flowers in clusters on long stems in winter/spring. Makes an excellent cut flower. Protect from frost. Prefers sheltered position in full sun and good drainage.	Evergreen Ht 60cm
SKIMMIA JAPONICA REEVESIANA	Dwarf bush from China, clothed with narrowly elliptic green foliage. Short terminal panicles of white hermaphrodite blooms and clusters of crimson red berries. Self Fertile. Prefers some shade.	Evergreen Ht 70cm
SKIMMIA JAPONICA ROGERSII (Female)	Dense compact female skimmia with fragrant white flowers followed by large red fruits. Very adaptable plant tolerant of shade and most soils. Ideal for seaside or industrial gardens.	Ht 1.5m Evergreen.
TELOPEA BRIMSTONE BLUSH	(Warratah Flower) Robust upright small tree. Terminal pinkish red flowers from mid to late Spring. Prefers full sun and free draining soils. Suitable for coastal areas. Protect from heavy frost.	Evergreen Ht 2.5m
TELOPEA DAWN FIRE	A defect early flowering form having smaller red flower heads on long light stems. Excellent cut flower. Suits full sun or partial shade in well drained situation. Prune after flowering. P.V.R.	Evergreen.
TELOPEA RED EMBERS	A newly released warratah with red flowers ideal for cutting in early summer. Prefers full sun or partial shade in well-drained soils. Trim back after flowering.	Evergreen. Ht 3m

Plant Variety	Narrative	Spec.
<b>Shrub (continued)</b>		
TEUCRIUM FRUTICANS	(Germanda) A low spreading shrub with grey green leaves producing rosemary like flowers in summer and autumn. The grey branches are popular for decorative work. Wind hardy.	Evergreen. 2.5m
TEUCRIUM FRUTICANS SILVER BOX	Ornamental silver foliage and compact habit. Sky blue flowers from Autumn to Spring. Hardy and dry tolerant. Suitable for hedging and pots.	Perennial Ht.1m
THRYPTOMENE CALYCINA	Upright branches are smothered with small white starry flowers in late winter and spring. Prefers full sun and well drained soil. .Protect from heavy frost.	Evergreen. Ht. 1.5m
THRYPTOMENE GOLD TIPS	golden heath like foliage in spring. Pale pink flowers over a long period. Protect from heavy frost.	Evergreen Ht. 1m
THRYPTOMENE SAXICOLA ROSEA	Long slender stems with tiny narrow leaves which become crowded with dainty pink flowers in late winter and spring. Graceful weeping habit. Prefers full sun and well drained soil. Protect from heavy frost.	Evergreen. Ht 1m
TROCHODENDRON ARALOIDES	Very hardy shrub with a spiral arrangement of attractive , leathery ,bright green foliage. Green flowers in erect , terminal racemes appear from late spring. Prefers sheltered site in sun or part shade and good soil. Suitable for flower arrangements.	Evergreen Ht 3m X 2m
VIBURNUM PROPINQUUM	A compact shrub with white flowers in late Spring and blueish.black berries in Autumn. Deep green leaves take on burgundy tones in Winter. Great for hedging. Full sun or part shade in well drained soi. Hardy.	Evergreen Ht 1.5-2.5m
VIBURNUM RHYTIDOPHYLLUM	(Leather Leaf Viburnum) Hardy shrub with large leathery leaves. Large clusters of creamy white flowers in late spring sometimes followed by small black berries. Sun or semi-shade.	Evergreen. Ht 2m
VIBURNUM TINUS	Extremely popular evergreen large dense shrub with shiny green leaves. Branches of fragrant white and pink budded flowers in winter. Excellent in exposed windy conditions.	Evergreen. Ht 2-3m
VIBURNUM TINUS EMERALD BEAUTY	A superior selection, compact and bushy with dark green foliage. New growth tinged red. Carmine buds open to flattish clusters of pink-tinged flowers. Very hardy.	Evergreen. Ht 1.5mx1.3m
VIBURNUM TINUS EVE PRICE	Selected dense compact form with smaller leaves. Very hardy shrub with clusters of white tinged pink flowers in late winter and early spring.	Evergreen. 1.5 X 1.2 m
VIBURNUM TINUS LUCIDUM	Large glossy green leaves with white flowers throughout late autumn and spring. Vigorous, hardy shrub ideal for shelter, screening, or hedging.	Ht 2.5m Evergreen.
VINCA MINOR GERTRUDE JEKYLL	Vigorous trailing plant with glistening white flowers during summer. Very hardy.	Evergreen Ht 20cm x 1m
WESTRINGIA FRUTICOSA	(Native Rosemary) Hardy compact shrub with white flowers ost of the year. Good for exposed coastal, dry well drained sites.	Evergreen Ht 1.5m
YUCCA FILAMENTOSA	(Adam's Needle )Glaucous green strap like leaves with curly silvery white filaments on edge. Cream bell shaped flowers borne on tall stems in summer. Full sun .Drought tolerant when established.	Evergreen. Ht 1.5m
YUCCA FILAMENTOSA GARLAND GOLD	Creamy white flowers produced in summer. Golden foliage with narrow green margins. Upright.Hardy.	Evergreen. Ht 1m
YUCCA FLACCIDA IVORY TOWER	Erect leaves of soft green freely produces a large flower spike crowded with large fragrant bells of creamy white. Vigorous and hardy.	Evergreen

**ground cover**

AZORELLA TRIFURCATA	Low growing carpeting perennial. Small clusters of yellow flowers in summer. Suits a well drained sunny spot in a rockery. Hardy evergreen.	Ground Cover 5cm x 75cm
MESEMBRYANTHEMUM LIGHT PINK	(Ice Plant ) South African succulent ideal for dry or sandy positions with pale pink daisy-like flowers. These plants bloom profusely during spring and summer.	Ground Cover

**Semi- Evergreen**

POTENTILLA KATH SYKES	A compact shrub with bright yellow flowers throughout the summer. Prefers full sun or light shade and well drained soil.	Semi-Evergreen Ht 1m
VIBURNUM MACROCEPHALUM	Large apple green which fade to white, sterile globular flower heads in spring. Medium rounded growth habit. Very hardy.	Semi-Evergreen Ht.2.5 x W 2m.

Plant Variety	Narrative	Spec.
<b>Shrub (continued)</b>		
<b>succulent</b>		
AEONIUM ZWARTKOP	Unique foliage of purple/black leaves. The rosettes migrate to the growing tips as plant ages, to expose stems. Prefers full sun and well drained soil. Protect from frosts.	Evergreen Ht. 1m
ALOE BLACK GEM	Small clump forming succulent with dark green leaves that can darken to purple in bright sunshine. Ideal for containers. Prefers full sun and well drained soil.	Succulent Ht 30cm x 60cmW
ALOE VERA	Medicinal Aloe. Clumping rosettes of fleshy green leaves, spotted when young and toothed on the margins. Yellow flowers. Full/partial sun and good drainage. Protect from frost	Evergreen Ht. 50cm
CRASSULA STRING OF BUTTONS		
ECHEVERIA ELEGANS	A succulent with greyish foliage edged with pink. Coral pink stems and flowers with yellow throat. Plant in full sun with good drainage.	Evergreen. Ht 30cm
ECHEVERIA MARSHMALLOW	A rosette forming succulent with creamy-white foliage and pink and blue tinges. Prefers well drained soil and full sun. Yellow-orange flowers in late spring/ summer.	
ECHIEVERIA GLAUCA	('glauca' means blue in Latin)One of the best blue arrowhead shaped leaves form flat rosettes and offset rapidly to form clusters.Excellent for coastal gardens or herbaceous borders. Full sun.	Succulent
PUYA ALPESTRIS	A rosette forming succulent grown for its overall appearance. Spectacular, tubular deep metallic blue flowers, aging to purple-red are borne in stiff, upright panicles in summer. Prefers full sun and well drained soil.	Succulent Ht. 1-2m
SEDUM CHOCOLATE DROP	A compact upright form of sedum with chocolate foliage. Soft rose pink flowers in summer. Prefers a sunny and well drained position.	Perennial Ht. 25cm
SEDUM MEXICANA GOLDEN PLANET	Glowing lime green to yellow mound. Prefers full sunny and well drained soils. Hardy, protect from heavy frost.	Evergreen ht 30cm
SEDUM SPATHULIFOLIUM PURPUREUM	Mat forming succulent which produces bright yellow star shaped flowers in summer.Prefers well drained sunny site but will tolerate some shade.Hardy to light frost.	Evergreen Groundcover
SENECIO CANDICANS ANGEL WINGS	Striking senecio , prized for it silky, silvery white foliage. Perfect for indoors or outdoors in container or in garden. Requires dry sunny position and hates to be over watered.Salt and drought tolerant. Frost hardy as long as it is not wet.	Evergreen Ht 40cm X 40cm
SENECIO SERPENS	(Blue Chalksticks) Succulent perennail with prostrate stems and powdery blue-grey fleshy leaves. Smal white flowers in late summer. Best ib=n dry sunny or semi-shaded sites.	Evergreen Ht 20cm X 60cm
SUCCULENT ECHIVERIA MIX	Robus plants with fleshy leaves and stems. Ideal for rockeries and pot. Prefers sunny and well drained position. Protect from heavy frosts.	Succulent

Plant Variety	Narrative	Spec.
<b>Climber</b>		
<b>deciduous</b>		
CAMP SIS X TAGLIABUANA MADAME GAYLEN	(Trumpet Vine) Hardy deciduous climber which produces brick-red flowers in summer. Good for covering fences.	Deciduous.
HYDRANGEA PETIOLARIS	A vigorous self clinging climber with large greenish white flowers Nov-Jan. May need support until it begins to cling.	Hardy. Deciduous.
LONICERA CAPRIFOLIUM	Vigorous climber with highly fragrant blooms. Long tubular creamy-yellow flowers are tinged pink. Plant in free draining soil in sun or partial shade.	Deciduous
LONICERA DROPMORE SCARLET	Bright scarlet tubular flowers Jan-April. Moderately vigorous. Best in full or partial shade. Most soil types. Needs support.	Deciduous.
LONICERA PERICLYMENUN BELGICA	(Honeysuckle) Sweetly fragrant flowers are deep pink on outside, cream in the centre. Hardy climber suited to fences or walls. Grows in full sun to part shade.	Semi Evergreen
LONICERA WINCHESTER	Adaptable climber for trellis and walls. Highly perfumed with red and gold flowers. Extremely hardy will grow anywhere.	Deciduous. Ht 3-4m
PARTHENOCISSUS HENRYANA	(Silver Vein Creeper) Soft green foliage with shades of copper, and veins showing through the almost translucent leaves. Strong tendrils hold wire or trellis. Dark blue berries borne in bunches.	Deciduous.
PARTHENOCISSUS QUINQUEFOLIA	(Virginia creeper) Rampant vine to 20 metres with clinging tendrils. Grape-like leaves that turn brilliant scarlet shades in autumn.	Deciduous. Ht 20m
PARTHENOCISSUS TRI. BEVERLEY BROOKS	Self clinging climber with shiny deep green leaves in summer, turning fiery red in autumn before leaf fall. Very hardy.	Deciduous
PARTHENOCISSUS TRICUSPIDATA VEITCHII	(Boston Ivy) A rapidly growing creeper with heart-shaped bronze-green leaves. Rich autumn tones of red and yellow. Self clinging.	Deciduous.
VITIS ALICANTE BOUCHET	Ornamental grape. Hardy, fast growing, deciduous climber. Leaves purplish-green in growth and turn vivid scarlet in autumn.	Deciduous Ht 3 - 4m
VITIS COIGNETIAE	The Crimson Glory Vine. An ornamental grape vine with spectacular leaves which become a riot of orange, scarlet and crimson in autumn. A hardy, rampant climber.	Deciduous. Ht 3 - 4
VITIS VINIFERA PURPUREA	(Claret leaved Ornamental Grape) Reddish-purple foliage in spring and summer, followed by brilliant orange to red autumn leaves. Self supporting climber, bearing bunches of blue-black grapes. Very cold hardy. Prefers sun	Deciduous.
WISTERIA FLORIBUNDA HARLEQUIN	Bi-coloured deep and pale mauve flowers. Large clusters of medium length racemes. Light perfume. Suits fence or pergola. Needs constant summer moisture.	Deciduous.
WISTERIA FLORIBUNDA LIPSTICK	Japanese form blooming mid season on the young foliage. White flowers distinctly edged with pink giving plant a pink glow when in full bloom. Flowers 3 - 4 years after planting.	Deciduous.
WISTERIA FLORIBUNDA SNOW SHOWERS	White Japanese wisteria. Distinctive lime-green young foliage and very vigorous in growth. Blooms 3 - 5 years from planting.	Deciduous.
WISTERIA FLORIBUNDA TIVERTON	Flowers are mauve/blue to purple in colour with a yellow blotch. Vigorous growth, leaves are pale bronze-green when young.	Deciduous Ht. 4m
WISTERIA HYBRID CAROLINE	Very early flowering hybrid with profusion of strongly scented blooms mauve-lilac fading to white. Flowers two seasons after planting. Keep moist in summer.	Deciduous.
WISTERIA HYBRID LAVENDER LACE	Large fragrant pale and dark violet flowers in late spring on long racemes up to 50cm long. So best planted where flowers can hang down. Best in fertile, moist, well drained soil. Very hardy	Deciduous Up to 10m

Plant Variety	Narrative	Spec.
<b>Climber (continued)</b>		
<b>evergreen</b>		
BOUGAINVILLEA GLA.MAGNIFICA TRAILLI	Strong growing climber. Produces bright magenta-purple flowers throughout summer on new growth. Rich soil with good drainage and warm sunny position. Suitable for pot in conservatory.	Evergreen.
CLEMATIS ARMANDII APPLE BLOSSOM	Bold attractive foliage. Beautiful six-petalled blooms pink in bud opening to pale pink. Sunny sheltered position with cool root zone. Mulch well. Keep moist during summer.	Evergreen.
CLEMATIS FORSTERI	Slender climber with deeply lobed leaves and large white/cream flowers in September and October. Prefers a cool root run in a sunny position. NZ native	Evergreen
FICUS PUMILA	Self clinging evergreen climber, suitable for climbing walls or hanging baskets. Protect from heavy frost. Prefers cool, shady position with moist soil. Provides dense ground cover.	Evergreen. Climber.
GELSEMIUM SEMPERVIRENS	(Carolina Jessamine) A climber with very fragrant, bright yellow, funnel-shaped flowers. Requires a sunny well drained sheltered site.	Evergreen. Climber
HEDERA CANARIENSIS	(Town hall Ivy) Strong-growing large leaved ivy. Bright green leaves in summer often turning bronze in winter. Ideal ground cover or climber.	Evergreen.
HYDRANGEA SEEMANII	Evergreen self-clinging climber with masses of delicate white flowers from late summer. Flowers best with some sun.	Evergreen Climber Ht 8m
JASMINIUM AZORICUM	Pure white scented flowers. Near hardy vigorous grower - full sun or shade. Bushy climber.	Evergreen.
JASMINIUM MESNYI	Bright yellow flowers from Spring into early Summer. Strong growing climber. Best in warm sunny position or in a conservatory. Protect from frosts.	Evergreen Ht 6m
JASMINIUM POLYANTHUM	Richly fragrant, the buds are pink and open to pure white flowers. Fast growing. Great for fences, archways, pergolas etc. Withstands hot dry or damp shady conditions.	Evergreen. Climber
LAPAGERIA ALBA	White Chilean Bellflower. Glossy dark-green leathery foliage, produces bell-shaped, cream-white flowers in summer and autumn. Roots shaded and the top needs to be in semi-shade and cool. Evergreen and only tolerates light frost.	Evergreen Ht 3m
MANDEVILLA LAXA	Large long lasting fragrant white flowers throughout summer. Prefers a warm sheltered position with full sun. This climber suits pergolas or similar support.	Semi-evergreen
PANDOREA JASMINOIDES ROSEA SUPERBA	Pink Bower of Beauty - Spectacular climber with shiny dark green leaves and compact clusters of pale pink flowers with crimson throat. Very showy. Protect from heavy frost.	Evergreen.
PANDOREA PANDORANA	(Wonga Wonga Vine) Vigorous climber with compact sprays of spectacular creamy white trumpet flowers in spring. These often have purple brown markings inside. Shiny mid-green leaves. Flowers best in full sun. Needs protection from heavy frost.	Evergreen.
SOLLYA HETEROPHYLLA	(AUSTRALIAN BLUEBELL CREEPER) A trailing vine with bell-shaped sky-blue flowers born freely in summer and autumn. Sunny sheltered position and well drained soil. Half hardy.	Evergreen.
TRACHELOSPERMUM ASIATICUM	Beautiful climber forming a dense mass of dark glossy foliage and fragrant creamy white flowers in mid summer. Prefers well drained sunny sheltered position and no lime. Hardy.	Evergreen. Ht 4-5m
TRACHELOSPERMUM JASMINOIDES	(Star Jasmine) Attractive climber with large very fragrant white flowers. Requires warm sheltered wall or suitable for conservatory. Protect from heavy frost.	Evergreen. Ht 2m
TRACHELOSPERMUM JASMINOIDES TRICOLOUR	Twining climber or groundcover with glossy green and cream blotched foliage, red new growth. Small pinkish-white fragrant flowers. Prefers full sun but will tolerate part shade.	Evergreen Climber

**Semi- Evergreen**

BOUGAINVILLEA SCARLETT O'HARA	Vigorous upright climber with large leaves. New growth is dark wine red and large bracts are almost round & slightly orange with red shading. Bracts. Protect from frost. Prefers sunny well- drained position.	Evergreen.

ARISTOTELIA THOMAS LISTER	6.5	Glossy green leaves with an abundance of showy cream to pink flowers in late spring. Plant in full sun or part shade. Very hardy. (PVR) .	0018524155915	\$20.78
ARTHROPODIUM CIRRHATUM	5	(Reinga Reinga Lily) Starry white flowers on long panicles. Good cut bloom. Good coastal plant and will grow in semi-shade. Grows well under tress in semi shade. Needs protection from frost.	0018524232319 0018524159319	\$4.78 \$16.09
ARTHROPODIUM CIRRHATUM MATAPOURI BAY	5	(Reinga Reinga lily) Attractive form with larger flower heads and broader leaves that have a distinct bluish hue. Hardy plant which tolerates coastal conditions. Prefers some shade.	0018524166508	\$16.96
ASPLENIUM PACIFIC BEAUTY	10CM	(NZ native fern) Hybrid of Hen & Chicken Fern and Spleenwort. Attractive finer fronds growing bushy to 50cm. Like shelter and some shade. Hardy.	0018524157742	\$14.70
ASTELIA CHATHAMICA SILVER SPEAR	2.5L	Large Chatham Island species. Silver-green leaves with a metallic sheen. Spring flowers are white and fragrant and are followed by orange berries. Will grow to large plant with great architectural merit.	0018524151719	\$20.78
ASTELIA NERVOSA	2L	Flax-like plant with attractive foliage used in floral work. Sweet scented long stem of flowers occur in Oct - Jan and orange fruit takes one year to ripen. Hardy.	0018524124768	\$20.78

Plant Variety	Container	Narrative	Barcode	Price
<b>NZ native (continued)</b>				
ASTELIA NERVOSA ALPINE RUBY		A colourful foliage plant with long arching ruby red leaves and silvery reverse. Forms a low compact clump. Plant in sun or partial shade. Good drainage is essential. Hardy. PVR	0018524154994	\$25.13
ASTELIA NERVOSA WESTLAND	2L	(NZ Native Plant) Dense clump-forming perennial with attractive grey-purple flax-like foliage. Requires open, well-drained site. Good in containers. Hardy.	0018524128032	\$20.78
ASTELIA RED REBEL	2L	Attractive NZ native plant with reddish bronze leaves which turn rich claret red in winter. Suitable for rockeries, containers or mass plantings. Grows best in sunny well drained position.	0018524120135	\$20.78
AUSTRODERIA FULVIDA	5	syn. Cortaderia (North Island Toetoe) Large growing tussock with wider leaves than richardii. Pale green foliage in summer, topped by golden brown plumes. Very hardy.	0018524224611 0018524120340	\$4.78 \$15.22
AUSTRODERIA RICHARDII	5 5	(South Island Toe Toe) SYN Cortaderia richardii) Hardy grass with graceful cream coloured plumes from mid December to January. Suits most soil types, full sun.	0018524120357 0018524205924	\$18.17 \$18.17
BEILSCHMIEDIA TARAIRI	3.3	(Tararire) A beautiful specimen tree with bold handsome foliage and large purple fruit. Prefers good soil. Protect from heavy frost.	0018524158626	\$19.04
BLECHNUM DISCOLOR	10CM	( Piupiu, Crown Fern ) Forms crowns of semi-upright fronds on short trunks. Likes a cool shaded spot. Plant several together for a bold effect. Hardy.	0018524157612	\$15.57
BLECHNUM FLUVIATILE	2.5L	Distinguished by its dark green fronds which grow more or less horizontally from the crown. Easily grown in a moist and shady position.	0018524228046	\$20.78
BLECHNUM PENNAMARINA	2L	Attractive creeping fern, easy to grown in open or semi-shaded positions with reasonable moisture. Ladder-like fronds. Hardy.	0018524222389	\$18.17
BRACHYGLOTTIS COMPACTA	2.5L	Syn. Senecio compactus. Compact small shrub with grey-green leaves, densely felted beneath with pure white hair. Yellow flowers in summer. Very hardy and suitable for coastal planting.	0018524162111	\$16.96
BRACHYGLOTTIS MONROI	5	NZ native of compact spreading growth with grey felted leaves. Yellow daisy flowers. Good for exposed coastal conditions.	0018524161411	\$18.17
CAREX COMANS BRONZE	1.5L	Red brown tussock with fine shiny leaves. Effective planting in groups where a tough plant is needed. Tolerates damp and salty conditions.	0018524204095	\$13.83
CAREX COMANS FROSTED CURLS	5	Delightful landscaping plant. Very hardy. Trim occasionally to bring away new silver growth. A real gem for rock & pebble garden	0018524134026	\$16.09
CAREX TESTACEA	ep 5 6l	A densely tufted plant with arching, rather wide spreading foliage. Colour varies from light brownish green to golden brown. Very hardy.	0018524233774 0018524120159 0018524203777	\$17.30 \$17.30 \$22.52
CAREX TRIFIDA	5	(Chatham Island Sedge) Hardy plant with interesting blue-green foliage and conspicuous large flower spikes.	0018524145787	\$15.57
CARMICHAELIA ODORATA	5	A spreading much branched shrub, will grow in very hard conditions. Small scented mauve flowers are formed along the branches during summer.	0018524156059	\$17.30
CARPODETUS SERRATUS	5 35L	(Putaputawheta or Marble Leaf) Pale greyish white bark. Dark green leaves with light marbling on surface. Juvenile plant has small leaves. Masses of small white flowers cover tree. Very hardy and reasonably quick growing.	0018524140973 0018524236171	\$15.22 \$173.83

Plant Variety	Container	Narrative	Barcode	Price
<b>NZ native (continued)</b>				
CHIONOCHLOA FLAVICANS	1.5L	(Dwarf Toi Toi) Forms a dense clump with bright green slender, weeping leaves. Plumes of greenish-yellow flowers hang from the tips of metre long stems during summer. Very hardy.	0018524145879	\$14.35
CLIANTHUS MAXIMUS	3.3	NZ native Red kaka beak with wonderful pendulous large red flowers in spring and summer. Larger , more shiny leaves than puniceus.Plant in sunny, well-drained site.Prune after flowering.	0018524237970	\$21.65
CLIANTHUS PUNICEUS ALBUS	5	(White Kaka Beak) A vigorous semi-evergreen medium sized shrub with curious white claw shaped flowers in spring. Prune after flowering.	0018524128681	\$17.30
CLIANTHUS PUNICEUS FLAMINGO	5	(Pink Kaka Beak)Fast growing, mainly evergreen native shrub with pink pea-shaped flowers. Suits a well-drained site in full sun protected from heavy frosts. Prune after flowering.	0018524128698	\$19.04
COPROSMA ACEROSA	5	(Sand Coprosma) Low growing shrub with flexible orange brown branches. An excellent plant for coastal areas and hot dry conditions	0018524188708	\$17.30
COPROSMA ACEROSA RED ROCKS	5	Excellent rugged shrub which forms a tight tangled mound of dark reddish brown. Good for sunny situations. Will withstand salty winds and moderate frosts.	0018524154130	\$16.09
COPROSMA BLACK CLOUD	5	Attractive shrub with stunning ebony black foliage all year round.Compact habit. Will grow in full sun or shade.Hardy.	0018524154147	\$16.09
COPROSMA CAPPUCCINO	6l	Rich chocolate brown Summer foliage becomes even darker in Winter Ideal in pots or for borders and hedges. Contrasts well with white or cream flowering plants.	9420019108244	\$30.35
COPROSMA CRASSIFOLIA	5	A stiffly branched tight shrub with small round dark green leaves. Versatile growing in coastal and inland positions. Prefers dry conditions and full sun.	0018524209748	\$17.30
COPROSMA FLAT FREDDY	5	(brunnea x kirkii hybrid) Ideal low growing groundcover plant, that prefers well drained sunny site. Hardy to frost and wind.	0018524189033	\$16.09
COPROSMA LEMON AND LIME	2.5L	Lime green and bright yellow foliage with touches of orange. Prefers full sun and well drained soils. Protect from heavy frost. Suitable for coastal planting and in containers.	0018524212694	\$19.91
COPROSMA LUCIDA	7cm	Large glossy green leaves. Orange drupes produced in autumn. Good shelter plant. Protect from heavy frost.	0018524224635	\$4.78
COPROSMA MANGATANGI	5	Delightful divariacating ground cover native with colourful foliage. Slow growing with best colour when planted in full sun. Hardy.	0018524154086	\$16.96
COPROSMA MIDNIGHT MARTINI	2.4	Gorgeous bronze foliage with subtle orange centre. The foliage changes from bronze to rich black with red centre accents. Ideal for pots. Prefers full sun and well drained soil. Protect from heavy frost.	0018524157490	\$19.04
COPROSMA PACIFIC SUNRISE	2L	A striking Coprosma with glossy, wave-shaped leaves that are chocolate brown with pink highlights. Good for containers. Prefers full sun and well drained soil. Protect from heavy frosts. PVR	0018524154123 0018524177306	\$19.04 \$20.78
COPROSMA PARADISE PUNCH	2.4	Bold orange foliage, changing seasonally. Excellent for pots. Slow-growing and dry-tolerant, this Coprosma requires little care and thrives in full sun. Protect from frost when young. PVR.	0018524164719	\$19.91
COPROSMA PROSTRATA KIWI GOLD	5	A prostrate groundcover, ideal for walls and rock gardens. Small shiny green leaves with bright yellow gold edges. Forms a dense mat. Tolerates drought and heat once established.	0018524154079	\$16.09

Plant Variety	Container	Narrative	Barcode	Price
<b>NZ native (continued)</b>				
COPROSMA PROSTRATA KIWI SILVER	5	Hardy groundcover which forms a dense mat in rock garden or over walls. Small shiny green leaves with creamy silver edges. Tolerant of drought and heat when established.	0018524154062	\$16.09
COPROSMA REPENS	7cm	Glossy dark green leaves. Bright orange drupes produced in late summer. Quick growing and trims well. Suitable for exposed coastal sites. Protect from heavy frost.	0018524224642	\$4.78
COPROSMA REPENS PACIFIC SUNSET	2.5L	Glossy leaves with red centres and chocolate brown margins make this evergreen shrub stand out. Great in containers or in the ground it prefers full sun and well drained soil. Protect from heavy frost.	0018524177313	\$20.78
COPROSMA REPENS PROSTRATA	5	Prostrate form of Taupata. Shiny deep green leaves on low growing plant. Best suited to coastal conditions and well drained. Good for banks in windy position and light frost only.	0018524154093	\$15.22
COPROSMA RHAMNOIDES	5	A small, spreading variety with interlacing rust coloured branches. Small flowers appear in September/October followed by red drupes which turn deep red or black. Very hardy	0018524209755	\$16.96
COPROSMA RUGOSA	7cm	A compact, upright shrub. Attractive orange/chocolate brown interlaced foliage. Blue berries in autumn. Great for dry areas. Evergreen. Very hardy, found in subalpine areas.	0018524224659	\$4.78
	5		0018524212786	\$15.22
COPROSMA RUGOSA LOBSTER	5	Distinctive orange-red new growth which becomes brighter in winter. Low maintenance plant that suits most soil types, in full sun or part shade. A good choice for coastal planting. Very hardy.	0018524151726	\$17.30
COPROSMA RUGOSA MIDNIGHT	5	Deep purplish-bronze foliage on a twiggy, upright, compact plant. Attractive architectural plant which can be trimmed. Very Hardy.	0018524154031	\$14.35
COPROSMA TAIKO	5	Cushion mound of intertwining branchlets coloured dark green. Vigorous groundcover. Tolerant of poor dry sandy conditions. Very hardy.	0018524169912	\$17.30
COPROSMA TAYLORII	2L	A very hardy New Zealand native shrub with small grey green leaves. Grows in very exposed places, creating a distinctive form. Requires good drainage, ideal tub plant.	0018524209762	\$16.96
COPROSMA TEQUILA SUNRISE	2.4	Features a range of vibrant foliage colours, changing from lime green and yellow in spring through to orange and burgundy in winter. Thrives in full sun. but okay in some shade. Protect from frost while young	0018524212700	\$19.91
COPROSMA VIRESCENS	5	Loosely divaricating tall shrub with slender weeping branchlets. Small leaves are light green and oval. Pale yellow drupes ripen in autumn. Very hardy. Can be trimmed and grown in garden or in container.	0018524154055	\$16.96
COPROSMA X KIRKII	5	A hardy prostrate NZ native, vigorous growing and ideal to cover dry banks and areas with some foot traffic.	0018524144001	\$16.96
COPROSMA X KIRKII VARIEGATA	5	An excellent spreading variegated shrub suitable for banks and coastal conditions. Hardy.	0018524144018	\$16.09
CORDYLINE AUSTRALIS	6.5	(Cabbage Tree) Impressive tree with palm-like appearance and creamy white scented flowers in summer. Ideal for structural planting and containers. Sunny, well-drained site preferred. Very hardy.	0018524144025	\$18.70
	35L		0018524141390	\$217.30
CORDYLINE AUSTRALIS ALBERTII		An attractive cultivar with cream and green foliage with a pink mid-rib. Despite the tropical appearance it is hardy and easy to grow in most soils.	0018524207942	\$26.00

Plant Variety	Container	Narrative	Barcode	Price
<b>NZ native (continued)</b>				
CORDYLINE AUSTRALIS BURGUNDY SPIRE	1.5L	Upright plant which has glossy deep burgundy, long narrow leaves. Provides strong architectural focus in garden. Suitable for container. Full sun or part shade. Very hardy.	0018524198837	\$25.13
CORDYLINE AUSTRALIS KARO KIRI		A dwarf cabbage tree ideal for a tub or a container. Excellent indoors or outside. Easy to care for. Water regularly.	0018524211598	\$22.52
CORDYLINE AUSTRALIS RED STAR	T	Wonderful new selection bred from Cordyline australis. Deep velvet red foliage. Hardy. Prefers full sun but tolerates shady positions. Suitable for garden or in a container.	0018524120302 0018524156271	\$23.39 \$56.43
CORDYLINE BANKSII		Small cabbage tree, recognised by slender stems, very long drooping leaves and large panicals of cream flowers. Forms clumps. Prefers moist soil.	0018524180795	\$27.74
CORDYLINE BANKSII ELECTRIC FLASH	2.5L	Clumping plant with chocolate and cream variegated, slightly arching leaves. Hardy, prefers full sun to part shade.	0018524156172	\$23.39
CORDYLINE BANKSII ELECTRIC PINK		A striking new cordyline with brightly coloured pink and burgundy striped leaves. A great architectural plant which looks great in a container. Prefers full sun or part shade in well drained soil.	0018524186995	\$23.39
CORDYLINE CHA CHA		A warm apricot and brown variegation changing to yellow and green with maturity. A nice weeping form. Prefers well drained soil, full sun or part shade.	0018524153980	\$21.65
COROKIA COTONEASTER GEENTYS GREEN		Compact, upright plant with large glaucous green, oval leaves. Very hardy to poor soils and wind. Suitable for hedging.	0018524173018	\$78.17
COROKIA COTONEASTER LITTLE PRINCE	5	Compact twiggy dwarf shrub with bronzy purple foliage. Very hardy. Can be trimmed into hedge.	0018524155496	\$15.57
COROKIA COTONEASTER PROSTRATA	5	A rigid densely prostrate form of corokia. Small yellow flowers followed by yellow orange or red berries in autumn. Hardy. Prefers some sun and well drained position.	0018524120319	\$16.09
COROKIA MACROCARPA		Hardy large shrub with long narrow leathery leaves. Yellow flowers in Nov - Dec followed by orange-red drupes, ripened by April. Suitable for growing in dry places under trees.	0018524155540	\$16.96
COROKIA PIPSQUEAK		Bushy shrub with small green leaves. Produces small starry yellow flowers in summer followed by yellow berries. Full sun or part shade and tolerant of wind, coastal conditions and dry once established. Makes great small hedge.	0018524155526	\$16.09
COROKIA X VIRGATA BRONZE KNIGHT	5	Upright growing native with dark bronze foliage and silvery underneath. Great for hedging. Wind resistant.	0018524128704	\$17.30
COROKIA X VIRGATA FROSTED CHOCOLATE	5	Very hardy shrub with bronze chocolate foliage and frosted reverse side of leaf. Orange-red berries in autumn.	0018524155533	\$17.30
COROKIA X VIRGATA RED WONDER		Extremely hardy coastal shrubs with dense twiggy branches and starry yellow flowers. Red berries.	0018524144179	\$16.96
COROKIA X VIRGATA YELLOW WONDER		Extremely hardy coastal shrub with dense twiggy branches. Yellow starry flowers followed by yellow berries.	0018524144162 0018524155502	\$16.96 \$121.65
CORYNOCARPUS LAEVIGATUS	12	(Karaka) Excellent for coastal positions. Handsome upright tree with large polished leaves with orange fruits in autumn resembling a plum. Protect from heavy frosts.	0018524162296	\$39.04

Plant Variety	Container	Narrative	Barcode	Price
<b>NZ native (continued)</b>				
CYATHEA DEALBATA		(NZ SILVER FERN) Beautiful fern with silvery undersides. Protect from wind and heavy frost. Well drained situation required. Tall and slow-growing - suitable for small gardens. NZ national emblem	0018524204507	\$60.78
CYATHEA SMITHII	6l	(WHEKI, Tree Fern) Beautiful feathery tree fern for cool moist situation. Hardy to cold but needs good shelter from wind.	0018524157599 0018524204637	\$39.04 \$60.78
DACRYCARPUS DACRYDIOIDES		(KAHIKATEA, WHITE PINE) Juvenile state persists for many years. When mature it is a fine specimen tree that has dark green leaves arranged around branchlets. Moist situation. Hardy.	0018524175821 0018524141314	\$17.30 \$234.70
DACRYDIUM CUPRESSINUM	5	(Rimu) A graceful native with conical shape and cascading branches of light green cordlike branchlets to ground level. Hardy to cold but needs some shelter from strong or salt winds.	0018524128711	\$19.91
DIANELLA NIGRA		Shiny, dark green upper leaf with slightly rough edges. Forms close growing clumps. Pretty star-shaped light blue flowers in spring followed by masses of shiny dark blue berries.	0018524154857	\$13.83
DICKSONIA SQUARROSA	40 35L	WHEKI, PONGA) One of the most abundant NZ native tree ferns. Grows in any soil sun or shade. Protect from heavy frosts when young. Occasional grooming will maintain neatness.	0018524180818 0018524137584	\$199.91 \$243.39
DODONAEA VISCOSA	5 12 25L	(Green Ake Ake) Quick growing NZ shrub for warm and coastal areas. Useful as hedge or shelter in coastal and windy situation. Requires good drainage. Ornamental seed capsules.	0018524155953 0018524171113 0018524232692	\$15.22 \$40.78 \$173.83
DODONAEA VISCOSA PURPUREA	7cm SP 40 25L	(Purple Ake Ake) A quick growing native shrub suitable for coastal areas. Leaves red in summer turning rich purple red in winter. Needs protection from heavy frost.	0018524224666 0018524120364 0018524161800 0018524174909	\$4.78 \$15.57 \$143.39 \$173.83
DODONEA VISCOSA VARIEGATA		(Variegated Ake Ake) Quick growing NZ shrub for warm and coastal areas, with elongated bright green leaves, with cream variegation. Useful as hedge or shelter in coastal and windy situation. Requires good drainage.	0018524171335	\$40.43
DYSOXYLUM SPECTABILE	3.5	(Kohekohe) Distinctive round headed tree with glossy green leaves and cylindrical trunk. Most striking feature are the flowers which are drooping white and waxy on the bare branches in early winter.	0018524163255	\$23.39
ELAEOCARPUS HOOKERIANUS		(POKAKA) Slow growing tree which passes through several juvenile stages before assuming adult habit. Requires rich deep soil which does not dry out. Sun or semi-shade. Hardy.	0018524156035	\$19.57
FESTUCA NOVAE- ZELANDIAE		A dense native tussock with very fine foliage, upright in the centre, fanning outwards around the edge. New leaves are grey-green. A tough plant that will tolerate poor, dry conditions.	0018524192194	\$13.83
FUCHSIA EXCORTICATA	5	(NZ Tree Fuchsia) Hardy small tree with attractive papery bark hanging from trunk. Small blue and cream flowers. Good in damp shady positions.	0018524165990	\$17.30
FUCHSIA PROCUMBENS		Much branched prostrate or trailing shrub. Tubular flowers are coloured yellow and purplish-green with red stamens. Large bright red to magenta berries follow. Protect from heavy frost.	0018524206440	\$16.96
FUSCOPORA SOLANDRI	5 28	( NZ Black Beech) Tall, slender, very attractive tree with ascending fanlike branches. Hardy.	0018524143660 0018524203128	\$37.30 \$130.35

Plant Variety	Container	Narrative	Barcode	Price

HEBE EMERALD GREEN		A rounded bush of bright green whipcord foliage, with small white flowers in summer. Nice round, compact habit. Hardy.	0018524164740 0018524212649	\$14.35 \$15.22
HEBE EVENOSA		Compact neat rounded shrub with vivid green leaves. White flowers. Extremely hardy.	0018524164191	\$18.17
HEBE FIRST LIGHT	5	Spreading compact bush with healthy fleshy foliage flushed bronze especially in winter. Prominent pink flowers for a long period over summer. Good for mass planting or containers.	0018524144032	\$18.17
HEBE GEORGE		A hybrid with glossy green foliage and compact habit all year round. Masses of royal blue flowers. Prefers full sun and free-draining soil, will tolerate some shade. Trim after flowering. PVR.	0018524170444	\$19.57
HEBE HEEBIE JEEBIES	2.4	Hardy shrub, flowering bluish mauve profusely, late winter thru to mid spring. Trim lightly after flowering to encourage a more compact habit.	9420019107285	\$19.57
HEBE ICING SUGAR		A summer flowering Hebe with attractive pink and white flowers and compact rounded form. Prefers sunny site. Clip after flowering.	0018524143905	\$18.70
HEBE INSPIRATION	5	A hardy native with pale mauve flowers in late summer. Compact glossy foliage and habit. Evergreen.	0018524144049	\$16.96
HEBE LAVENDER LACE		Compact shrub with masses of lavender flower spikes in winter and summer. Ideal for rockeries, borders, tubs, or as a small hedge.	0018524155311	\$16.96
HEBE LOUIS		A prostrate form with blue green leaves. Masses of pure white flowers in Summer. Prefers full sun and well drained position. Cut back after flowering to maintain compact habit. PVR	0018524212755	\$19.57
HEBE MACEWANII		A dwarf shrub with glaucous foliage on purple stems. Pale mauve flowers in summer. Hardy.	0018524212847	\$17.30
HEBE MARIE ANTOINETTE	6.5	Low growing evergreen shrub. Flowers open cerise and fade to white. Narrow leaves with a dark tip. Tolerates light frosts and is suitable for coastal planting. Full or part sun.	0018524206495	\$18.70
HEBE OCHRACEA JAMES STIRLING		Whipcord Hebe. A spreading deep bronze gold mound. Small white flowers in summer. Prefers full sun and moist conditions.	0018524155427	\$17.30
HEBE ODORA	7cm	Syn. Hebe buxifolia. A hardy native Hebe with bright green leaves and white flowers from October to March. Compact growth habit. Prefers sunny, well-drained site.	0018524224727 0018524120395	\$4.78 \$17.83
HEBE ODORA BUXIFOLIA		Small polished green leaves forming a rounded bush. White flowers. Very hardy.	0018524207935	\$16.96

Plant Variety	Container	Narrative	Barcode	Price
<b>NZ native (continued)</b>				
HEBE ODORA NANA		A hardy shrub which requires open space and good drainage. Small white flowers in spring/late summer. Light trim will keep a compact form. Very good for windy conditions.	0018524203500	\$15.57
HEBE ODORA PROSTRATA		Low to flat growing hebe with bright green foliage. Hardy.	0018524166522	\$17.83
HEBE ORATIA BEAUTY	6.5	Compact shrub which is good for open positions. Pink and white flowers are produced throughout summer and autumn. Very hardy.	0018524169929	\$16.96
HEBE ORPHAN ANNIE		Exciting new variegated hebe with stunning wine-coloured tips. Cerise flowers fade to pale pink during summer. Excellent tub or container plant. Evergreen	0018524155229	\$20.78
HEBE PAUCIRAMOSA		Small rounded shrub with erect branches with dark foliage and white flowers. Very hardy.	0018524212823	\$14.70
HEBE PEWTER DOME	2.5L	Small grey-green oval leaves on a dome shaped shrub. Prefers open position. Hardy.	0018524207928	\$16.96
HEBE PINGUIFOLIA		A low growing shrub forming a compact dome of rounded mid green leaves. Starry deep purple flowers throughout Summer. Sunny well drained position. Great in containers, Hardy.	0018524209779	\$17.83
HEBE RECURVA		A small grey-green pointed leaves on an open, rounded habit. White flowers in racemes, with a blush of pink.	0018524197885	\$16.96
HEBE RED EDGE	6.5	A splendid dense mounding shrub. The green-blue leaves sport a striking red margin with densely packed pink flower buds that open white. Very hardy. Plant in open situation.	0018524224734 0018524144070	\$4.78 \$18.70
HEBE SALICIFOLIA	6.5	(Korimoko) NZ Native shrub , found naturally throughout South Island and Stewart Island. Long sprays of white flowers in spring. Prefers damp exposed site. Very hardy.	0018524155359	\$16.96
HEBE SNOWDRIFT		Compact flowering shrub bearing numerous long spikes of snow white flowers over a long period. Hardy	0018524155328	\$18.17
HEBE SPECIOSA	6.5	Distinct large rather fleshy leaves. Beetroot purple flowers produced over many months. Grows well in sun or partial shade in dry or coastal conditions. Protect from heavy frost.	0018524209786	\$18.17
HEBE SPECIOSA TRICOLOR		Leaves heavily variegated with grey green and irregularly margined with cream. Rosy pink tinges in winter. Grows in sun or partial shade in dry or coastal localities. Protect from frost	0018524164207	\$18.70
HEBE SPECIOSA X PRIDE		Excellent coastal plant with bright blue flowers in summer. Withstands wind and some drought when established. Protect from heavy frost.	0018524212830	\$15.57
HEBE SUTHERLANDII	6.5	A compact hebe with silvery green foliage and white flowers. Nice compact shape, Hardy.	0018524143912	\$18.17
HEBE TOPIARIA		Small blue green leaves on a rounded bush with white flowers borne in clusters in spring. Compact growth. Prefers full sun and well drained soil.	0018524121958	\$18.70
HEBE VENUSTULA		Very hardy. Forms a rounded bush which smothers itself in white to pale violet flowers from Dec to Feb. Will flower when grown in shade.	0018524164214	\$18.17
HEBE WIRI CLOUD	2.5L	Ideal for small gardens or containers. Pretty pink blooms in summer against golden green foliage. Prefers open position. Prune after flowering to maintain shape.	0018524164221 0018524159371	\$16.96 \$19.57
HEBE WIRI IMAGE		Violet flowers on bright green foliage. Flowers Nov - Dec and again in the winter. Compact. Evergreen.	0018524189965	\$19.04

Plant Variety	Container	Narrative	Barcode	Price
<b>NZ native (continued)</b>				
HEBE WIRI MIST		An excellent ground covering Hebe with attractive grey-green foliage covered with white flowers in late spring. Prefers open position. Prune after flowering to maintain shape.	0018524144094	\$19.04
HEBE WIRI SPEARS		A taller Hebe with large leaves and long deep mauve flowers in late summer. Prolific flowerer. Cut back after flowering. Suitable for coastal planting.	0018524120418	\$18.70
HEBE WIRI SPLASH		Attractive golden green foliage on a compact growing plant. Mauve flowers in early summer.	0018524209793	\$17.30
HEBE X FRANCISCANA BLUE GEM	5	Open trusses of large violet blue flowers over a long period from summer to late autumn. Upright growth habit. Very hardy coastal plant.	0018524121927	\$18.17
HEBE X SPECIOSA AUDREY HEPBURN	2.4	New selection with emerald green foliage tipped with bright creamy new foliage. Masses of bright pink flowers from late summer to winter. Trim after flowering. Prefers full sun.	0018524175357	\$19.04
HEBE X WHITE LACE		A prostrate, hardy shrub with masses of white flower spikes in summer and winter.	0018524144100	\$18.70
HELICHRYSUM ARGYROPHYLLUM	5	A hardy ground cover with silvery grey foliage and straw-like everlasting golden flowers.	0018524151764	\$12.96
HELICHRYSUM GRAEME PATERSON		Easy-growing native groundcover. Has paper-like daisy flowers in summer, tolerates dry spells and coastal situation. Hardy and evergreen.	0018524151702	\$12.96
HELICHRYSUM SELAGO		NZ native groundcover shrub, which requires well drained conditions. Excellent for rock garden.	0018524155694	\$13.83
HELIOHEBE HULKEANA	2.5L	(NZ Lilac) Small shrub, delicate lavender flowers Oct-Dec. Prefers dry conditions. Very hardy. Suitable for container planting. Prune after flowering.	0018524186476	\$16.43
HELIOHEBE RAOULII		A small straggly shrub with Lilac pink/white racemes of flowers in Spring. Prefers alpine type conditions.	0018524162135	\$15.22
HELIOHEBE SPRING MONARCH		This hebe has sprays of lavender coloured flowers in spring. Suits a well-drained sunny position. Hardy.	0018524200776	\$18.70
HOHERIA ANGUSTIFOLIA	35L	(LACEBARK) An elegant small slender tree with small white flowers in clusters. Young habit is twiggy. Hardy.	0018524232715	\$217.30
HOHERIA POPULNEA	25L	(Lacebark, Houhere) Beautiful small tree with small white scented flowers in summer. Fast growing tree, ideal for background or boundary planting.	0018524175838 0018524141147 0018524141154	\$19.04 \$130.35 \$173.83
HOHERIA POPULNEA ALBA VARIEGATA		(variegated Lacebark) Creamy white variegated native. Small white flowers in abundance in autumn.	0018524155878	\$40.78
KNIGHTIA EXCELSA		(Rewa Rewa, NZ Honeysuckle) Distinctive tree of tall fastigate habit, resembling a Lombardy poplar. Red flowers in large racemes are produced on the branches below the leaves. Grows in almost any well drained soil.	0018524215060	\$26.00
KUNZEA ERICOIDES	5	Kanuka - Covered in masses of white flowers spring/summer. Very hardy small tree suitable for coastal conditions. Fairly resistant to manuka blight.	0018524121965	\$18.17
KUNZEA ERICOIDES LITTLE FOX		NZ native plant with fresh green, weeping foliage on compact plant. Plant en masse for effect or ideal for pots. Trim to shape annually. Prefers full sun and well drained soil. Hardy	0018524180085	\$21.65
LEPTINELLA CALCAREA		A NZ native groundcover with grey-green feathered foliage. small button like flowers. Prefers full sun and well drained soils. Frost hardy.	0018524155458	\$13.83
LEPTINELLA PLATTS BLACK	1.5L	N Z native groundcover suitable for shady position in garden or in container. Forms dense mat of fine fern like leaves with varying colours of green and black. Hardy.	0018524168731	\$13.83

Plant Variety	Container	Narrative	Barcode	Price
<b>NZ native (continued)</b>				
LEPTOSPERMUM NANUM HUIA		Single ,large deep pink flowers in masses during October and Novmember. Prefers sun or part shade with well drained soils.	0018524202374	\$23.39
LEPTOSPERMUM NANUM KIWI		Dwarf nz native shrub with single light red flowers in summer. Prefers a sunny well drained position.	0018524202398	\$23.39
LEPTOSPERMUM PHOENIX		Compact habit with large deep mauve flowers produced in mid to late spring. Hardy to both dry and cold conditions. Prune after flowering to maintain good bush shape. PVR	9419354062595	\$32.09
LEPTOSPERMUM PINK CASCADE		(NZ Native trailing Manuka) Produces single pink flowers in summer. Plant in a well drained sunny position. Great for banks or trailing over walls.	0018524168946	\$17.30
LEPTOSPERMUM SCOPARIUM		(NZ Manuaka) Hardy NZ native with clusters of white flowers during spring and summer. Ideal for banks or dryer conditions.	0018524152280	\$17.30
LEPTOSPERMUM SCOPARIUM BLOSSOM		An abundance of large coral pink flowers in spring. Green foliage bushy habit. Plant in well drained sunny position.	0018524152235	\$23.39
LEPTOSPERMUM SCOPARIUM BURGUNDY QUEEN		Bright red to rich burgundy flowers in spring. Red foliage bushy habit. Plant in well drained sunny position.	0018524152266	\$17.30
LEPTOSPERMUM SCOPARIUM ELECTRIC RED	6l	Vibrant red flowers smother bush winter/spring. Hardy to cold wind and coastal conditions. Attractive winter foliage. Full sun with well-drained soil. Protect from heavy frost. PVR	9419354060362	\$42.52
LEPTOSPERMUM SCOPARIUM JUBILEE		Pink flowers deepening to red in summer. Red foliage with open habit. Plant in well drained sunny position.	0018524152259	\$16.43
