NZ native				
ACAENA CAESIIGLAUCA	1.5L	Intense blue-grey leaves which darken in winter. Spreading plant suitable for sun or part shade and dry soil conditions. Trim seed heads before mature to keep foliage fresh..	0018524143974	\$21.90
ACAENA INERMIS PURPUREA	1.5L	Quick growing groundcover with ferny foliage in beautiful shades of purple to bronze. Red seed heads produced in summer. Prefers sunny, well drained position	0018524143981	\$20.90
ACAENA MICROPHYLLA	1.5L	(NZ native groundcover) Native to coastal otago and southland. A prostrate evergreen with pinnate leaves tinged bronze when young. Small white flowerheads, on short stems, are followed by attractive reddish biddy bids.	0018524242721	\$20.90
ACIPHYLLA AUREA	1.5L	(Golden Spaniard) Stiff pungent leaves with large golden flower heads up to 75 cm long appearing in summer. Open sunny position required. Very hardy.	0018524151603	\$24.90
AGATHIS AUSTRALIS	2.5L	(Kauri) During early years kauri trees have upright habit of growth and distinctive bronze foliage, which turns green as tree matures. Requires shelter and protection from frost and drought.	0018524172486	\$49.90
ALECTRYON EXCELSUS	3.3	(Titoki / NZ Oak) Fine spreading tree with large shiny leaves. Sprays of rusty flowers in early summer are followed by scarlet fleshy berries. Good specimen tree in well drained soil. Protect from frost.	0018524214995	\$26.90
ANAPHALIOIDES BELLIDIODES	1.5L	Perennial with 'everlasting' flowers of silvery white. Leaves are silvery-grey and woolly. Summer flowering. Requires moisture and either sun or part shade.	0018524233132	\$20.90
ANEMANTHELE LESSONIANA	2L	(Gossamer grass) syn. Oryzopsis rigida. Graceful forest grass with reddish brown tonings. Flowers in summer. Hardy.	0018524232616	\$22.90
APODASMIA SIMILIS	1.5L	(Oi Oi) A NZ native reed with fine grey-green leaves with brownish bracts at joins. Forms a dense erect clump. Found in coastal marchlands and estuaries.	0018524164122	\$20.90
ARISTOTELIA SERRATA	5	(Makomko, Wineberry) A handsome NZ native, deeply serrated green leaves with purple margins. Fast growing, shelter or background planting.	0018524155939	\$24.90
	25L		0018524217149	\$199.90
ARTHROPODIUM CIRRHATUM GOLDEN FOUNTAIN	1.5L	A stunning new form of Renga Renga lily with elegant cream and green varigated leaves. Makes a statement in a pot or shady walkway. Stems of white flowers in spring. Protect from direct sun and heavy frost. PVR	0018524152143	\$34.90
ARTHROPODIUM CIRRHATUM	2.5L	(Reinga Reinga Lily) Starry white flowers on long panicles. Good cut bloom. Good coastal plant and will grow in semi-shade. Grows well under trees in semi shade. Needs protection from frost.	0018524240673	\$24.90
ARTHROPODIUM CIRRHATUM MATAPOURI BAY	2.5L	(Reinga Reinga lily) Attractive form with larger flower heads and broader leaves that have a distinct bluish hue. Hardy plant which tolerates coastal conditions. Prefers some shade.	0018524214681	\$24.90
ARTHROPODIUM CIRRHATUM TE PUNA	2.5L	Selection which is smaller growing and daintier. Has narrow leaves with white flowers spread along the stem. Good for shaded corner or in sun. Remove spent flower stems. Protect from heavy frost and snails.	0018524235105	\$28.90

Plant Variety	Container	Narrative	Barcode	Price
NZ native (continued)				
ASPLENIUM BULBIFERUM	10CM	(Hen and Chicken Fern) A beautiful NZ native fern with long recurving fronds. Easy to grow and looks best in a mass planting beneath trees.	0018524221207	\$24.90
	2L		0018524263115	\$25.90
	12CM		0018524006934	\$26.90
	4L		0018524157643	\$37.90
			0018524179867	\$63.90
ASTELIA BANKSII	2.5L	Curving silvery-green,linear leaves to 1.5mx4.5cm,covered with peeling scales above, white felted beneath and recurved margins. Pannicles of fragrant,pale green flowers tinted ivory.	0018524138673	\$27.90
ASTELIA CHATHAMICA SILVER SPEAR	2.5L	Large Chatham Island species. Silver-green leaves with a metallic sheen. Spring flowers are white and fragrant and are followed by orange berries. Will grow to large plant with great architectural merit.	0018524151719	\$28.90
ASTELIA NERVOSA	2L	Flax-like plant with attractive foliage used in floral work. Sweet scented long stem of flowers occur in Oct - Jan and orange fruit takes one year to ripen. Hardy.	0018524124768	\$28.90
ASTELIA NERVOSA ALPINE RUBY	2L	A colourful foliage plant with long arching ruby red leaves and silvery reverse. Forms a low compact clump. Plant in sun or partial shade. Good drainage is essential. Hardy. PVR	0018524154994	\$28.90
ASTELIA NERVOSA WESTLAND	2L	(NZ Native Plant) Dense clump-forming perennial with attractive grey-purple flax-like foliage. Requires open, well-drained site. Good in containers. Hardy.	0018524128032	\$28.90
ASTELIA NIVICOLA	2L	A small flax-like plant, extremely hardy in most conditions. Ideal for rock garden. Variation in leaf colour from bronze to silvery green. Easily grown in sun or shade, tolerate dry soils.	0018524154970	\$28.90
ASTELIA RED REBEL	2L	Attractive NZ native plant with reddish bronze leaves which turn rich claret red in winter. Suitable for rockeries, containers or mass plantings. Grows best in sunny well drained position.	0018524120135	\$28.90
AUSTRODERIA FULVIDA	2.5L	syn. Cortederia (North Island Toetoe) Large growing tussock with wider leaves than richardii. Pale green foliage in summer, topped by golden brown plumes.Very hardy.	0018524000727	\$24.90
AUSTRODERIA RICHARDII	5	(South Island Toe Toe) SYN Cortaderia richardii) Hardy grass with graceful cream coloured plumes from mid December to January. Suits most soil types, full sun.	0018524205924	\$24.90
AZORELLA TRIFURCATA	1.5L	Low growing carpeting perennial. Small clusters of yellow flowers in summer. Suits a well drained sunny spot in a rockery. Hardy evergreen.	0018524143998	\$20.90
BLECHNUM BANKSII	10CM	(Banks Hard Fern) Tufts of dark glossy, green fronds ,paler beneath. Fertile fronds usually shorter than sterile ones which are dark brown and often partially erect.Suitable for coastal banks or rocks and often found within reach of salt splash.	0018524263122	\$19.90
BLECHNUM DISCOLOR	1.3l	(Piupiu, Crown Fern) Forms crowns of semi-upright fronds on short trunks. Likes a cool shaded spot. Plant several together for a bold effect. Hardy.	0018524221283	\$24.90
	2L		0018524241557	\$26.90
BLECHNUM NOVAE-ZELANDIAE		Attractive clumping fern with cascading fronds which grow up to 3m long and 30cm wide. Will tolerate shade or open areas. Hardy.	0018524204521	\$29.90
BLECHNUM PROCERUM	10CM	(Small Kiokio) Bushy clump forming fern that spreads slowly by underground rhizomes. Cold hardy , tolerant of sun if given enough moisture . Also tolerates dry shade. Great groundcover fern for landscaping.	0018524179836	\$25.90

Plant Variety	Container	Narrative	Barcode	Price
NZ native (continued)				
BRACHYGLOTTIS COMPACTA	5	Syn. Senecio compactus. Compact small shrub with grey-green leaves, densely felted beneath with pure white hair. Yellow flowers in summer. Very hardy and suitable for coastal planting.	0018524251921	\$24.90
BRACHYGLOTTIS DUNEDIN HYBRID	5	Large grey-green leaves with yellow daisy like flowers in summer. Prefers well-drained soil.	0018524000840	\$24.90
BRACHYGLOTTIS GREYII	5	Yellow daisy-like flowers from early to mid summer. Attractive grey foliage. A tough adaptable native with spreading habit ideal for coastal areas. Trim back after flowering.	0018524204088	\$24.90
BRACHYGLOTTIS MONROI	5	NZ native of compact spreading growth with grey felted leaves. Yellow daisy flowers. Good for exposed coastal conditions.	0018524161411	\$25.90
CAREX BUCHANANII	2.5L	Erect robust species with reddish-brown foliage. Very hardy. Full sun for best colour.	0018524203487	\$24.90
CAREX COMANS	1L	Longwood Tussock. Dense tufts of pale green/yellow thread-like foliage with a weeping habit. Hardy to most conditions.	0018524235754	\$14.90
CAREX COMANS BRONZE	2.5L	Red brown tussock with fine shiny leaves. Effective planting in groups where a tough plant is needed. Tolerates damp and salty conditions.	0018524197373	\$23.90
CAREX COMANS FROSTED CURLS	2.5L	Delightful landscaping plant. Very hardy. Trim occasionally to bring away new silver growth. A real gem for rock & pebble garden.	0018524134026	\$23.90
CAREX CONICA SNOWLINE	1.5L	Attractive compact grass with fine white variegation on outer leaf. Keep on dry side especially in winter. Excellent tub plant.	0018524145824	\$21.90
CAREX DISPACEA	2.5L	A densely tufted grass of light green colouring, ideal for planting amongst contrasting coloured grasses. Suitable for damp conditions.	0018524216418	\$25.90
CAREX MORROWII VARIEGATA	2L	Attractive grass with variegated margins. Ideal for a dry site or in tubs and containers.	0018524145848	\$23.90
CAREX OSHIMENSIS EVERGOLD	1.5L	Sedge with tapering leaves richly variegated green with bright creamy yellow band. Gracefully arching and spreading out at ground level. Prefers some shade. Prune regularly.	0018524145862	\$21.90
CAREX SECTA	5	(Purei) Large sedge forming huge broad pillars. Sharp, cutting margins on green leaves. Suits a damp, swampy area.	0018524121897	\$24.90
CAREX TESTACEA	2L	A densely tufted plant with arching, rather wide spreading foliage. Colour varies from light brownish green to golden brown. Very hardy.	0018524232623	\$24.90
	2.5L		0018524216074	\$24.90
CAREX TRIFIDA	5	(Chatham Island Sedge) Hardy plant with interesting blue-green foliage and conspicuous large flower spikes.	0018524145787	\$24.90
CAREX UNCINATA	2L	(NZ native hook grass) A bright green, arching leaves, found naturally from the coast to 1000m. Spikes of hook like seeds. Hardy	0018524226455	\$23.90
CARMICHAELIA GRANDIFLORA	5	(NZ native flowering broom) Much branched shrub with numerous small leaves. Produces fragrant white or purplish, veined violet flowers in summer. Hardy. Prefers good soil with ample moisture. Tolerates drought when established.	0018524198097	\$25.90
CARMICHAELIA ODORATA	5	A spreading much branched shrub, will grow in very hard conditions. Small scented mauve flowers are formed along the branches during summer.	0018524156059	\$25.90
CARPODETUS SERRATUS	5	(Putaputawheta or Marble Leaf) Pale greyish white bark. Dark green leaves with light marbling on surface. Juvenile plant has small leaves. Masses of small white flowers cover tree. Very hardy and reasonably quick growing.	0018524140973	\$24.90
	12		0018524217316	\$58.90
	25L		0018524236171	\$269.00

Plant Variety	Container	Narrative	Barcode	Price
NZ native (continued)				
CHIONOCHLOA CONSPICUA	1.5L	Large tussock found throughout NZ Flower panicles from Nov - January. Very hardy.	0018524239431	\$21.90
CHIONOCHLOA RIGIDA	5	Snow tussock -Tall and stout tussock, usually tawny green or golden colour. Flowering stems up to 1.5 long. Very hardy and tolerant of dry conditions when established.	0018524123389	\$24.90
CHIONOCHLOA RUBRA	5	(Red Tussock) A graceful tussock from Fiordland. Suitable for windy sites. Prefers open and moist soil conditions. Very hardy.	0018524120296	\$24.90
CLEMATIS AFOLIATA	2.5L	Leafless clematis forms mounds of sprawling rush like stems with sweet-smelling flowers in spring. Tolerant of dry soils. Grow over a fence, wall or though native shrubs for best flower display.	0018524196413	\$34.90
CLIANTHUS MAXIMUS	5	NZ native Red kaka beak with wonderful pendulous large red flowers in spring and summer. Larger , more shiny leaves than puniceus.Plant in sunny, well-drained site.Prune after flowering.	0018524178259	\$26.90
CLIANTHUS PUNICEUS ALBUS	5	(White Kaka Beak) A vigorous semi-evergreen medium sized shrub with curious white claw shaped flowers in spring. Prune after flowering.	0018524128681	\$26.90
CLIANTHUS PUNICEUS FLAMINGO	5	(Pink Kaka Beak)Fast growing, mainly evergreen native shrub with pink pea-shaped flowers. Suits a well-drained site in full sun protected from heavy frosts. Prune after flowering.	0018524128698	\$26.90
COPROSMA ACEROSA	5	(Sand Coprosma) Low growing shrub with flexible orange brown branches. An excellent plant for coastal areas and hot dry conditions.	0018524188708	\$23.90
COPROSMA ACEROSA DUNSTAN BLUE	5	Attractive evergreen shrub with unique blue-green foliage that intensifies in colour during the colder months. Spreading shrub with tangled brown branches and produces blue fruit attractive to birds	0018524218054	\$24.90
COPROSMA ACEROSA HAWERA	5	Unusual picturesque ground cover with bright lime green leaves. Very hardy.	0018524188715	\$24.90
COPROSMA ACEROSA RED ROCKS	5	Excellent rugged shrub which forms a tight tangled mound of dark reddish brown. Good for sunny situations. Will withstand salty winds and moderate frosts.	0018524154130	\$24.90
COPROSMA BEATSON'S GOLD	5	NZ native shrub with arching branches. Spreading habit with yellow leaves edged green.	0018524167727	\$24.90
COPROSMA BLACK CLOUD	5	Attractive shrub with stunning ebony black foliage all year round.Compact habit. Will grow in full sun or shade.Hardy.	0018524154147	\$24.90
COPROSMA CRASSIFOLIA	5	A stiffly branched tight shrub with small round dark green leaves. Versatile growing in coastal and inland positions. Prefers dry conditions and full sun.	0018524209748	\$24.90
COPROSMA FLAT FREDDY	1.3l 5	(brunnea x kirkii hybrid) Ideal low growing groundcover plant, that prefers well drained sunny site. Hardy to frost and wind.	0018524248167 0018524189033	\$16.90 \$24.90
COPROSMA MANGATANGI	2L 5 5L	Delightful divaricating ground cover native with colourful foliage. Slow growing with best colour when planted in full sun. Hardy.	0018524250177 0018524154086 0018524250221	\$24.90 \$25.90 \$43.90
COPROSMA PARVIFLORA	5	Small flowered coprosma. Branchlets in one plane, dark purple or white drupes. Suitable for all sites, prefers open sunny position.	0018524223614	\$24.90
COPROSMA PROPINQUA	5	Very hardy shrub with small leaves usually in clusters. Grows in heavy wet soil. Blue drupes in summer.	0018524154048	\$24.90
COPROSMA RUGOSA CLEARWATER GOLD	5	Rugosa type. Twiggy growth with an orange/gold effect. Great for coastal planting. Very Hardy.	0018524189996	\$24.90

Plant Variety	Container	Narrative	Barcode	Price
NZ native (continued)				
COPROSMA RUGOSA LOBSTER	5	Distinctive orange-red new growth which becomes brighter in winter.Low maintenance plant that suits most soil types, in full sun or part shade. A good choice for coastal planting.Very hardy.	0018524151726	\$24.90
COPROSMA TAIKO	5	Cushion mound of intertwining branchlets coloured dark green. Vigorous groundcover.Tolerant of poor dry sandy conditons.Very hardy.	0018524169912	\$24.90
COPROSMA VIRESCENS	5	Loosely divaricating tall shrub with slender weeping branchlets.Small leaves are light green and oval.Pale yellow drupes ripen in autumn.Very hardy.Can be trimmed and grown in garden or in container.	0018524154055	\$24.90
	25L		0018524140270	\$269.90
COPROSMA WHARARIKI BEACH	2.5L	Low growing dense ground cover.Small rich green leaves. Prefers full sun and well drained position.	0018524006996	\$24.90
COPROSMA X KIRKII	5	A hardy prostrate NZ native with small green leaves and golden stems. A vigorous ground cover ideal for a sunny well, drained banks. Hardy	0018524144001	\$24.90
CORDYLINE AUSTRALIS	5	(NZ cabbage tree) Multi-trunked with tufts of green foliage and sweetly-scented flowers. Fruit attracts birds from January-April. Produces nectar for bees from November. Evergreen. Hardy.	0018524191265	\$26.90
	12		0018524154024	\$59.90
	35L		0018524141390	\$309.90
CORDYLINE AUSTRALIS BLACK KNIGHT	45L1	Handsome and exotic looking plant with striking heads of broad arching dark foliage .Vigorous upright habit.Best in full sun. Hardy to most soil types. Suitable for large container.	0018524225755	\$269.90
CORDYLINE AUSTRALIS KARO KIRI		A dwarf cabbage tree ideal for a tub of a container. Excellent indoors or outside. Easy to care for. Water regularly.	0018524210935	\$32.90
CORDYLINE AUSTRALIS RED STAR	T	Wonderful new selection bred from Cordyline australis. Deep velvet red foliage.Hardy .Prefers full sun but tolerates shady positions.Suitable for garden or in a container.	0018524156271	\$94.90
	25L		0018524140300	\$269.90
CORDYLINE AUSTRALIS TORBAY DAZZLER	12	A stunning foliage plant, bearing spiky, variegated leaves with bold cream stripes and margins. Looks great in a large container. Prefers full sun well drained soil. Protect from hard frost	0018524203494	\$58.90
CORDYLINE BANKSII RED FOUNTAIN	3.3	Lovely brilliant fine red foliage, flax-like in shape. After two to three years it produces cabbage tree flowers which are creamy-white and fragrant.	0018524154239	\$34.90
			0018524152617	\$42.90
COROKIA BRONZE KING	5	Small bronze and green leaves turning a deep bronze in winter. Very twiggy branches and starry yellow flowers . Excellent for coastal planting and hedging.	0018524155557	\$24.90
	12		0018524223737	\$59.90
COROKIA COTONEASTER	5	A rigid densely branched shrub. Bright yellow flowers followed by yellow orange or red berries in autumn. Hardy. Prefers some sun.	0018524143462	\$24.90
COROKIA COTONEASTER GEENTYS GHOST	5	Selected for its classic silver grey foliage. Extremely tolerant of dry and exposed conditions including salt winds. Can be trimmed as topiary or hedge.	0018524120333	\$25.90
COROKIA COTONEASTER HYBRID	5	A rigid densely branched shrub. Bright yellow flowers followed by yellow orange or red berries in autumn. Hardy. Prefers some sun.	0018524203661	\$24.90
COROKIA COTONEASTER LITTLE PRINCE	5	Compact twiggy dwarf shrub with bronzy purple foliage. Very hardy. Can be trimmed into hedge.	0018524155496	\$25.90
COROKIA COTONEASTER PARITUTU	5	Hardy native shrub with grey/green leaves and small starry yellow flowers. Prefers full sun-part shade and is tolerant of strong winds and dry soil once established. Trim to ensure dense growth. Produces yellow/orange berries which attract birds.	0018524223775	\$24.90

Plant Variety	Container	Narrative	Barcode	Price
NZ native (continued)				
COROKIA COTONEASTER PROSTRATA	5	A rigid densely prostrate form of corokia .Small yellow flowers followed by yellow orange or red berries in autumn. Hardy. Prefers some sun and well drained position.	0018524120319	\$25.90
COROKIA PIPSQUEAK		Bushy shrub with small green leaves. Produces small starry yellow flowers in summer followed by yellow berries.Full sun or part shade and tolerant of wind, coastal conditions and dry once established. Makes great small hedge.	0018524155526	\$22.90
COROKIA X VIRGATA GEENTYS GREEN	5 15l	Compact, upright plant with large glaucous green, oval leaves. Very hardy to poor soils and wind. Suitable for hedging.	0018524180436 0018524165648	\$25.90 \$169.90
COROKIA X VIRGATA BRONZE KNIGHT	5	Upright growing native with dark bronze foliage and silvery underneath. Great for hedging. Wind resistant.	0018524128704	\$24.90
COROKIA X VIRGATA FROSTED CHOCOLATE	5	Very hardy shrub with bronze chocolate foliage and frosted reverse side of leaf. Orange-red berries in autumn.	0018524155533	\$24.90
COROKIA X VIRGATA RED WONDER	5 12	Extremely hardy coastal shrubs with dense twiggy branches and starry yellow flowers. Red berries.	0018524144179 0018524223706	\$24.90 \$59.90
COROKIA X VIRGATA YELLOW WONDER	5	Extremely hardy coastal shrub with dense twiggy branches with small soft green leaves. Yellow starry flowers followed by yellow berries. Ideal for hedging and topiaries.	0018524144162	\$24.90
CORYNOCARPUS LAEVIGATUS	25L	(Karaka) Excellent for coastal positions. Handsome upright tree with large polished leaves with orange fruits in autumn resembling a plum. Protect from heavy frosts.	0018524161923	\$189.90
CYATHEA DEALBATA	2.5L	(NZ SILVER FERN) Beautiful fern with silvery undersides. Protect from wind and heavy frost. Well drained situation required. Tall and slow-growing - suitable for small gardens. NZ national emblem	0018524221290	\$29.90
DACRYCARPUS DACRYDIOIDES	25L	(KAHIKATEA,WHITE PINE) Juvenile state persists for many years. When mature it is a fine specimen tree that has dark green leaves arranged around branchlets. Moist situation. Hardy.	0018524175821 0018524223638	\$27.90 \$229.90
DACRYDIUM CUPRESSINUM	5	(Rimu)A graceful native with conical shape and cascading branches of light green cordlike branchlets to ground level. Hardy to cold but needs some shelter from strong or salt winds.	0018524268004 0018524128711	\$26.90 \$28.90
DIANELLA NIGRA		Shiny, dark green upper leaf with slightly rough edges. Forms close growing clumps. Pretty star-shaped light blue flowers in spring followed by masses of shiny dark blue berries.	0018524009317	\$23.90
DICKSONIA FIBROSA	2.5L	(WHEKI / PONGA) NZ native tree fern which grows in both shade or open, exposed situations. Hardy and ideal for containers. Trunk produces up to 6m fronds.	0018524221306	\$29.90
DICKSONIA SQUARROSA	2.5L ST 8l 8 14L 8l 8l 25L	(WHEKI, PONGA) One of the most abundant NZ native tree ferns. Grows in any soil sun or shade. Protect from heavy frosts when young. Occasional grooming will maintain neatness.	0018524221313 0018524199971 0018524162814 0018524162869 0018524200202 0018524162821 0018524163088 0018524200226	\$29.90 \$159.90 \$189.90 \$189.90 \$269.90 \$269.90 \$269.90 \$329.90
DISCARIA TOUMATOU	5	Matagouri or Wild Irishman Very hardy plant found from coastal sand dunes to rocky subalpine regions throughout N Z.Tough wiry tree with small dark green leaves and long thorns.	0018524216944	\$24.90

Plant Variety	Container	Narrative	Barcode	Price
NZ native (continued)				
DISPHYMA AUSTRALE	9cm	(Horokaka.NZ native Ice Plant) Coastal plant suitable for dry banks .Makes attractive groundcover with flowers ranging from mauve pink to white from spring to autumn.Not suitable for inland areas.	0018524217941	\$14.90
	1.5L		0018524253659	\$19.90
DODONAEA VISCOSA	5	(Green Ake Ake) Quick growing NZ shrub for warm and coastal areas. Useful as hedge or shelter in coastal and windy situation. Requires good drainage. Ornamental seed capsules.	0018524155953	\$24.90
	12		0018524171113	\$58.90
DODONAEA VISCOSA PURPUREA	5	(Purple Ake Ake) A quick growing native shrub suitable for coastal areas. Leaves red in summer turning rich purple red in winter.Needs protection from heavy frost.	0018524120364	\$24.90
	12		0018524166515	\$58.90
DODONAEA VISCOSA VARIEGATA	5	(Variegated Ake Ake) Quick growing NZ shrub for warm and coastal areas, with elongated bright green leaves, with cream variegation. Useful as hedge or shelter in coastal and windy situation. Requires good drainage.	0018524223713	\$24.90
	12		0018524204644	\$59.90
DOODIA AUSTRALIS	1.5L	(Pukupuku) Syn. Doodia media Short creeping fern with pink new fronds in the sun. G Very hardy fern in sunny, dry conditions.	0018524204545	\$28.90
ELAEOCARPUS HOOKERIANUS		(POKAKA) Slow growing tree which passes through several juvenile stages before assuming adult habit. Requires rich deep soil which does not dry out. Sun or semi-shade. Hardy.	0018524156035	\$25.90
			0018524164085	\$58.90
FESTUCA NOVAE-ZELANDIAE	1.5L	A dense native tussock with very fine foliage, upright in the centre, fanning outwards around the edge. New leaves are grey-green. A tough plant that will tolerate poor, dry conditions.	0018524192194	\$21.90
FESTUCA OVINA GLAUCA		Characterised by its blue grey bristly hair-like leaves. Neat appearance. Prune after flowering or when plant becomes untidy, to 3cm above ground. Easily grown, hardy, except in soggy soils.	0018524197823	\$22.90
