Plant Variety	Container	Narrative	Barcode	Price
NZ native				
ACAENA CAESIIGLAUCA	1.5L	Intense blue-grey leaves which darken in winter. Spreading plant suitable for sun or part shade and dry soil conditions. Trim seed heads before mature to keep foliage fresh..	0018524143974	\$21.90
ACAENA INERMIS PURPUREA	1.5L	Quick growing groundcover with ferny foliage in beautiful shades of purple to bronze. Red seed heads produced in summer. Prefers sunny, well drained position	0018524143981	\$21.90
ACAENA MICROPHYLLA	1.5L	(NZ native groundcover) Native to coastal otago and southland. A prostrate evergreen with pinnate leaves tinged bronze when young. Small white flowerheads, on short stems, are followed by attractive reddish biddy bids.	0018524242721	\$20.90
ACAENA NOVAE ZELANDIAE	1.5L	(Red Bidiibid) A prostrate, evergreen groundcover with medium, rapid growth, flowering Nov-Apr, prefers damp, shady stream banks, full sun/part shade.	0018524268691	\$20.90
ACIPHYLLA AUREA	1.5L	(Golden Spaniard) Stiff pungent leaves with large golden flower heads up to 75 cm long appearing in summer. Open sunny position required. Very hardy.	0018524151603	\$24.90
AGATHIS AUSTRALIS	2.5L	(Kauri) During early years kauri trees have upright habit of growth and distinctive bronze foliage, which turns green as tree matures. Requires shelter and protection from frost and drought.	0018524172486	\$49.90
ANAPHALIOIDES BELLIDIODES	1.5L	Perennial with 'everlasting' flowers of silvery white. Leaves are silvery-grey and woolly. Summer flowering. Requires moisture and either sun or part shade.	0018524233132	\$21.90
ANEMANTHELE LESSONIANA	2L 2.5L	(Gossamer grass) syn. Oryzopsis rigida. Graceful forest grass with reddish brown tonings. Flowers in summer. Hardy.	0018524232616 0018524216135	\$22.90 \$23.90
ARISTOTELIA SERRATA	5	(Makomko, Wineberry) A handsome NZ native, deeply serrated green leaves with purple margins. Fast growing, shelter or background planting.	0018524155939	\$24.90
ARTHROPODIUM CIRRATUM GOLDEN FOUNTAIN	1.5L	A stunning new form of Renga Renga lily with elegant cream and green varigated leaves. Makes a statement in a pot or shady walkway. Stems of white flowers in spring. Protect from direct sun and heavy frost. PVR	0018524152143	\$34.90
ARTHROPODIUM CIRRATUM	2.5L	(Reinga Reinga Lily) Starry white flowers on long panicles. Good cut bloom. Good coastal plant and will grow in semi-shade. Grows well under trees in semi shade. Needs protection from frost.	0018524240673	\$24.90
ARTHROPODIUM CIRRATUM TE PUNA	2.5L	Selection which is smaller growing and daintier. Has narrow leaves with white flowers spread along the stem. Good for shaded corner or in sun. Remove spent flower stems. Protect from heavy frost and snails.	0018524235105	\$24.90
ASPLENIUM BULBIFERUM 4L		(Hen and Chicken Fern) A beautiful NZ native fern with long recurving fronds. Easy to grow and looks best in a mass planting beneath trees.	0018524221207 0018524179867	\$24.90 \$63.90

Plant Variety	Container	Narrative	Barcode	Price
NZ native (continued)				
ASPLENIUM OBLONGIFOLIUM	10CM	NZ native shiningb speenwort. Fronds, 20-120cm long, are dark shiny green and arching. Prefers dry, shady situation, and resents excessive moisture. Protect from slugs and snails.	0018524179829	\$25.90
ASTELIA CHATHAMICA SILVER SPEAR	2.5L	Large Chatham Island species. Silver-green leaves with a metallic sheen. Spring flowers are white and fragrant and are followed by orange berries. Will grow to large plant with great architectural merit.	0018524151719	\$28.90
ASTELIA NERVOSA	2L	Flax-like plant with attractive foliage used in floral work. Sweet scented long stem of flowers occur in Oct - Jan and orange fruit takes one year to ripen. Hardy.	0018524124768	\$28.90
ASTELIA NERVOSA ALPINE RUBY	2L	A colourful foliage plant with long arching ruby red leaves and silvery reverse. Forms a low compact clump. Plant in sun or partial shade. Good drainage is essential. Hardy. PVR	0018524154994	\$28.90
ASTELIA NERVOSA WESTLAND	2L	(NZ Native Plant) Dense clump-forming perennial with attractive grey-purple flax-like foliage. Requires open, well-drained site. Good in containers. Hardy.	0018524128032	\$28.90
ASTELIA NIVICOLA	2L	A small flax-like plant, extremely hardy in most conditions. Ideal for rock garden. Variation in leaf colour from bronze to silvery green. Easily grown in sun or shade, tolerate dry soils.	0018524154970	\$28.90
ASTELIA RED REBEL	2L	Attractive NZ native plant with reddish bronze leaves which turn rich claret red in winter. Suitable for rockeries, containers or mass plantings. Grows best in sunny well drained position.	0018524120135	\$28.90
AUSTRODERIA FULVIDA	2.5L	syn. Cortaderia (North Island Toetoe) Large growing tussock with wider leaves than richardii. Pale green foliage in summer, topped by golden brown plumes. Very hardy.	0018524000727	\$24.90
AUSTRODERIA RICHARDII	5 5	(South Island Toe Toe) SYN Cortaderia richardii) Hardy grass with graceful cream coloured plumes from mid December to January. Suits most soil types, full sun.	0018524120357 0018524205924	\$23.90 \$24.90
BLECHNUM DISCOLOR	2L	(Piupiu, Crown Fern) Forms crowns of semi-upright fronds on short trunks. Likes a cool shaded spot. Plant several together for a bold effect. Hardy.	0018524241557	\$26.90
BLECHNUM NOVAE- ZELANDIAE		Attractive clumping fern with cascading fronds which grow up to 3m long and 30cm wide. Will tolerate shade or open areas. Hardy.	0018524204521	\$29.90
BLECHNUM PENNAMARINA	10CM 1.5L	Attractive creeping fern, easy to grown in open or semi-shaded positions with reasonable moisture. Ladder-like fronds. Hardy.	0018524157629 0018524238304	\$16.90 \$29.90
BRACHYLOTTIS COMPACTA	5	Syn. Senecio compactus. Compact small shrub with grey-green leaves, densely felted beneath with pure white hair. Yellow flowers in summer. Very hardy and suitable for coastal planting.	0018524251921	\$24.90
BRACHYLOTTIS GREYII	5	Yellow daisy-like flowers from early to mid summer. Attractive grey foliage. A tough adaptable native with spreading habit ideal for coastal areas. Trim back after flowering.	0018524204088	\$24.90
BRACHYLOTTIS SUNSHINE	5	Profuse bright yellow daisy-like flowers in summer. Silver-grey downy leaves with white reverse. Bushy habit.	0018524189941	\$24.90

Plant Variety	Container	Narrative	Barcode	Price
NZ native (continued)				
CAREX BUCHANANII	2.5L	Erect robust species with reddish-brown foliage. Very hardy. Full sun for best colour.	0018524203487	\$24.90
CAREX COMANS BRONZE	2.5L	Red brown tussock with fine shiny leaves. Effective planting in groups where a tough plant is needed. Tolerates damp and salty conditions.	0018524197373	\$23.90
CAREX COMANS FROSTED CURLS	2L	Delightful landscaping plant. Very hardy. Trim occasionally to bring away new silver growth. A real gem for rock & pebble garden.	0018524272599	\$22.90
CAREX DISPACEA	2.5L	A densely tufted grass of light green colouring, ideal for planting amongst contrasting coloured grasses. Suitable for damp conditions.	0018524216418	\$25.90
CAREX GEMINATA	9cm	Carex geminata can form large colonies. Its green leaves can be up to 1.2m and have a sharp edge. It prefers swampy wet ground and semi shade.	0018524273275	\$12.90
CAREX MORROWII VARIEGATA	2L	Attractive grass with variegated margins. Ideal for a dry site or in tubs and containers.	0018524145848	\$23.90
CAREX OSHIMENSIS EVERGOLD	1.5L	Sedge with tapering leaves richly variegated green with bright creamy yellow band. Gracefully arching and spreading out at ground level. Prefers some shade. Prune regularly.	0018524145862	\$21.90
CAREX SECTA		(Purei) Large sedge forming huge broad pillars. Sharp, cutting margins on green leaves. Suits a damp, swampy area.	0018524273251	\$24.90
CAREX TESTACEA	2L	A densely tufted plant with arching, rather wide spreading foliage. Colour varies from light brownish green to golden brown. Very hardy.	0018524232623	\$24.90
CARMICHAELIA GRANDIFLORA	5	(NZ native flowering broom) Much branched shrub with numerous small leaves. Produces fragrant white or purplish, veined violet flowers in summer. Hardy. Prefers good soil with ample moisture. Tolerates drought when established.	0018524198097	\$25.90
CARMICHAELIA ODORATA	5	A spreading much branched shrub, will grow in very hard conditions. Small scented mauve flowers are formed along the branches during summer.	0018524156059	\$25.90
CARMICHAELIA PETRIEI	4L	South Island native broom found in the lowlands. A stout, stiffly erect shrub with yellow-green rounded compressed branchlets with sharp tips. Flowers are small and purple veined short racemes. The oblong seed pods are dark brown when ripe.	0018524265706	\$39.90
CARMICHAELIA WILLIAMSII	5	Rare NZ broom now under cultivation. It has flattened branches, attractive yellow pea-like flowers tinged with pink 25mm long.	0018524187060	\$24.90
CHIONOCHLOA CONSPICUA	1.5L	Large tussock found throughout NZ Flower panicles from Nov - January. Very hardy.	0018524239431	\$21.90
CHIONOCHLOA RUBRA	5	(Red Tussock) A graceful tussock from Fiordland. Suitable for windy sites. Prefers open and moist soil conditions. Very hardy.	0018524120296	\$25.90
CLEMATIS AFOLIATA	2.5L	Leafless clematis forms mounds of sprawling rush like stems with sweet-smelling flowers in spring. Tolerant of dry soils. Grow over a fence, wall or through native shrubs for best flower display.	0018524196413	\$34.90
CLIANTHUS MAXIMUS	5	NZ native Red kaka beak with wonderful pendulous large red flowers in spring and summer. Larger, more shiny leaves than puniceus. Plant in sunny, well-drained site. Prune after flowering.	0018524178259	\$26.90

Plant Variety	Container	Narrative	Barcode	Price
NZ native (continued)				
CLIANTHUS PUNICEUS ALBUS	5	(White Kaka Beak) A vigorous semi-evergreen medium sized shrub with curious white claw shaped flowers in spring. Prune after flowering.	0018524128681	\$26.90
CLIANTHUS PUNICEUS FLAMINGO	5	(Pink Kaka Beak)Fast growing, mainly evergreen native shrub with pink pea-shaped flowers. Suits a well-drained site in full sun protected from heavy frosts. Prune after flowering.	0018524128698	\$26.90
COPROSMA ACEROSA	5	(Sand Coprosma) Low growing shrub with flexible orange brown branches. An excellent plant for coastal areas and hot dry conditions.	0018524188708	\$24.90
COPROSMA ACEROSA HAWERA	5	Unusual picturesque ground cover with bright lime green leaves. Very hardy.	0018524188715	\$24.90
COPROSMA ACEROSA RED ROCKS	5	Excellent rugged shrub which forms a tight tangled mound of dark reddish brown. Good for sunny situations. Will withstand salty winds and moderate frosts.	0018524154130	\$24.90
COPROSMA BEATSON'S GOLD	5	NZ native shrub with arching branches. Spreading habit with yellow leaves edged green.	0018524167727	\$24.90
COPROSMA BLACK CLOUD	5	Attractive shrub with stunning ebony black foliage all year round.Compact habit. Will grow in full sun or shade.Hardy.	0018524154147	\$24.90
COPROSMA CAPPUCCINO	2.4	Rich chocolate brown Summer foliage becomes even darker in Winter Ideal in pots or for borders and hedges. Contrasts well with white or cream flowering plants.	0018524274463	\$28.90
COPROSMA CRASSIFOLIA	5	A stiffly branched tight shrub with small round dark green leaves. Versatile growing in coastal and inland positions. Prefers dry conditions and full sun.	0018524209748	\$24.90
COPROSMA MANGATANGI	2L	Delightful divaricating ground cover native with colourful foliage. Slow growing with best colour when planted in full sun. Hardy.	0018524250177	\$24.90
COPROSMA PROPINQUA	5	Very hardy shrub with small leaves usually in clusters. Grows in heavy wet soil. Blue drupes in summer.	0018524154048	\$24.90
COPROSMA RHAMNOIDES	5	A small, spreading variety with interlacing rust coloured branches. Small flowers appear in September/October followed by red drupes which turn deep red or black. Very hardy	0018524209755	\$24.90
COPROSMA RUGOSA	5	A compact, upright shrub. Attractive orange/chocolate brown interlaced foliage. Blue berries in autumn. Great for dry areas. Evergreen. Very hardy, found in subalpine areas.	0018524212786	\$24.90
COPROSMA RUGOSA CLEARWATER GOLD	5 4.7l	Rugosa type. Twiggy growth with an orange/gold effect. Great for coastal planting. Very Hardy.	0018524275934 0018524189996	\$26.90 \$36.90
COPROSMA RUGOSA LOBSTER	5 4.7l	Distinctive orange-red new growth which becomes brighter in winter.Low maintenance plant that suits most soil types, in full sun or part shade. A good choice for coastal planting.Very hardy.	0018524275941 0018524151726	\$26.90 \$36.90
COPROSMA TAIKO	5	Cushion mound of intertwining branchlets coloured dark green. Vigorous groundcover.Tolerant of poor dry sandy conditons.Very hardy.	0018524169912	\$24.90
COPROSMA VIRESCENS	5 25L	Loosely divaricating tall shrub with slender weeping branchlets.Small leaves are light green and oval.Pale yellow drupes ripen in autumn.Very hardy.Can be trimmed and grown in garden or in container.	0018524154055 0018524140270	\$24.90 \$269.90

Plant Variety	Container	Narrative	Barcode	Price
NZ native (continued)				
COPROSMA WHARARIKI BEACH	2.5L	Low growing dense ground cover. Small rich green leaves. Prefers full sun and well drained position.	0018524006996	\$24.90
COPROSMA X KIRKII	5	A hardy prostrate NZ native with small green leaves and golden stems. A vigorous ground cover ideal for a sunny well, drained banks. Hardy	0018524144001	\$24.90
CORDYLINE AUSTRALIS	5	(NZ cabbage tree) Multi-trunked with tufts of green foliage and sweetly-scented flowers. Fruit attracts birds from January-April. Produces nectar for bees from November. Evergreen. Hardy.	0018524191265	\$26.90
	6.5		0018524144025	\$26.90
	12		0018524154024	\$67.90
	35L		0018524141390	\$309.90
CORDYLINE AUSTRALIS BLACK KNIGHT	30l	Handsome and exotic looking plant with striking heads of broad arching dark foliage .Vigorous upright habit.Best in full sun. Hardy to most soil types. Suitable for large container.	0018524261227	\$249.90
	45L1		0018524225755	\$269.90
CORDYLINE AUSTRALIS BURGUNDY SPIRE	1.5L	Upright plant which has glossy deep burgundy, long narrow leaves. Provides strong architectural focus in garden. Suitable for container. Full sun or part shade. Very hardy. PVR	0018524198837	\$39.90
CORDYLINE AUSTRALIS RED STAR	T	Wonderful new selection bred from Cordyline australis. Deep velvet red foliage.Hardy .Prefers full sun but tolerates shady positions.Suitable for garden or in a container.	0018524156271	\$94.90
	25L		0018524140300	\$269.90
CORDYLINE AUSTRALIS TORBAY DAZZLER	12	A stunning foliage plant, bearing spiky, variegated leaves with bold cream stripes and margins. Looks great in a large container. Prefers full sun well drained soil. Protect from hard frost	0018524203494	\$58.90
CORDYLINE BANKSII RED FOUNTAIN	17cm	Lovely brilliant fine red foliage, flax-like in shape. After two to three years it produces cabbage tree flowers which are creamy-white and fragrant.	0018524271035	\$36.90
COROKIA BRONZE KING	5	Small bronze and green leaves turning a deep bronze in winter. Very twiggy branches and starry yellow flowers . Excellent for coastal planting and hedging.	0018524155557	\$25.90
COROKIA COTONEASTER	5	A rigid densely branched shrub. Bright yellow flowers followed by yellow orange or red berries in autumn. Hardy. Prefers some sun.	0018524143462	\$24.90
COROKIA COTONEASTER LITTLE PRINCE	5	Compact twiggy dwarf shrub with bronzy purple foliage. Very hardy. Can be trimmed into hedge.	0018524155496	\$25.90
COROKIA COTONEASTER PARITUTU	5	Hardy native shrub with grey/green leaves and small starry yellow flowers. Prefers full sun-part shade and is tolerant of strong winds and dry soil once established. Trim to ensure dense growth. Produces yellow/orange berries which attract birds.	0018524223775	\$24.90
	12		0018524265713	\$59.90
COROKIA COTONEASTER PROSTRATA	5	A rigid densely prostrate form of corokia .Small yellow flowers followed by yellow orange or red berries in autumn. Hardy. Prefers some sun and well drained position.	0018524120319	\$25.90
COROKIA PIPSQUEAK	12	Bushy shrub with small green leaves. Produces small starry yellow flowers in summer followed by yellow berries.Full sun or part shade and tolerant of wind, coastal conditions and dry once established. Makes great small hedge.	0018524265720	\$59.90
COROKIA X VIRGATA GEENTYS GREEN	5	Compact, upright plant with large glaucous green, oval leaves. Very hardy to poor soils and wind. Suitable for hedging.	0018524180436	\$25.90
	19cm		0018524269117	\$29.90
	20l		0018524165648	\$189.90

Plant Variety	Container	Narrative	Barcode	Price
NZ native (continued)				
COROKIA X VIRGATA	5	Upright growing native with dark bronze foliage and	0018524128704	\$24.90
BRONZE KNIGHT	12	silvery underneath. Great for hedging. Wind resistant.	0018524273282	\$67.90
COROKIA X VIRGATA	5	Very hardy shrub with bronze chocolate foliage and	0018524155533	\$24.90
FROSTED CHOCOLATE		frosted reverse side of leaf. Orange-red berries in autumn.		
COROKIA X VIRGATA	5	Extremely hardy coastal shrubs with dense twiggy	0018524144179	\$24.90
RED WONDER	12	branches and starry yellow flowers. Red berries.	0018524223706	\$67.90
COROKIA X VIRGATA	5	A medium shrub with green leaves margined gold.	0018524155519	\$24.90
SUNSPLASH		Compact. Full sun or part shade. Has small red berries that are attractive to birds.		
COROKIA X VIRGATA	5	Extremely hardy coastal shrub with dense twiggy	0018524144162	\$24.90
YELLOW WONDER		branches with small soft green leaves. Yellow starry flowers followed by yellow berries. Ideal for hedging and topiaries.		
CORYNOCARPUS	25L	(Karaka) Excellent for coastal positions. Handsome	0018524161923	\$189.90
LAEVIGATUS		upright tree with large polished leaves with orange fruits in autumn resembling a plum. Protect from heavy frosts.		
CRANFILLIA FLUVIATILIS	10CM	(Kiwakiwa) Formally Blechnum- Decorative and	0018524275101	\$27.90
		beautiful species with a low spreading habit. Erect rhizome. Easily grown in a moist and shady position.		
DACRYCARPUS	25L	(KAHIKATEA, WHITE PINE) Juvenile state persists for	0018524175821	\$27.90
DACRYDIOIDES		many years. When mature it is a fine specimen tree	0018524161480	\$61.90
		that has dark green leaves arranged around	0018524223638	\$229.90
		branchlets. Moist situation. Hardy.		
DACRYDIUM		(Rimu) A graceful native with conical shape and	0018524268004	\$39.90
CUPRESSINUM		cascading branches of light green cordlike branchlets to ground level. Hardy to cold but needs some shelter from strong or salt winds.		
DIANELLA NIGRA		Shiny, dark green upper leaf with slightly rough edges.	0018524009317	\$24.90
		Forms close growing clumps. Pretty star-shaped light blue flowers in spring followed by masses of shiny dark blue berries.		
DICKSONIA FIBROSA	2.5L	(WHEKI / PONGA) NZ native tree fern which grows in	0018524221306	\$29.90
		both shade or open, exposed situations. Hardy and ideal for containers. Trunk produces up to 6m fronds.		
DICKSONIA SQUARROSA	3.3	(WHEKI, PONGA) One of the most abundant NZ	0018524275866	\$39.90
	8l	native tree ferns. Grows in any soil sun or shade.	0018524209595	\$139.90
	8l	Protect from heavy frosts when young. Occasional	0018524162814	\$149.90
	14L	grooming will maintain neatness.	0018524200202	\$269.90
	8l		0018524162821	\$269.90
	8l		0018524163088	\$269.90
	25L		0018524200226	\$329.90
DISCARIA TOUMATOU	5	Matagouri or Wild Irishman Very hardy plant found	0018524216944	\$24.90
		from coastal sand dunes to rocky subalpine regions throughout N Z. Tough wiry tree with small dark green leaves and long thorns.		
DISPHYMA AUSTRALE	1.5L	(Horokaka. NZ native Ice Plant) Coastal plant suitable	0018524253659	\$21.90
		for dry banks. Makes attractive groundcover with flowers ranging from mauve pink to white from spring to autumn. Not suitable for inland areas.		
DODONAEA VISCOSA	5	(Green Ake Ake) Quick growing NZ shrub for warm	0018524155953	\$24.90
	12	and coastal areas. Useful as hedge or shelter in coastal and windy situation. Requires good drainage. Ornamental seed capsules.	0018524171113	\$67.90

Plant Variety	Container	Narrative	Barcode	Price
NZ native (continued)				
DODONAEA VISCOSA	5	(Purple Ake Ake) A quick growing native shrub	0018524120364	\$24.90
PURPUREA	12	suitable for coastal areas. Leaves red in summer	0018524166515	\$67.90
	25L	turning rich purple red in winter. Needs protection from heavy frost.	0018524174909	\$279.90
DODONEA VISCOSA	5	(Variegated Ake Ake) Quick growing NZ shrub for	0018524223713	\$24.90
VARIEGATA	12	warm and coastal areas, with elongated bright green leaves, with cream variegation. Useful as hedge or shelter in coastal and windy situation. Requires good drainage.	0018524204644	\$69.90
DOODIA AUSTRALIS	1.5L	(Pukupuku) Syn. Doodia media Short creeping fern with pink new fronds in the sun. G Very hardy fern in sunny, dry conditions.	0018524204545	\$28.90
ELAEOCARPUS HOOKERIANUS		(POKAKA) Slow growing tree which passes through several juvenile stages before assuming adult habit. Requires rich deep soil which does not dry out. Sun or semi-shade. Hardy.	0018524156035	\$25.90
ENTELEA ARBORESCENS	8l	(Whau) Distinctive, small, NZ native tree with large leaves and bristly seed capsules. White flowers abundant in early summer. Fast growing in good soil and rather sheltered position. Protect from frost.	0018524244497	\$39.90
EUPHORBIA GLAUCA	2.5L	Bluish-green leaves on erect stems, often the juvenile leaves and stems have a reddish tinge, flowers minute. Endangered NZ native.	0018524213165	\$24.90
FESTUCA GLAUCA	2L	A compact mounding clump of fine needle-like silver foliage. Short spikey seed heads appear mid-summer. Hardy and versatile.	0018524275217	\$24.90
FESTUCA NOVAE-ZELANDIAE	1L	A dense native tussock with very fine foliage, upright in the centre, fanning outwards around the edge. New leaves are grey-green. A tough plant that will tolerate poor, dry conditions.	0018524272674	\$13.90
FICINIA NODOSA	1.5L	Strong & dense rush-like plant with short creeping rhizome. Adaptable, grows in a variety of places. Will grow in dry sand dunes and in swamps, river and lake margins from sand to clay. It is abundant in coastal wetlands through out NZ	0018524164528	\$21.90
FUCHSIA EXCORTICATA	5	(NZ Tree Fuchsia) Hardy small tree with attractive papery bark hanging from trunk. Small pink and cream flowers. Good in damp shady positions.	0018524165990	\$24.90
FUCHSIA PROCUMBENS	2.5L	Much branched prostrate or trailing shrub. Tubular flowers are coloured yellow and purplish-green with red stamens. Large bright red to magenta berries follow. Protect from heavy frost.	0018524004572	\$24.90
FUCHSIA X COLENSOI	5	(NZ Native Plant) (excorticata X perscandens) An attractive shrub with rich plum-purple foliage. Prefers moist soils. Colour is best in full sun, however will handle shade. Hardy.	0018524218061	\$24.90
FUSCOCARPUS CLIFFORTIODES	5	Syn. Nothofagus NZ Mountain Beech) Elegant small dark green leaves. A large upright tree with elegant horizontal branches. Hardy to alpine areas.	0018524156110	\$29.90
	12		0018524143653	\$67.90
FUSCOPORA SOLANDRI	5	(NZ Black Beech) Tall, slender, very attractive tree with small dark green leaves with ascending fanlike dark branches. Hardy.	0018524151801	\$29.90
