Plant Variety	Narrative	Spec.
azalea		
AZALEA ALASKA	Semi-double white. Bushy growth. Prefers moist well drained acidic soil, enrich with peat or compost.	Evergreen
AZALEA ANNIVERSARY JOY	Indica Bright pink and white semi double flowers.Prefers moist well drained acid soil and semi shade.	Evergreen. Ht 80cm
AZALEA BRIDES BOUQUET	Early flowering with pure white double flowers. Plant in a sunny to shaded situation. Hardy.	Evergreen 75cm
AZALEA CHARLIE	Masses of hot pink double flowers from March to November. Prefers sun or part shade, moist well drained soil enriched with peat. Acid loving plant	Evergreen. Ht 60cm
AZALEA CHRISTMAS CHEER	(Kurume) Light carmine red semi-double flowers in spring. Prefers moist, acid soil and semi shade. Prune after flowering	Evergreen Ht 40cm
AZALEA FIRE TOWER	A compact bush with bright green leaves and fiery orange single flowers in spring.	Evergreen 60cm
AZALEA GUANDA RED	Compact & easy to grow. Very large soft red double flowers in profusion from March to November. Moist semi shaded position in acid soil. Mulch well.Prune after flowering.Great in containers.	Evergreen. Ht 70cm
AZALEA LUCI	Small growing evergreen azalea with attractive double soft-pink flowers in spring. Often flowers again in the autumn. Prefers rich acidic soils.	Evergreen. Ht 40cm
AZALEA MELFORD FLAME	Large and fiery bronze red with an orange flare and frilled margins flowers.	Deciduous Ht. 2m
AZALEA MOLLIE	Deep orange red flowers on a dense bushy plant. Flowers mid-season. Hardy. Prefers acid soil.	Deciduous. Ht. 1.5m
AZALEA MOLLIS DOROTHY CORSTON	Clusters of funnel-shaped fragrant orange-red flowers in spring Prefers sun or part shade with moist, acidic soils.	Decduous Ht 1 - 2m
AZALEA MOLLIS MELFORD LEMON	Upright decidious shrub, displaying Lemon & saffron yellow flowers with an apricot flare. Prefers acid soil conditions.	Deciduous H 1.5m
AZALEA MRS KINT RED	Single rich orange/red flowers with white margins in abundance in late spring. Small leaves on compact plant. Prefers acid,free draining soil. Hardy.	Evergreen Ht 40cm
AZALEA MRS KINT WHITE	Single white flowers on dainty dark green foliage in Spring. Prefers light shade and rich well drained soil.	Evergreen Ht 50cm
AZALEA NINO	Lovely medium sized double red flowers during autumn and spring. Prefers part shade and well drained soil.	Evergreen Ht. 60cm
AZALEA OCCIDENTALIS DELICATISSIMA	Flowers pale pink with a deep pink edge and a lovely fragrance. Shelter from hot dry winds. Prefers moist well drained average soils. Hardy.	Deciduous. Ht 2m
AZALEA PAUL SCHAME	Large double salmon. Prefers moist well drained soil enriched with peat or compost. NO LIME.	Evergreen
AZALEA PAX WHITE	Pure white frilled flowers. Winter and spring. Best in semi-shade . Water and mulch in summer.Prefers moist, sun or semi shaded position with acidic soil. Mulch well. Prune after flowering. Ideal for containers	Evergreen Ht. 60cm
AZALEA PURPLE GLITTERS	Medium sized single purple flowers. Long flowering. Prefers moist, sun or semi shaded position with acidic soil. Mulch well. Prune after flowering.	Evergreen Ht 75cm

Plant Variety	Narrative	Spec.
azalea (continued)		
AZALEA RIPPLES	Small evergreen shrub with masses of flowers during spring and into Autumn. Rose pink, frilled double. Likes a cool moist position in lime free soil. Suitable for tub plant.	Evergreen. Ht. 60cm
AZALEA SILVER ANNIVERSARY	Free flowering soft silvery-pink with frilled flowers. Prefers semi shade and well drained soil. No lime	Evergreen. Ht. 60cm
AZALEA SOFTLIGHTS	Large soft creamy pastel pink flowers in mid November. Shelter form wind. Prefer sun or part shade and acidic soils. PVR.	Deciduous. Ht. 1.5m
AZALEA VIOLACEA MULTIFLORA	Double frilled deep magenta. Prefers moist well drained soil, enriched with peat or compost. NO LIME.	Evergreen
AZALEA WRYNECK	(Knaphill Hybrid) Flowers open yellow at first but soon become cream and then almost white. Prefers sun or part shade with acidic well drained soil and protection from wind.	Deciduous. Ht 2m

Camellia

CAMELLIA ANTICIPATION	(Hybrid) Good reliable variety with large paeony form, deep rose pink. Free flowering with erect columnar habit.	Evergreen Ht.2m
CAMELLIA BARBARA CLARK	Vigorous evergreen upright bush. Flowers semi-double bright pink. No lime.	Evergreen. Ht 2.5m
CAMELLIA BLACK LACE	(Hybrid) Dark velvet red, medium-sized, double rose form with incurved petals. Flowers mid to late season. Compact, upright growth.	Evergreen. Ht 2m
CAMELLIA BOB HOPE	Large, black red, semi double flowers with irregular petals. Slow compact growth habit. Mid season.	Evergreen Ht 2m
CAMELLIA BRUSHFIELDS YELLOW	Pale primrose yellow, medium size anemone form. Flowers mid season. Prefers part shade.	Evergreen. Ht 1.5m
CAMELLIA CURLY LADY	A new cultivar with spiral twisting branches. Has large semi-double rich red flowers in Spring. Prefers well-drained soils in sun or semi-shade.	Evergreen Ht. 3m x 1.5m
CAMELLIA DEBBIE	(saluensis x Debutante Hybrid) Early-mid season. Bright pink to deep cyclamen, informal double. A prolific flowerer over a long period. The flowers hold well on the plant. Upright habit.	Evergreen Ht 2.5m
CAMELLIA DONATION	(Hybrid) An outstanding shrub with large semi-double orchid pink flowers produced in profusion in spring. Vigorous grower and free flowering.	Evergreen. Ht 2.5m
CAMELLIA DR CLIFFORD PARKS	(Reticulata) Scarlet with orange cast. Very large, semi-double to loose peony form. Mid season.	Evergreen. Ht 3m
CAMELLIA DREAM BOAT	(Hybrid) Large bright pink with lavender cast, formal double with incurved leaves. Mid season, vigorous grower.	Ht 2.5m Evergreen.
CAMELLIA EARLY PEARLY (SASANQUA)	White double flowers with blush outer edge on petals. Early flowering in late autumn-winter. Upright vigorous grower. Suitable for hedge ,espalier or container. Prune after flowering.	Evergreen. Ht 2.5m
CAMELLIA FAIRY BLUSH	(Jury's fragrant introduction) Small pink flowers with yellow stamens are produced throughout the season. Fragrant. Slightly pendulous habit.	Evergreen. Ht 1.5-2m
CAMELLIA FUJI NO YUKI	Sasanqua hybrid. Early-mid season. Medium white informal double flowers, with a strong dense upright habit. Excellent hedging or espalier	Evergreen Ht. 2m
CAMELLIA LES JURY	(Hybrid) Large, formal, double peony form of deep rich cherry red. Vigorous, upright habit. (Named in memory of the late Les Jury.	Evergreen. Ht 2m
CAMELLIA LOVELY LADY	Reticulata. Mid season. Large pink formal double flowers. Compact slender habit Hardy.	Evergreen Ht. 3m

Plant Variety	Narrative	Spec.
Camellia (continued)		
CAMELLIA MANSIZE	(Japonica) Pure white, miniature, anemone form. Mid season. Open, upright grower.	Evergreen. Ht 2m
CAMELLIA MAROON AND GOLD	(Japonica) Blackish-red buds opening to glowing crimson with bright golden stamens. Medium peony form. Mid to late season. Vigorous.	Evergreen. Ht.2.5m
CAMELLIA MINE-NO-YUKI	(Sasanqua)(Meaning Snow on the ridge) White informal double. The best known white sasanqua. Strong, upright bushy habit. Tolerant of full sun.	Evergreen Ht. 1.5m
CAMELLIA NICKY CRISP	(Hybrid) An outstanding early to late season flowering camellia. Small, semi-double, lavender pink flowers on a dense bushy plant.	Evergreen. Ht 1.5m
CAMELLIA PARADISE REBECCA	(Sasanqua) An upright Camellia with double, deep pink outer petal, surrounding a lighter pink centre. Flowers late Autumn into Winter. Prefers sun/part shade.	Evergreen Ht 2.5m
CAMELLIA QUINTESSENCE	Low growing variety with pendulous habit. Pink buds open to single white flowers, flushed pink in late winter-spring. Light fragrance. Suitable for pots, hanging basket or for underplanting in garden. Hardy.	Evergreen Ht. 1m X 1 m
CAMELLIA RAINBOW	Sasanqua. Early season. Medium white single flowers with a wide red border. Strong dense upright habit, making an excellent hedge. Sun tolerant, early flowering. Fragrant. Nice dwarf spreading habit.	Evergreen Ht.3m
CAMELLIA ROGER HALL	(Japonica) Bright red, small to medium, formal double. Early to late season. Handsome foliage. Outstanding.	Evergreen. Ht 2.5m
CAMELLIA SETSUGEKKA	(Sasanqua) Large white semi-double with fluted petals. Strong, upright bushy habit. Makes excellent hedge. Prune after flowering. Tolerant to full sun.	Evergreen. Ht.3m
CAMELLIA SETSUGEKKA BLIZZARD	Masses of lightly perfumed semi-double white flowers with yellow stamens. Vigorous grower ideal for hedging. Prefers part shade and well drained soils. PVR	Evergreen Ht. 2m
CAMELLIA SILVER ANNIVERSARY J	Large semi double white satin blooms with golden stamens. Upright, compact, pyramidal growth habit. Mid to late season flowering.	Ht 2.5m Evergreen.
CAMELLIA SWAN LAKE	(Japonica) Snow white, medium, semi-double or hose-in-hose form. Mid to late season. Bushy habit.	Evergreen. Ht 2.5m
CAMELLIA TAKANINI	Blood red flower with a tight frilly double centre. Vigorous upright growth. Tolerates full sun to part shade, well drained soils.	Evergreen Ht. 2m
CAMELLIA TRANSNOKOENSIS	Masses of tiny white single flowers opening from reddish buds. Mid to late season. Dense tiny foliated bush. Suitable for tubs.	Evergreen Ht 2.5 x 1.5m
CAMELLIA UNRYU	(Japonica) Small to medium, single blooms of crimson with deeper red veins and yellow anthers. Prefers part shade or morning sun and well drained acidic soil.	Evergreen Ht 2.5m
CAMELLIA WATERLILY	(Hybrid) Medium to large formal double flowers which are bright pink with lavender tones. Early - mid season. Vigorous upright and compact form. Prefers acid soil.	Evergreen. Ht 2m
CAMELLIA WITH LOVE	(Sasanqua) An upright Camellia that flowers in Autumn with soft pink flowers that have a light perfume. Great as a hedge or as a specimen shrub.	Evergreen Ht 2.5m
CAMELLIA YULETIDE	(Sasanqua) Small red single with bright contrasting yellow stamens in early spring. Slow compact growth. Stiff branching habit is unusual in sasanquas.	Evergreen Ht. 1.5m

Plant Variety	Narrative	Spec.
rhododendron		
RHODODENDRON ALEX HOLMES	(Yak Hybrid) Lavender/pink flowers on dark green foliage. Nice compact plant. Will tolerate full sun. NOVEMBER FLOWERING.	Evergreen 1mH
RHODODENDRON ALICE	OCTOBER FLOWERING. Large trusses of two toned pink with darker edges that fade to a light pink. Tall growing with upright habit.	Evergreen Ht. over 2m
RHODODENDRON APPLE BRANDY	MID SEASON FLOWERING. Excellent compact plant with stunning foliage and showy flowers of cream edged with pink.	Evergreen. Ht 1-2m
RHODODENDRON BIBIANI	(Moser's Maroon x arboreum) MID SEASON FLOWERING. Bright waxy red flowers with maroon spots. Glossy dark green leaves. Shelter from wind. Heat tolerant.	Evergreen Ht TALL Over 2m
RHODODENDRON BLUE DIAMOND	(augustinii x Intrafast) SEPT-OCT FLOWERING. Violet-blue small flowers all along the stems. Slow growing, compact, and rounded. Small grey-green aromatic leaves. Sun tolerant.	Evergreen Ht. Up to 1m
RHODODENDRON BLUE RIVER	(van Nes Sensation x Emperor de Maroc) OCTOBER FLOWERING. Unusual mauve flowers with orange markings. Free-flowering. A vigorous plant with glossy green foliage.	Evergreen Ht 1 - 2m
RHODODENDRON BOBS BLUE	SEPTEMBER FLOWERING. Clusters of violet-blue open funnel-shaped flowers cover this upright growing plant. Small green leaves turn maroon in winter.	Evergreen. Ht up to 1m
RHODODENDRON BROWN EYES	(fortunei) OCTOBER FLOWERING. Full trusses of rose pink flowers with gold brown flares and dark speckles. Deep green foliage. Vigorous.	Evergreen
RHODODENDRON BRUCE BRECHTBILL	EARLY TO MID SEASON FLOWERING. Identical to Unique except for flower colour which is pale pink with some yellow in throat. Mulch well, acid soil conditions.	Evergreen. Ht 1 - 2m
RHODODENDRON BUMBLEBEE	(Purple Splendour x Blue Peter). EARLY NOVEMBER FLOWERING. Very showy purple flowers with dark maroon-black eyes on upper lobes. Strong growing plant with dark glossy foliage.	Evergreen. Ht. over 2m
RHODODENDRON CARY ANN	(Corona x Vulcan). OCTOBER FLOWERING. Large trusses, coral red. Deep green foliage, withstands full sun. Attractive mounded bush.	Evergreen Ht. up to 1m.
RHODODENDRON CHRISTMAS CHEER	(caucasicum hybrid) JULY / AUGUST FLOWERING. Delicate blush-pink flowers paling to white, in well shaped trusses with frilled edges. Long flowering season. Sun tolerant.	Evergreen Ht 1 - 2m
RHODODENDRON CILPINENSE	(ciliatum x moupinense) SEPTEMBER FLOWERING. Blush-pink flowers tinged with deeper pink turning white. Rose-pink buds. Very showy.	Evergreen. Ht up to 1m
RHODODENDRON CITY OF DUNEDIN	NOVEMBER FLOWERING. Flowers deep rose maturing to clear pink. Compact, sun tolerant and grows best in well drained humus enriched soil. (P.V.R.)	Evergreen. Ht 1m
RHODODENDRON CORNUBIA	(arboreum x Shilsonii) EARLY AUGUST FLOWERING. Large waxy blood red flowers in a compact truss. Long flowering season. Vigorous growth habit.	Evergreen Ht. over 2m
RHODODENDRON COUNTESS OF HADDINGTON	(ciliatum x dalhousiae) MID TO LATE SEASON FLOWERING. White flushed rose trumpet-shaped flowers. An excellent compact shrub with attractive foliage. Easy to grow. Scented.	Evergreen. Ht 1.5m
RHODODENDRON CRANBERRY SWIRL	MID-SEASON FLOWERING. Ruffled, openly funnel-shaped, cranberry-red flowers. Prefers semi-shade and rich well drained acidic soil.	Evergreen. Ht 1.5m
RHODODENDRON CUNNINGHAMS WHITE	OCTOBER / NOVEMBER FLOWERING. Compact growth habit featuring many small white flowers with a greenish yellow blotch. Buds are flushed with pink. Tolerates a sunny position. Hardy. Acidic soil, mulch well.	Evergreen Ht 1.5m

Plant Variety	Narrative	Spec.
rhododendron (continued)		
RHODODENDRON DOPEY	MID TO LATE SEASON FLOWERING. Glossy red flowers fading towards margins. Upright, compact habit with large leaves. Prefers part shade and acidic soil.	Evergreen. Ht 1m
RHODODENDRON ELEGANS	(Altaclarensis x catawbiensis) AUGUST FLOWERING. Bright crimson flowers make an attractive early splash of colour. Vigorous and hardy with long narrow light green leaves.	Evergreen. Ht. over 2m
RHODODENDRON ELSIE FRYE	(ciliicalyx hybrid) SEPTEMBER FLOWERING. Striking white, streaked rose, with yellow throat. Loose trusses, very fragrant. Leathery, glossy foliage, deeply veined.	Evergreen. Ht 1 - 2m.
RHODODENDRON FANTASTICA	MID SEASON FLOWERING. Yak hybrid with rose flowers fading to white in the throat. Attractive dark green foliage, woolly indumentum beneath. Tolerates both hot and cold conditions.	Evergreen. Ht. 1m
RHODODENDRON FASTUOSUM FLORE PLENO	(catawbiensis x ponticum) NOVEMBER FLOWERING. Double lavender blue flowers with a large golden flare on the upper lobe, loose trusses. Medium, upright growth.	Evergreen. Ht. 2m
RHODODENDRON FIREMAN JEFF	(Jean Marie de Montague x Grosclaude) OCTOBER FLOWERING. Very bright blood-red, hose-in-hose flowers. Attractive, pointed soft green leaves.	Evergreen. Ht. 1m
RHODODENDRON FRAGRANTISSIMUM	(edgeworthii x formosum) MID-LATE SEASON FLOWERING. Large white flowers in loose trusses. Willowy open habit - improved by shaping when young. Some shade preferred. SCENTED.	Evergreen. Ht 1.5m
RHODODENDRON GLENFALLOCH BLUE	(Intricatim hybrid) MID OCTOBER FLOWERING. Spectacular flowering tidy shrub with small vibrant lavender blue flowers.	Evergreen. Ht. up to 1m
RHODODENDRON GRACE SEABROOK	(The Hon Jean Marie de Montagu x strigillosum) SEP / OCT FLOWERING. Early bright blood red flowers in well formed trusses. Attractive foliage with light indumentum.	Evergreen. Ht 1 - 2 m
RHODODENDRON GRANDMA'S HAT	OCTOBER FLOWERING. Showy trusses of white flowers, rimmed with deep purple. An unusual yet stunning flower. Peaty soil, acid fertilizer.	Evergreen Ht. 2m
RHODODENDRON GRUMPY	(Yakushmanum x Unknown) NOVEMBER FLOWERING. Yellow flowers with tinged pink. Dark green foliage with good indumentum and low habit.	Evergreen Ht. 0.5 - 1 m
RHODODENDRON HAPPY ANNIVERSARY	(Yak X). NOVEMBER FLOWERING. Soft pink fading to almost white flowers. Compact plant. Prefers part shade and acidic soil.	Evergreen. Ht 1m
RHODODENDRON HAZEL	(bureaui hybrid) SEPTEMBER FLOWERING. Light pink with deep pink stripes in tight ball shaped trusses. Deep green foliage, and stems coated with light felty indumentum.	Evergreen. Ht 1 - 2m.
RHODODENDRON HELENE SCHIFFNER	(aberconwagi hybrid) OCTOBER FLOWERING. Highly recommended pure white flowers with yellow markings. Perfect dome shape habit, with narrow, deep green leaves on reddish stems.	Evergreen Ht. 1.2m
RHODODENDRON HONEY BUTTER	OCTOBER FLOWERING. Deep orange-yellow that fade to a honey butter centre. Compact, tidy growth habit.	Evergreen Ht. 1.2m
RHODODENDRON HUNTINGTON	NOVEMBER FLOWERING. Trusses of extremely frilly red flowers on a compact plant with tidy habit and excellent foliage.	Evergreen Ht. 1.2m
RHODODENDRON JANET BLAIR	SEPTEMBER FLOWERING. Large scented frilled light pink flowers with golden bronze rays on upper lobes. Plant is well branched and dense and vigorous. Generally wider than tall. Hardy.	Evergreen. Ht 1.8m
RHODODENDRON JEAN MARIE DE MONTAGUE	MID SEASON FLOWERING. Large scarlet crimson flowers in rounded truss. Excellent thick deep-green foliage on a compact slower growing plant.	Evergreen. Ht. 2m

Plant Variety	Narrative	Spec.
rhododendron (continued)		
RHODODENDRON JINGLE BELLS	(Lems Goal x Fabia) OCTOBER FLOWERING. A blend of rose orange and yellow tubular flowers with a large pinky calyx. An excellent compact plant. Grows well in full sun	Evergreen. Ht. 1m
RHODODENDRON JOHN BULL	MID TO LATE SEASON FLOWERING. Blooms of pale pink, tinged creamy white. Small-medium, bushy habit. Fragrant.	Evergreen. Ht. 1.2m
RHODODENDRON JOHNNY BENDER	(Jean Marie de Montague x Indiana) OCTOBER FLOWERING. Very bright deep blood red flowers in rounded tight trusses. Thrives and tolerates full sun.	Evergreen Ht 1.2m
RHODODENDRON JOHNSTONIANUM	(species) SEPTEMBER / OCTOBER FLOWERING. Lovely large creamy-white flowers, flushed yellow. Sweetly scented. Rounded habit with aromatic leaves. Heat resistant.	Evergreen Ht 1 - 2m
RHODODENDRON JOHNSTONIANUM KEN BURNS	(species Maddenii) MID SEASON FLOWERING. Champagne buds opening to lighter blushed cream with deep gold blotch. Dense foliage with a compact spreading habit.	Evergreen Ht 1 - 2m
RHODODENDRON JUMPING JEFF	MID SEASON FLOWERING. Soft lavender flowers on a compact bush. Prefers some shade and well drained acidic soil.	Evergreen. Ht 1 - 2m
RHODODENDRON KAPONGA	(arboreum kermisianum x Iverys Scarlet) MID SEASON FLOWERING. Beautifully-shaped rounded trusses of clear shining red flowers. N.Z. hybrid. Tall vigorous tidy plant.	Evergreen. Ht. over 2m
RHODODENDRON KINGS CREAM	MID-LATE SEASON FLOWERING. Large open trusses of rich cream funnel shaped flowers on a compact plant.	Evergreen. Ht 1.8m
RHODODENDRON KIWI PEARL	OCTOBER FLOWERING. Beautiful creamy lemon flowers open from darker buds. A new rhodo which produces large trusses. Hardy to below 12 degrees. Plant in part shade.	Evergreen. Ht 1.5m
RHODODENDRON KOTUKU	LATE SEASON FLOWERING. A superbly perfumed variety, with soft pink buds opening to clear white tubular flowers with a golden eye. Attractive shiny foliage. Protect from heavy frost.	Evergreen Ht 2.5m
RHODODENDRON LAVENDER GIRL	(fortunei x Lady Grey Egerton) OCTOBER FLOWERING. Lilac buds open to beautiful soft lavender with green eye. Scented. A vigorous plant with attractive glossy foliage.	Evergreen. Ht 1 - 2m
RHODODENDRON LEMON ICE	MID SEASON FLOWERING. White flowers blotched gold in a full truss. Dark foliage on a broad, dense plant. Great for exposed locations.	Evergreen. Ht.1m
RHODODENDRON LEM'S CAMEO	(Dido x Anna) OCTOBER FLOWERING. Superb apricot-cream and pink flowers with red blotch, in huge showy trusses. Attractive foliage is bright bronzy-red when new.	Evergreen Ht. over 2m
RHODODENDRON LEM'S STORMCLOUD	MID SEASON FLOWERING. Brilliant deep glossy red flowers fading to white mottled centre and white stamens that protrude dramatically. Open habit.	Evergreen. Ht 2m
RHODODENDRON LITTLE JACK HORNER	(Yak Hybrid). NOVEMBER FLOWERING. A great hybrid with a dark rosey pink bud opening to dusky pink flowers. Neat and compact habit.	Evergreen. Ht. 60cm
RHODODENDRON LODERI VENUS	(griffithianum x fortunei) OCTOBER FLOWERING. Huge pale pink trusses, strongly scented. Forms a spreading tree.	Evergreen. Ht over 2m
RHODODENDRON MADDENII	(species) LATE SEASON FLOWERING. White flowers, rose pink on the outside. The large, sweetly scented flowers perfume the garden. Needs some shelter to do well.	Evergreen. Ht. over 2m
RHODODENDRON MARKEETA'S PRIZE	(Loderi Venus x Anna) MID SEASON FLOWERING. Bright glowing red flowers in large trusses. Strong vigorous plant.	Evergreen Ht. (TALL) over 2m
RHODODENDRON MI AMOR	(lindleyi x nuttallii) MID SEASON FLOWERING. Huge, magnificently perfumed, lily-like flowers, white with a yellow throat, set in trusses of about five flowers each. Large textured leaves are dark green. Protect from heavy frost.	Evergreen. Ht 2m

Plant Variety	Narrative	Spec.
rhododendron (continued)		
RHODODENDRON MIDNIGHT	(Cup Day x Purple Splendour) LATE SEASON FLOWERING Flowers of soft red purple with heavy dark spotting on upper lobe and centre.	Evergreen Ht 1.5m
RHODODENDRON MOUNT EVEREST	(campanulatum x griffithianum) MID TO LATE FLOWERING. White buds open to pure white flowers with reddish-brown speckling. Conical trusses. Good compact plant. Flowers freely.	Evergreen. Ht. over 2m
RHODODENDRON MRS G.W. LEAK	(Coombe Royal x Chevalier Felix de Sauvage) MID SEASON. Light pink flowers with brown-purple blotch in large conical trusses. Hardy - vigorous. Sun or shade.	Evergreen Ht. Over 2m
RHODODENDRON MRS J.P. LADE	(ponticum hybrid) NOVEMBER FLOWERING Masses of lilac-blue flowers with orange throat. Vigorous spreading habit. Very tough and hardy.	Evergreen. Ht 2m
RHODODENDRON NANCY EVANS	(Hotei x Lem's Cameo) MID TO LATE. Orange-red buds open to ball shaped trusses of yellow-orange. Requires shade and some shelter.	Evergreen Ht 1 - 2m
RHODODENDRON NASELLE	SEPT - OCT FLOWERING (Big Sam x Lems Cameo) Lovely china rose flowers fading to maize yellow. Some orange speckling in the throat. 15 flowers per truss. New growth deep red tinge.	Evergreen. Ht 1.2m
RHODODENDRON OLD COPPER	(Vulcan x Fabia) LATE SEASON. Loose trusses of large bell-shaped copper-coloured flowers. Good upright plant. Does well in warm climates.	Evergreen Ht 1 - 2m
RHODODENDRON OSTBO'S LOW YELLOW	MID SEASON. Opens apricot-pink, slowly turns creamy-yellow. Attractive leaves	Evergreen Ht 1 - 2m
RHODODENDRON PAWHUSKA	MID SEASON. Pawhuska means mountain of snow in Indian. A tall growing plant, large glossy green foliage with strong trusses of showy white blooms.	Evergreen Ht. Over 2m.
RHODODENDRON PERCY WISEMAN	(yakusimanum x Fabia Tangerine) October flowering. Bright pink and cream flowers in rounded trusses. Compact plant with attractive foliage.	Evergreen Ht. Up to 1m
RHODODENDRON PINK SHERBET	Dense, rounded habit and gorgeous woolly indumentum on the foliage. Produces purplish-pink blooms with a lighter throat that fade to an almost white. Huge showy ball-shaped trusses.	Evergreen 1M
RHODODENDRON PRESIDENT ROOSEVELT	MID SEASON Variegated foliage and flower that is frilly red truss fading to white in the centre. Striking plant. Fast-growing.	Evergreen Ht 1 - 2m
RHODODENDRON PRINCESS ALICE	(edgeworthii x ciliatum) MID TO LATE. Open trumpets of pink-white flowers. Very sweetly scented. Open growth with small, dark green leaves.	Evergreen Ht 1.5m
RHODODENDRON PURPLE PASSION	An outstanding new introduction with deep, rich, purple flowers in midseason. Dark green, disease-resistant foliage. Plants are vigorous, dense and compact. A seedling of Purple Splendour.	Ht 1m
RHODODENDRON REGISTERED NURSE	('Viennese Waltz' x 'Olin O. Dobbs') Named to commemorate 100 years of nursing in NZ. Striking large trusses of mauve with a deep wine purple throat Mid season.. Dark green foliage. Reliable and hardy.	Evergreen Ht 1.5m
RHODODENDRON RING OF FIRE	OCTOBER/NOVEMBER FLOWERING Spectacular yellow flowers with a ring of orange-red around the margins in a flat topped truss. Dark foliage on a compact plant.	Ht 1 - 2m
RHODODENDRON RUTH MOTTLEY	OCT - NOV FLOWERING (Unnamed peach hybrid x Lems Cameo) A very intense rhodo which has deep smokey pink flowers fading to a deep peach in centre with some brilliant orange speckling.	Evergreen. Ht 1.2m
RHODODENDRON SAFFRON QUEEN	(xanthostephanum x burmanicum) MID SEASON. Bright sulphur yellow flowers in good trusses make a magnificent display. Compact, free-flowering. Tolerates full sun.	Evergreen Ht 1 - 2m

Plant Variety	Narrative	Spec.
rhododendron (continued)		
RHODODENDRON SEPTEMBER SONG	Magnificent orange trusses cover this compact plant which grows twice as wide as it does tall. Flowers young and freely.	Evergreen. Ht 1.2m
RHODODENDRON SETA	(spinuliferum x moupinense) AUGUST FLOWERING Delightful bright pink and white flowers. Open growth.	Evergreen Ht. Up to 1m
RHODODENDRON SIREN	Bell shaped waxy brilliant red flowers with darker spotting in rounded trusses in late mid season	Evergreen Ht
RHODODENDRON SNOW LADY	(leucaspis x ciliatum) MID SEASON Pure white in bud and flower - dark anthers. Buds easily , blooms young. Flowers well in deep shade. Heat tolerant.	Evergreen Ht. 1.5m
RHODODENDRON SPRING DANCE	(triflorum hybrid) MID SEASON. Saucer-shaped flowers of pale lilac frilled florets completely smother the dainty plant. Upright habit. Small glossy leaves.	Evergreen Ht LOW Up to 1m
RHODODENDRON UNIQUE	(campylocarpum hybrid) MID SEASON Deep pink buds open to creamy-white rounded trusses. Compact plant with dense foliage. Free-flowering.	Evergreen Ht 1 - 2m
RHODODENDRON VAN DEC	(Van Nes Sensation x decorum) MID SEASON Lovely pale pink flowers with lilac flush. N.Z. Hybrid. Strong vigorous grower.	Evergreen Ht over 2m
RHODODENDRON VIREYA RED MOUNTAIN	A tropical shrub that is semi-epiphytic (grows on other plants) Glossy mid green foliage. Compact spreading habit. Rich dark ruby red bell like flowers. Prefers a warm semi-shaded spot protect from frost.	Evergreen 1x1M
RHODODENDRON VULCAN'S FLAME	(griersonianum x Mars) NOVEMBER/DECEMBER FLOWERING. Bright red flowers in heavy trusses. Foliage deep green with red stems. Heat tolerant.	Evergreen Ht 1 - 2m
RHODODENDRON WHITE PEARL	OCTOBER FLOWERING Vigorous hardy shrub. Wide bell shaped flowers held in trusses, pink in bud, opening white.	Evergreen. Ht Over 2m
RHODODENDRON WINSOME	(Humming Bird x griersonianum) MID SEASON. Bright glowing deep pink flowers. Very free-flowering. Coppery young growth. Very hardy.	Evergreen Ht LOW Up to 1m
