Plant Variety	Container	Narrative	Barcode	Price
NZ native				
ACAENA CAESIIGLAUCA	1.5L	Intense blue-grey leaves which darken in winter. Spreading plant suitable for sun or part shade and dry soil conditions. Trim seed heads before mature to keep foliage fresh..	0018524143974	\$16.50
ACAENA INERMIS PURPUREA	1.5L	Quick growing groundcover with ferny foliage in beautiful shades of purple to bronze. Red seed heads produced in summer. Prefers sunny, well drained position	0018524143981	\$16.50
ACIPHYLLA AUREA	2.5L	(Golden Spaniard) Stiff pungent leaves with large golden flower heads up to 75 cm long appearing in summer. Open sunny position required. Very hardy.	0018524151603	\$16.90
AGATHIS AUSTRALIS	6.5	(Kauri) During early years kauri trees have upright habit of growth and distinctive bronze foliage, which turns green as tree matures. Requires shelter and protection from frost and drought.	0018524013093	
	6.5		0018524159548	\$29.90
	35L		0018524141086	\$279.90
ALECTRYON EXCELSUS	3.3	(Titoki / NZ Oak) Fine spreading tree with large shiny leaves. Sprays of rusty flowers in early summer are followed by scarlet fleshy berries. Good specimen tree in well drained soil. Protect from frost.	0018524214995	\$26.90
ANAPHALIOIDES BELLIDIODES		Perennial with 'everlasting' flowers of silvery white. Leaves are silvery-grey and woolly. Summer flowering. Requires moisture and either sun or part shade.	0018524233132	\$16.50
ARISTOTELIA KINGSLEY BUTLER	6.5	Shapely, compact evergreen NZ native shrub. Full sun to part shade prefers well drained soil. Frost hardy.	0018524155908	\$23.90
ARISTOTELIA SERRATA	5	Makomko, Wineberry) A handsome NZ native, deeply serrated green leaves with purple margins. Fast growing, shelter or background planting.	0018524155939	\$19.90
ARTHROPODIUM CIRRHATUM MATAPOURI BAY	5	(Reinga Reinga lily) Attractive form with larger flower heads and broader leaves that have a distinct bluish hue. Hardy plant which tolerates coastal conditions. Prefers some shade.	0018524166508	\$19.50
ASPLENIUM BULBIFERUM	1.5L	(Hen and Chicken Fern) A beautiful NZ native fern with long recurving fronds. Easy to grow and looks best in a mass planting beneath trees.	0018524191708	\$28.90
ASTELIA CHATHAMICA SILVER SPEAR	2.5L	Large Chatham Island species. Silver-green leaves with a metallic sheen. Spring flowers are white and fragrant and are followed by orange berries. Will grow to large plant with great architectural merit.	0018524151719	\$23.90
ASTELIA FRAGRANS	5	Flax like plant excellent for damp shady areas. Spikes of orange berries in autumn. Very hardy.	0018524154987	\$22.50
ASTELIA NERVOSA	2L	Flax-like plant with attractive foliage used in floral work. Sweet scented long stem of flowers occur in Oct - Jan and orange fruit takes one year to ripen. Hardy.	0018524124768	\$23.90
ASTELIA NERVOSA ALPINE RUBY	2L	A colourful foliage plant with long arching ruby red leaves and silvery reverse. Forms a low compact clump. Plant in sun or partial shade. Good drainage is essential. Hardy. PVR	0018524154994	\$28.90
ASTELIA NERVOSA WESTLAND	2L	(NZ Native Plant) Dense clump-forming perennial with attractive grey-purple flax-like foliage. Requires open, well-drained site. Good in containers. Hardy.	0018524128032	\$23.90

Plant Variety	Container	Narrative	Barcode	Price
NZ native (continued)				
ASTELIA NIVICOLA	2L	A small flax-like plant, extremely hardy in most conditions. Ideal for rock garden. Variation in leaf colour from bronze to silvery green. Easily grown in sun or shade, tolerate dry soils.	0018524154970	\$23.90
ASTELIA RED REBEL	2L	Attractive NZ native plant with reddish bronze leaves which turn rich claret red in winter. Suitable for rockeries, containers or mass plantings. Grows best in sunny well drained position.	0018524120135	\$23.90
AUSTRODERIA RICHARDII	5	(South Island Toe Toe) SYN Cortaderia richardii	0018524120357	\$20.90
	5	Hardy grass with graceful cream coloured plumes from mid December to January. Suits most soil types, full sun.	0018524205924	\$20.90
AUSTRODERIA TOE TOE	2.5L	North island toe toe. Tall strappy leaves with graceful cream coloured plumes from mid December to January. Suits most soil types, full sun. Hardy.	0018524219891	\$19.90
BEILSCHMIEDIA TARAIRI	3.3	(Tararire) A beautiful specimen tree with bold handsome foliage and large purple fruit. Prefers good soil . Protect from heavy frost.	0018524158626	\$21.90
BLECHNUM DISCOLOR	10CM	(Piupiu, Crown Fern) Forms crowns of semi-upright fronds on short trunks. Likes a cool shaded spot. Plant several together for a bold effect. Hardy.	0018524157612	\$17.90
	1.5L		0018524223546	\$28.90
BLECHNUM FLUVIATILE	2.5L	Distinguished by its dark green fronds which grow more or less horizontally from the crown. Easily grown in a moist and shady position.	0018524228046	\$23.90
BLECHNUM MINUS	1.5L	NZ native fern which forms a very bushy clump. Thrives in wet soils and on creek banks where it tolerates partial sun. Cold hardy plant with attractive pink new fronds.	0018524223553	\$25.90
BLECHNUM NOVAE-ZELANDIAE	2.5L	Attractive creeping fern with drooping fronds which grow quite long. Will tolerate shade or open areas. Hardy.	0018524228053	\$23.90
BLECHNUM PENNAMARINA	2L	Attractive creeping fern, easy to grown in open or semi-shaded positions with reasonable moisture. Ladder-like fronds. Hardy.	0018524222389	\$20.90
	1.5L		0018524238304	\$28.90
BRACHYGLOTTIS COMPACTA	2.5L	Syn. Senecio compactus. Compact small shrub with grey-green leaves, densely felted beneath with pure white hair. Yellow flowers in summer. Very hardy and suitable for coastal planting.	0018524162111	\$19.50
			0018524251921	\$22.90
BRACHYGLOTTIS GREYII	8	Yellow daisy-like flowers from early to mid summer. Attractive grey foliage. A tough adaptable native with spreading habit ideal for coastal areas. Trim back after flowering.	0018524251938	\$24.90
BRACHYGLOTTIS MONROI	5	NZ native of compact spreading growth with grey felted leaves. Yellow daisy flowers. Good for exposed coastal conditions.	0018524161411	\$20.90
CAREX COMANS BRONZE	5	Red brown tussock with fine shiny leaves. Effective planting in groups where a tough plant is needed. Tolerates damp and salty conditions.	0018524145794	\$19.50
CAREX DISPACEA	5	A densely tufted grass of light green colouring, ideal for planting amongst contrasting coloured grasses. Suitable for damp conditions.	0018524120142	\$19.50
CAREX TESTACEA	ep	A densely tufted plant with arching, rather wide spreading foliage. Colour varies from light brownish green to golden brown. Very hardy.	0018524233774	\$19.90
	5		0018524120159	\$19.90
CAREX TRIFIDA	5	(Chatham Island Sedge) Hardy plant with interesting blue-green foliage and conspicuous large flower spikes.	0018524145787	\$19.90
CAREX TRIFIDA REKOHU SUNRISE	5	Hardy plant from Chatham Islands. Stout habit with numerous plump brown flower spikes and medium to wide blue-green and cream variegated leaves. Coastal planting, dry banks or pots.	0018524145855	\$22.90

Plant Variety	Container	Narrative	Barcode	Price
NZ native (continued)				
CARMICHAELIA ODORATA	5	A spreading much branched shrub, will grow in very hard conditions. Small scented mauve flowers are formed along the branches during summer.	0018524156059	\$21.90
CARPODETUS SERRATUS	5	(Putaputawheta or Marble Leaf) Pale greyish white bark. Dark green leaves with light marbling on surface.	0018524140973	\$19.90
	5	Juvenile plant has small leaves. Masses of small white flowers cover tree. Very hardy and reasonably quick growing.	0018524217316	\$49.90
	25L		0018524236171	\$199.90
CHIONOCHLOA CONSPICUA	1.5L	Large tussock found throughout NZ Flower panicles from Nov - January. Very hardy.	0018524239431	\$16.50
CHIONOCHLOA FLAVICANS	1.5L	(Dwarf Toi Toi) Forms a dense clump with bright green slender, weeping leaves. Plumes of greenish-yellow flowers hang from the tips of metre long stems during summer. Very hardy.	0018524145879	\$16.50
CHIONOCHLOA RIGIDA	5	Snow tussock -Tall and stout tussock, usually tawny green or golden colour. Flowering stems up to 1.5 long. Very hardy and tolerant of dry conditions when established.	0018524123389	\$20.90
CHIONOCHLOA RUBRA	5	(red Tussock) A graceful tussock from Fiordland. Suitable for windy sites. Prefers open and moist soil conditions. Very hardy.	0018524120296	\$20.90
CLIANTHUS MAXIMUS	5	NZ native Red kaka beak with wonderful pendulous large red flowers in spring and summer. Larger , more shiny leaves than puniceus.Plant in sunny, well-drained site.Prune after flowering.	0018524178259	\$21.90
CLIANTHUS PUNICEUS ALBUS	5	(White Kaka Beak) A vigorous semi-evergreen medium sized shrub with curious white claw shaped flowers in spring. Prune after flowering.	0018524128681	\$21.90
CLIANTHUS PUNICEUS FLAMINGO	5	(Pink Kaka Beak)Fast growing, mainly evergreen native shrub with pink pea-shaped flowers. Suits a well-drained site in full sun protected from heavy frosts. Prune after flowering.	0018524128698	\$21.90
COPROSMA ACEROSA	5	(Sand Coprosma) Low growing shrub with flexible orange brown branches. An excellent plant for coastal areas and hot dry conditions	0018524188708	\$19.90
COPROSMA ACEROSA RED ROCKS	5	Excellent rugged shrub which forms a tight tangled mound of dark reddish brown. Good for sunny situations. Will withstand salty winds and moderate frosts.	0018524154130	\$18.50
COPROSMA BLACK CLOUD	5	Attractive shrub with stunning ebony black foliage all year round.Compact habit. Will grow in full sun or shade.Hardy.	0018524154147	\$18.50
COPROSMA BLACK VELVET	2.4	Large bronze-black glossy leaves .Tolerates drought,coastal winds,sun and shade.Protect from heavy frost.	0018524164702	\$23.50
COPROSMA CRASSIFOLIA	5	A stiffly branched tight shrub with small round dark green leaves. Versatile growing in coastal and inland positions. Prefers dry conditions and full sun.	0018524209748	\$20.90
COPROSMA EVENING GLOW	2.4	Bright foliage with red and deep orange colours in Winter which give way to lighter yellows and oranges in Spring and Summer. A very attractive contrast plant for the native garden. Protect from heavy frosts.	0018524154246	\$23.50
COPROSMA FLAT FREDDY	1.5L	(brunnea x kirkii hybrid) Ideal low growing groundcover plant, that prefers well drained sunny site. Hardy to frost and wind.	0018524248167	\$14.50
	5		0018524189033	\$18.50
COPROSMA HOT CHOCOLATE	5	Attractive shrub with shiny dark chocolate brown leaves. Prefers some sun and well drained position. Can be trimmed. Protect from heavy frost.	0018524255882	\$21.90

Plant Variety	Container	Narrative	Barcode	Price
NZ native (continued)				
COPROSMA IGNITE	2.4	Bright red variegated foliage in Summer deepens to dark red burgundy in winter. Prefers full sun or part shade in well drained soil. PVR	0018524244046	\$23.50
COPROSMA LEMON AND LIME	2.5L	Lime green and bright yellow foliage with touches of orange. Prefers full sun and well drained soils. Protect from heavy frost. Suitable for coastal planting and in containers.	0018524212694	\$22.90
COPROSMA LUCIDA	5	Large glossy green leaves. Orange drupes produced in autumn. Good shelter plant. Protect from heavy frost.	0018524212779	\$17.50
COPROSMA MANGATANGI	5	Delightful divaricating ground cover native with colourful foliage. Slow growing with best colour when planted in full sun. Hardy.	0018524154086	\$19.50
COPROSMA PACIFIC SUNRISE		A striking Coprosma with glossy, wave-shaped leaves that are chocolate brown with pink highlights. Good for containers. Prefers full sun and well drained soil. Protect from heavy frosts. PVR	0018524177306	\$23.90
COPROSMA PROPINQUA	5	Very hardy shrub with small leaves usually in clusters. Grows in heavy wet soil. Blue drupes in summer.	0018524154048	\$21.50
COPROSMA PROSTRATA KIWI GOLD	5	A prostrate groundcover, ideal for walls and rock gardens. Small shiny green leaves with bright yellow gold edges. Forms a dense mat. Tolerates drought and heat once established.	0018524154079	\$19.90
COPROSMA REPENS MARGARITA	2.4	A shiny leaf with citron tones with rich deep amber colour through cooler months. Prefers full sun and well drained position. Protect from heavier frosts.	0018524157537	\$23.50
COPROSMA REPENS PROSTRATA	5	Prostrate form of Taupata. Shiny deep green leaves on low growing plant. Best suited to coastal conditions and well drained . Good for banks in windy position and light frost only.	0018524154093	\$17.50
COPROSMA RHAMNOIDES	5	A small, spreading variety with interlacing rust coloured branches. Small flowers appear in September/October followed by red drupes which turn deep red or black. Very hardy	0018524209755	\$19.50
COPROSMA RUGOSA	5	A compact, upright shrub. Attractive orange/chocolate brown interlaced foliage. Blue berries in autumn. Great for dry areas. Evergreen. Very hardy, found in subalpine areas.	0018524212786	\$17.50
COPROSMA RUGOSA CLEARWATER GOLD	5	Rugosa type. Twiggy growth with an orange/gold effect. Great for coastal planting. Very Hardy.	0018524189996	\$21.90
COPROSMA RUGOSA LOBSTER	5	Distinctive orange-red new growth which becomes brighter in winter. Low maintenance plant that suits most soil types, in full sun or part shade. A good choice for coastal planting. Very hardy.	0018524151726	\$21.90
COPROSMA RUGOSA MIDNIGHT	5	Deep purplish-bronze foliage on a twiggy, upright, compact plant. Attractive architectural plant which can be trimmed. Very Hardy.	0018524154031	\$22.90
COPROSMA SCARLET O'HARA	2.4	Bold foliage in stunning red which features deep brown to black centre of the leaves. Great in pots. Easy care, prefers full sun and well drained soil. Protect from heavy frost.	0018524154154	\$23.50
COPROSMA TAIKO	5	Cushion mound of intertwining branchlets coloured dark green. Vigorous groundcover. Tolerant of poor dry sandy conditons. Very hardy.	0018524169912	\$21.90
COPROSMA TAYLORII	2L	A very hardy New Zealand native shrub with small grey green leaves. Grows in very exposed places, creating a distinctive form. Requires good drainage, ideal tub plant.	0018524209762	\$19.50

Plant Variety	Container	Narrative	Barcode	Price
NZ native (continued)				
COPROSMA TEQUILA SUNRISE	2.4	Features a range of vibrant foliage colours, changing from lime green and yellow in spring through to orange and burgundy in winter. Thrives in full sun.but okay in some shade.Protect from frost while young	0018524212700	\$22.90
COPROSMA X KIRKII	5	A hardy prostrate NZ native, vigorous growing and ideal to cover dry banks and areas with some foot traffic.	0018524144001	\$19.50
COPROSMA X KIRKII VARIEGATA	5	An excellent spreading variegated shrub suitable for banks and coastal conditions. Hardy.	0018524144018	\$18.50
CORDYLINE AUSTRALIS	6.5	(Cabbage Tree)Impressive tree with palm-like appearance and creamy white scented flowers in summer. Ideal for structural planting and containers. Sunny, well-drained site preferred. Very hardy.	0018524144025	\$21.50
	12		0018524154024	\$47.90
	35L		0018524141390	\$249.90
CORDYLINE AUSTRALIS ALBERTII	3.3	An attractive cultivar with cream and green foliage with a pink mid-rib. Despite the tropical appearance it is hardy and easy to grow in most soils.	0018524207942	\$29.90
CORDYLINE AUSTRALIS BURGUNDY SPIRE	1.5L	Upright plant which has glossy deep burgundy, long narrow leaves. Provides strong architectural focus in garden. Suitable for container. Full sun or part shade. Very hardy.	0018524198837	\$28.90
CORDYLINE AUSTRALIS RED STAR	4.5	Wonderful new selection bred from Cordyline australis. Deep velvet red foliage.Hardy .Prefers full sun but tolerates shady positions.Suitable for garden or in a container.	0018524250436	\$25.90
	T		0018524156271	\$64.90
CORDYLINE BANKSII ELECTRIC FLASH	2.5L	Clumping plant with chocolate and cream variegated, slightly arching leaves. Hardy, prefers full sun to part shade.	0018524156172	\$26.90
CORDYLINE BANKSII ELECTRIC PINK		A striking new cordyline with brightly coloured pink and burgundy striped leaves. A great architectural plant which looks great in a container. Prefers full sun or part shade in well drained soil.	0018524186995	\$26.90
CORDYLINE BANKSII LIME FOUNTAIN		A compact clumping corydline with glossy lime green foliage. Ideal planted in pots. Prefers full sun or partial shade. Hardy.	0018524247641	
CORDYLINE BANKSII RED FOUNTAIN		Lovely brilliant fine red foliage, flax-like in shape. After two to three years it produces cabbage tree flowers which are creamy-white and fragrant.	0018524154239	\$29.90
CORDYLINE BROADSWORD	2.5L	A superb new native which is a cross between C.Kaspar and C. Australis. A compact habit with sword-like green leaves, ideal for containers. Prefers full sun and protection from heavy frosts.	0018524243650	\$22.90
CORDYLINE INDIVISA	17cm	(Mountain Cabbage Tree) For architectural planting this wide leaved native palm makes rapid growth. Flowers creamy-lilac. Prefers a sheltered position in full sun/part shade in well drained soil.	0018524241427	\$34.90
COROKIA BRONZE KING		Small bronze and green leaves turning a deep bronze in winter. Very twiggy branches and starry yellow flowers . Excellent for coastal planting and hedging.	0018524155557	\$21.90
COROKIA COTONEASTER 5		A rigid densely branched shrub. Bright yellow flowers followed by yellow orange or red berries in autumn. Hardy. Prefers some sun.	0018524143462	\$21.96
COROKIA COTONEASTER GEENTYS GHOST		Selected for its classic silver grey foliage. Extremely tolerant of dry and exposed conditions including salt winds. Can be trimmed as topiary or hedge.	0018524202077	\$20.90
COROKIA COTONEASTER LITTLE PRINCE	5	Compact twiggy dwarf shrub with bronzy purple foliage. Very hardy. Can be trimmed into hedge.	0018524155496	\$19.90

Plant Variety	Container	Narrative	Barcode	Price
NZ native (continued)				
COROKIA PIPSQUEAK		Bushy shrub with small green leaves. Produces small starry yellow flowers in summer followed by yellow berries. Full sun or part shade and tolerant of wind, coastal conditions and dry once established. Makes great small hedge.	0018524155526	\$21.90
COROKIA X VIRGATA GEENTYS GREEN		Compact, upright plant with large glaucous green, oval leaves. Very hardy to poor soils and wind. Suitable for hedging.	0018524173018	\$89.90
COROKIA X VIRGATA BRONZE KNIGHT	5	Upright growing native with dark bronze foliage and silvery underneath. Great for hedging. Wind resistant.	0018524128704	\$19.90
COROKIA X VIRGATA FROSTED CHOCOLATE	5	Very hardy shrub with bronze chocolate foliage and frosted reverse side of leaf. Orange-red berries in autumn.	0018524155533	\$21.90
COROKIA X VIRGATA RED WONDER		Extremely hardy coastal shrubs with dense twiggy branches and starry yellow flowers. Red berries.	0018524144179	\$19.50
COROKIA X VIRGATA SUNSPASH	5	A medium shrub with green leaves margined gold. Compact. Full sun or part shade. Has small red berries that are attractive to birds.	0018524155519	\$21.90
COROKIA X VIRGATA YELLOW WONDER		Extremely hardy coastal shrub with dense twiggy branches Yellow starry flowers followed by yellow berries.	0018524144162	\$21.90
CORYNOCARPUS LAEVIGATUS	6I 25L	(Indoor Plant Karaka) Excellent for coastal positions. Handsome upright tree with large polished leaves with orange fruits in autumn resembling a plum. Protect from heavy frosts.	0018524159074 0018524161916 0018524161923	\$36.90 \$59.90 \$149.90
CYATHEA DEALBATA		(NZ SILVER FERN) Beautiful fern with silvery undersides. Protect from wind and heavy frost. Well drained situation required. Tall and slow-growing - suitable for small gardens. NZ national emblem	0018524204507	\$69.90
DACRYCARPUS DACRYDIOIDES	60L	(KAHIKATEA, WHITE PINE) Juvenile state persists for many years. When mature it is a fine specimen tree that has dark green leaves arranged around branchlets. Moist situation. Hardy.	0018524141314	\$299.90
DACRYDIUM CUPRESSINUM	12	(Rimu) A graceful native with conical shape and cascading branches of light green cordlike branchlets to ground level. Hardy to cold but needs some shelter from strong or salt winds.	0018524253628	\$49.90
DIANELLA NIGRA	2L	Shiny, dark green upper leaf with slightly rough edges. Forms close growing clumps. Pretty star-shaped light blue flowers in spring followed by masses of shiny dark blue berries.	0018524255899	\$20.90
DICKSONIA FIBROSA	18	(WHEKI / PONGA) NZ native tree fern which grows in both shade or open, exposed situations. Hardy and ideal for containers. Trunk produces up to 6m fronds.	0018524204484 0018524223539	\$75.90 \$99.90
DICKSONIA SQUARROSA	28 40 35L	WHEKI, PONGA) One of the most abundant NZ native tree ferns. Grows in any soil sun or shade. Protect from heavy frosts when young. Occasional grooming will maintain neatness.	0018524204477 0018524180818 0018524137584	\$189.90 \$229.90 \$279.90
DISPHYMA AUSTRALE	1.5L	(Horokaka. NZ native Ice Plant) Coastal plant suitable for dry banks. Makes attractive groundcover with flowers ranging from mauve pink to white from spring to autumn. Not suitable for inland areas.	0018524253659	\$16.90
DODONAEA VISCOSA	3I 12	(Green Ake Ake) Quick growing NZ shrub for warm and coastal areas. Useful as hedge or shelter in coastal and windy situation. Requires good drainage. Ornamental seed capsules.	0018524250115 0018524171113	\$18.90 \$46.90
DODONAEA VISCOSA PURPUREA	6.5 18 25L	(Purple Ake Ake) A quick growing native shrub suitable for coastal areas. Leaves red in summer turning rich purple red in winter. Needs protection from heavy frost.	0018524250399 0018524155946 0018524174909	\$24.90 \$54.90 \$199.90

Plant Variety	Container	Narrative	Barcode	Price
NZ native (continued)				
DYSOXYLUM SPECTABILE	3.5	(Kohekohe) Distinctive round headed tree with glossy green leaves and cylindrical trunk. Most striking feature are the flowers which are drooping white and waxy on the bare branches in early winter.	0018524163255	\$26.90
ENTELEA ARBORESCENS	6.5	(Whau) Distinctive, small, NZ native tree with large leaves and bristly seed capsules. White flowers abundant in early summer. Fast growing in good soil and rather sheltered position. Protect from frost.	0018524244497	\$23.90
FICINIA SPIRALIS (PINGAO)	2L	(Pingao) NZ sand sedge forming thick clumps on sandhills along the coast .Good for stabilization .Has green bronze spear like leaves .Requires a sandy well drained soil and partly buried.Hardy.	0018524240024	\$19.90
FUCHSIA EXCORTICATA	5	(NZ Tree Fuchsia) Hardy small tree with attractive papery bark hanging from trunk. Small blue and cream flowers. Good in damp shady positions.	0018524165990	\$19.90
FUSCOCARPUS CLIFFORTIOIDES	35L	Syn. Nothofagus NZ Mountatin Beech) Elegant small to medium sized fast growing tree	0018524248709	\$249.90
FUSCOPORA SOLANDRI	5	(NZ Black Beech) Tall, slender, very attractive tree with ascending fanlike branches. Hardy.	0018524151801	\$20.90
	5		0018524143660	\$42.90
	35L		0018524141116	\$259.90
	60L		0018524194952	\$299.90
FUSCOPORA FUSCA	3.3	(Formally Nothofagus fusca , Red Beech) Small bronzy-red leaves make this tree excellent for decorative work.Has erect habit and is suited to inland conditions. It dislikes salt winds.	0018524239301	\$23.90
	12		0018524226967	\$49.90
	35L		0018524141000	\$229.90
	35L		0018524141208	\$269.90
GRISELINIA ARDMORE EMERALD	18	A popular, darker green broadleaf form with glossy emerald green leaves. Forms a very dense shrub which can be clipped into many forms. Ideal for hedging and screening. Tolerates coastal situations. Very hardy.	0018524233248	\$49.90
GRISELINIA LITTORALIS	5	(Kapuka, NZ Broadleaf) Handsome hardy shrub with shiny broad, mid-green leaves. Tolerant of coastal planting. Free draining soil preferred. Hardy.Good for hedging.	0018524151733	\$20.90
	12		0018524128728	\$44.90
GRISELINIA LITTORALIS BROADWAY MINT	1.5L	(NZ Broadleaf) An attractive dense bushy tree with deep green foliage, thick and very shiny. Hardy and suitable for coastal planting.Suitable for hedging .	0018524234108	\$19.90
	18		0018524233231	\$49.90
GRISELINIA LITTORALIS COBB	5	A selection of broadleaf from the Cobb Valley . Stems are orange to red with glossy green leaf. Ideal for screening and hedging. Hardy.	0018524234733	\$20.90
GRISELINIA LITTORALIS DAIRY CREAM		A colourful New Zealand native broadleaf with rounded foliage of yellow and cream with irregular margin of forest green. Moderate vigor and bushy habit. Prefers semi shade.	0018524245159	\$26.90
GRISELINIA LITTORALIS VARIEGATA	8	(Variegated Form of Broadleaf)Excellent dense rounded shrub. Shiny green leaves irregularly blotched or margined gold. Suitable for sun or shade. Hardy coastal plant.	0018524156073	\$19.50
	12		0018524240857	\$36.90
	35L		0018524206464	\$49.90
HEBE ALLANII	6.5	Low growing Hebe with white flowers in November to January. Hairy grey leaves with red margins. Hardy when planted in a sunny well-drained site.	0018524136242	\$199.90
HEBE ANNULATA		A dwarf compact whipcord Hebe which makes a bright green mound. Hardy, suitable for coastal conditions.	0018524155236	\$21.50
HEBE BALDKNOB RIDGE	6.5	An interesting Hebe from Nelson with prostrate habit and fleshy, apple-green foliage with small white flowers. Prefers full sun and moist soils.	0018524155410	\$22.50
HEBE BEVERLEY HILLS	17cm	A neat compact bushy shrub covered in bright violet blue flowers in spring. Ideal for a low-growing hedge or in a tub. Good coastal, sunny or semi-shade plant.	0018524151740	\$19.50
